Lincoln and I whistled and 999 septillion massive industrial-sized cans of spinach were delivered to us via a series of trucks, and he opened them up. Then...!

LINCOLN AND I DEVOURED THE MASSIVE INDUSTRIAL CANS OF SPINACH!

Nico: OH CRAP!

Suddenly, Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura and holy white aura, and he'd gained a massively astronomical power boost.

And my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and my large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on my obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed, and a massive aura of rainbow, white, golden yellow, and blue fire surround his rainbow protective aura, and I'd gained a massively astronomical power boost.

Then, we flexed our massive muscles, and everyone saw two cannons exploding in our massive biceps and the Death Star exploding in our massive pecs and we let out two massive wolf howls and we pounded our chests like two Alpha Male gorillas.

Then, we punched him hard in the face and kicked him in the stomach and we sent him flying into a wall, he got back out and he was enraged, but before he could attack, Lincoln fired waves of elements at him that exploded as he got hit and he also got burned and I also fired a stream of fire and burned him.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, STAY DOWN!

Lincoln, Nico, and I did one final powerful energy slash that hit Old Man Oldman hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Old Man Oldman was on his last legs and he was really really mangled.

Then, Lincoln tied Old Man Oldman up in a rainbow energy straitjacket and Brynja fired a blast of ice that hit and froze him in a block of ice and Lincoln threw the frozen Old Man Oldman into a portal he opened up that led to The M.O.E. where he'll be straightened out. We cheered as we holstered our weapons and powered down and Brynja's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999 massive and long blonde wolf tails, large gold halo and large gold Yata no Kagami mirror with gold snowflake ring-shaped frame around it with embedded arctic blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold snowflake ring-shaped frames around them with embedded arctic blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999 large arctic blue planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999 smaller arctic blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized arctic blue planets orbiting around her wrists and ankles, and enormous blonde angel wings and 999,999,999,999,999,999,999,999,999,999,999 sets of large blonde angel wings underneath her enormous blonde angel wings are permanent, and Super Brother's new body, clothes, jewelry, Third Eye, larger brown wolf ears, 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and longer brown wolf tails, large gold halo and large Yata no Kagami mirror with sun ring-shaped frame with embedded gems behind the large gold halo behind his head and four large orbiting gold rings on each corner with four large Yata no Kagami mirrors with sun ring-shaped frames with embedded gems on each corner behind the four large orbiting gold rings, 999,999,999,999,999,999,999,999,999,999,999,999,999 large planets orbiting around his legs, 999,999,999,999,999,999,999,999,999,999,999,999,999 smaller planets orbiting around his waist, smaller planets orbiting around his fingers, medium sized planets orbiting around his wrists and ankles and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings are permanent.

Nico: That'll teach him! Next time, there won't be any mercy!

Me: Yeah!

Nico: And that's that.

Lincoln: If there is a next time. Now, to cure the Warrior Siblings.

Lincoln got out a cure potion and administered it to Vambre and Proyhas and they were cured.

Proyhas: Thanks for that.

Vambre: (British Accent) We got caught off guard by that evil toupee Oldman had.

Me: But, we got rid of that ugly hairpiece and taught him a lesson.

Super Brother: That was pretty awesome.

Suddenly, Super Brother's harem pounced on him and they had an intense makeout as they kissed and hugged, and when they were done, Super Brother had kiss marks on his face, pecs, abs, arms, sides, obliques, and back and his cheeks and muzzle had a red blush.

Super Brother: (In Heaven) Still as passionate and intense as ever...!

We snickered.

Super Brother: Now, I know you put aside what happened to Lincoln yesterday, but I need to remind the Lego DC villains that you guys had put aside what happened yesterday. But, don't worry, I won't get that rough.

Me: Okay, we'll leave it to you. But, this is the first time we're meeting the Good Akuma of one of The Louds.

Super Brother: I'm more than just the Good Akuma of Lincoln. I'm also the leader of a team of the Good Akumas of Team Loud Phoenix Storm, we are known as Team Loud Akuma Angel Storm.

WE GASPED!

Me: NO WAY!

Super Brother: It's true.

FLASHBACK TO SUPER BROTHER'S WORLD

Super Brother: (Narrating) Back then, I was just an ordinary 11-year-old kid enjoying life, but then, I suddenly had a desire: a desire to protect those in need and punish those who are beyond any forms of redemption and are born pure evil to the core. As a result of expressing that desire to protect all those in need and punish those beyond any forms of redemption and born pure evil to the core, I felt something awaken inside of me.

Suddenly, something awakened inside Lincoln as he fell to his knees. Then, he started to change and transform from an 11-year-old boy into a 9'11" tall and strong man as his face's structure changed into a man with strong rugged looks, and his body's muscles then began growing larger and stronger which caused his orange shirt to explode and rip apart and he also had twelve-pack abs and his jeans exploded and ripped apart leaving him in his underwear. Then, he felt a sharp pain on his wider and muscular back, and then, massive white angel wings grew and sprouted out.

Super Brother: (Narrating) After it was over, I saw that I was changed forever from an 11-year-old kid into a truly omnipotent powerful force of good and powerful godly angel reborn as a God. Then, I started to recruit the other Good Akumas of all of you and that was how Team Loud Akuma Angel Storm was born.

OUR JAWS DROPPED!

CLANG!

Then, Lincoln closed our jaws.

Nico: HOLY MOLY!

Me: That was really awesome! So, you're the leader of an Akuma Angel version of us, that's really cool! We have Mannia the Inferno Phoenix Angel and Gaia Angel, The Good Akumas of Max Ride and Earth, with us. But, we've been meeting the Hypothetical Akumas of us, and some of them were...!

Super Brother: Hostile. I should've known, they were created because of the evil they witnessed, and you guys took them down.

Lincoln: Yes, but as for the hypothetical Akumas of my future wives, I marked them and they became part of my harem.

Lori: That's for sure.

Super Brother: Nice one. Oh, but I should also tell you: the Good Akumas of your harem are going to join your harem when you meet them, Lincoln.

Lincoln: Thanks for the heads-up.

Super Brother: You're welcome.

Me: Now lets go get some Slugburger. Most of us lost of lunches.

Qin: Yeah.

Prohyas: YAY!

We went to Slugburger.

SOON AT SLUGBURGER!

We ordered a lot.

Witchy Simone: Sorry you guys went through all that!

Vambre: It was awful.

Me: Yeah but we arrived and sent Old Man Oldman packing. The nerve of that old coot!

Witchy Simone: I can't believe that he would do that again.

Qin: I know.

Xenia: Man what nerve.

Lola: But I wonder how the people found out about it?

?: That was me.

We saw Mysterious Hooded Woman!

Prohyas: Mysterious Hooded Woman? You told the town about what Old Man Oldman was doing to us?

Mysterious Hooded Woman: I did and they formed a nasty mob and lynched him good. This was yesterday after you guys got back after having a nasty fight on that burger planet.

Me: News sure spread about that fast didn't it?

Vambre: Indeed it did.

Harlia Megiddo: That is amazing.

Me: Well maybe Old Man Oldman will think twice about that. Next time there's going to be no mercy from Brynja.

Brynja: Indeed.

Nico: Nice Job, Alolan Vulpix.

Alolan Vulpix: Thanks! That was fun!

Me: It sure was.

Poromon: Want some beer?

Alolan Vulpix: Oh no thanks. I melt and turn into water from it.

Me: Really?

Alolan Vulpix: Yeah it's an allergic reaction of some kind.

Me: Weird.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Poromon: We're doing something later

Me: I hope it's not something crazy?

Poromon: Nope. You'll like it.

Me: Okay. Oh! Now to show you my battle plan against Ozai.

I pulled out my plans for it.

I unrolled it and it was a map of the Fire Nation. The Crosshairs were locked onto the Capital of the Fire Nation.

Me: Okay here's the plan. It's called Operation: Black Sun Judgement. Once the Sun is covered by the moon, we have 6 hours to launch our attack. Target: Fire Nation Capital. Mission: Kill Fire Lord Ozai.

Nico: What will we do?

Me: First we need to get rid of their weapons. Rin, you will Steal all their weapons for us.

Rin Nohara: Understood.

Me: Toph and the Metal and Earthbenders, you will Block Off all Escape Tunnels and routes in and out of the Capital.

Toph: Got it.

Me: Varie you and the Neptune Crusaders will Destroy all Water vessels around the area in the sea. Jared you and Storm Hawks will Lead a Sky Force to destroy air vessels.

Jared: Right!

Me: Eli you will Have Kaiju and Godzilla fire attacks from all sides to diminish forces of the Fire Nation.

Eli: Right.

Me: After that, All of us will attack from all angles and blast the Fire Nation all over. Once opposition is cleared, we swoop in to kill Fire Lord Ozai

Nico: Aang needs to get as much sleep as he can

Aang: Don't worry I will.

Twilight Sparkle: But wait usually Solar Eclipse's only last 8 minutes. That doesn't give us enough time.

Me: Don't worry Twilight. I analyzed the orbital pattern of the moon with Earth Omega and how it affects it. When Earth grew to 150,000 miles in diameter, the length of a Solar Eclipse increased substantially. So instead of the totality lasting only 8 minutes it's now over 6 hours.

Twilight Sparkle: I see!

Qin: Wow! That'll give us a much bigger window of opportunity.

Katara: It sure will. Last time we did the an invasion like that the Fire Nation was prepared because Azula warned them beforehand and it was a total failure.

Azula: But now, I'm with you guys

Me: That's right. But without a doubt Ozai will have an evil version of Azula with him.

Eion: I will face her in the ultimate Agni Kai and keep her occupied while you guys deal with Ozai.

Me: Good.

Ymir: Agni Kai?

Me: That means Fire Duel.

Zuko: We compete in those to show our Firebending to see who is stronger.

Me: Yep.

Zuko: It's how I got this scar when I challenged my father.

Me: It burned 40% of his face.

Ymir: Ouch.

Me: Yeah.

Nico: I think Anti-Monitor is going to bring back Ozai and Azula's Firebending despite the eclipse in motion.

Me: That's exactly what I'm hoping for.

Bomb Man: I have that feeling to.

Nico: Oh Bomb Man what do you do in your free time?

Bomb Man: Oh I work as a Demolition Robot. I knock down buildings to make way for new ones.

Me: Nice!

Qin: Yep!

Azula: We won't let my evil self warn the Fire Nation under our father beforehand.

Me: Good. But we have 3 months to prepare so more than enough time.

Aang: Good.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is the Gene-Slammer of Eclipse Wyvern.

WE GASPED!

Qin: WHOA! This will be interesting.

Lincoln: If it's who I think it is, you guys are in for an awesome meeting with her.

Eli: And one of The Anothers is The Avatar of The Fight Clow Card, and. (GASPS) Oh God, and she's hostile towards Meilin.

Me and Nico: WHAT?!

Meilin: YIKES! OH NO, NOT HER!

Lincoln: Uh oh, I think I know who that is!

Anna Anyanova: Same here! Oh, this is gonna get ugly.

Me: So we got Another Armored Armadillo, Mockingbird (Rayman), Western Yokai Wolf Man, Omitter, Sharky and Reaper Bohma

Nico: Yep. What has Meilin scared?

Me: Can't say. So Bomb Man, Harlia Megiddo, Elandra Explosion, Yinnia Ysmault, Bianca Bombshell and Alicia Nightroad are up.

Qin: Yep.

We finished our meal and went outside.

Nico: There they are!

Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by giving them a massive beatdown with her superhuman strength, and they got sent to the hospital for a month, and she also swore if she saw Meilin again, she was gonna give her a REALLY NASTY PUNCH IN THE EYE!

Me: WHOA MAN! Wow your speed is incredible!

Flare Fight: Yeah I am a fast one.

Me: The Fight Card was a very formidable one and gave me a good workout when I faced her.

Flare Fight: I can tell.

Me: But was punching Meilin necessary?

Lincoln: She's now in my harem just so you know.

Flare Fight: Oh a thousand pardons for that. I was so upset about how she was harassing Li like that.

Me: I know. But Li is now with Sakura.

Nico: It's true.

Flare Fight: I know and I'm happy about that.

Luna Ziz: I'm glad for her.

Sakura Avalon: Thanks girls.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Solarluna Eclipse: Friendly but the Another Jimmy is really going through some tough pian.

Me: Uh oh. Mental trauma from hurt?

Solarluna Eclipse: No like being beat up all the time.

Me: Oh boy.

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now, we wait.

Me: Okay.

Aang: This will be interesting.

Then his tattoos and eyes glowed and then the spirit of Avatar Roku appeared.

Aang: Avatar Roku!

Me: Avatar Roku. Welcome. What brings you here?

Avatar Roku: I have something you all need to see.

He formed a ball of fire and formed a tablet of red stone. He handed it to me and It had inscriptions on it and it looked like an Eclipse with an angel killing Ozai with a sword of the Sun and Moon.

Camie: What is that?

Me: Looks like a tablet and it has a prophecy on it?

Qin: Wow!

Nico: What does it say?

Me: Doesn't make much sense to me. (Reading)

"Beware the Angel who emerges from the

Black Sun who is the Harbinger of Doom. Behold her with one wing

Sunlight and One Wing Moonlight and the purity of the Sun.

For the one she unleashes will be unto you

And she will cancel the sky, and incinerate the life and extinguish the flames

She will Incinerate the Evil Fire Lord.

And end The World of Evil Fire.

She is coming. Day will be like night.

And the Angel of the Eclipse will lead you to your end."

Varie: Very cryptic.

Me: Hmm.

Avatar Roku: It's to tell of the End of Sozin's Family and Ozai's Reign of Terror.

Me: Hmm.

Nico: What do you think it means?

Qin: Good question.

Avatar Roku: You'll meet the chosen one of that prophecy very soon.

Nico: You should talk to us more often

Avatar Roku: I should. But good luck.

He left.

But then...

KRASMASH!

WE HEARD A LOUD CRASH AND SAW A HUGE PIANO BROKEN AND SMASHED ON THE GROUND!

Poking its head out was Another Jimmy!

Me: OH MAN! That had to hurt!

Another Armored Armadillo came too.

Me: Perfect timing!

A bowling ball flew at Another Jimmy and smashed into it;s face!

KRABLANG!

Me: OH MAN! OUCH!

Xenia: No kidding!

Nico: Geez!

Another Armored Armadillo: (In a girls voice) She has had the worst luck ever.

She reverted back and it was the gene-slammer of Eclipse Wyvern.

Lincoln: Eketerina Eclipsa! WOW!

Eketerina Eclipsa: Good to see you Lincoln.

Lincoln: Same here.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Eketerina Eclipsa, Gene-Slammer of Eclipse Wyvern, she's Lincoln's Guardian Angel from Michigan and a powerful twilight angel of fire, darkness, The Sun, and The Moon, she was born with superhuman strength, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and Cosmic Awareness, and she's an extremely powerful master of the powers of The Sun and The Moon and fire and darkness. Plus, here's the shocker: she's also the chosen one of a powerful and devastating prophecy that will bring about the end of The Fire Nation and its' reign of terror under Fire Lord Sozin and his family except for Zuko and Azula whom we purified and saved. Seven days prior to the death of Avatar Roku on The Day of The Black Sun, he foretold of a powerful ancient prophecy that would bring about the end of Fire Lord Sozin and his family and sever his blood ties to The Fire Nation forever, and extinguish the evils of the Fire Nation forever. She's also known as The Harbinger of Doom from The Black Sun, as the prophecy says this:

Beware the Angel who emerges from the

Black Sun who is the Harbinger of Doom. Behold her with one wing Sunlight and One Wing Moonlight and the purity of the Sun.

For the one she unleashes will be unto you

And she will cancel the sky, and incinerate the life and extinguish the flames

She will Incinerate the Evil Fire Lord.

And end The World of Evil Fire.

She is coming. Day will be like night. And the Angel of the Eclipse will lead you to your end.

Eketerina Eclipsa came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of The Sun and The Moon and fire and darkness, and over time, Lincoln gained even more immense superhuman strength, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of The Sun and The Moon and fire and darkness, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she knew of what we did in freeing Azula, but she can never forgive that evil psychotic monster that Azula became because of Ozai along with what happened to Zuko and his mother!

Together with her best friend and sister figure, Princess Zeisan they will come and end the tyranny of Ozai and sever the blood ties of his evil family forever and bring down the evil tyranny of The Fire Nation forever. Watch out Ozai, Eketerina and Zeisan are both coming for you on October 2nd, 2024!

WE GASPED IN SHOCK AND AMAZEMENT!

Me: So this prophecy shows you are the chosen one to destroy Ozai! But wait who is Zeisan?

Zuko: Wait Princess Zeisan? That was my Great Aunt who is my Great Grandfather's sister.

Azula: She was the member of a rebellion force that was going to take down our great grandfather.

Me: WHOA!

Nico: We were just talking about that.

Eketerina Eclipsa: I can tell. And Avatar Roku must've given you guys the tablet to show the prophecy.

Me: He did.

Zuko: Our great grandfather was furious that she betrayed him and promised to kill her. But she vanished before that could happen.

Me: Boy it's good she escaped from that. But what Sozin, Azulon and Ozai did were just ABSOLUTELY unforgivable.

Eketerina Eclipsa: I know. The prophecy states that I must stab Ozai through his black heart in order to sever the bad bloodline of Sozin from Zuko and Azula.

Me: After we weaken him. But we have 3 months to prepare so we got more than enough time.

Eketerina Eclipsa: Good.

Nico: And your friend?

Eketerina helped her out of the piano.

Then...

CLANG!

Another Jimmy: (In a girls voice) YEOWCH!

She got a bear trap clamped onto her butt!

Then..

SMASH!

A boulder smashed into her stomach!

Then...

SMASH! SIZZLE!

SHE SCREAMED IN EXCRUCIATING AGONY AS A BRANDING IRON HIT HER BACK!

Me: OH MAN! Lets help her!

We went over and helped her.

Another Jimmy: Thank you.

Jimmy: Erica!? Whoa man!

She reverted back and was an older female version of Jimmy minus the retainer and had REALLY NASTY injuries on her and she was REALLY BEATEN UP!

Me: Boy these are really nasty injuries!

Varie: Something really did a number on you.

Erica Devlin: It's because I'm cursed!

Me: Cursed? How?

Erica Devlin: I don't know.

Eketerina Eclipsa: She's been like that ever since we escaped from Swartz.

Me: Geez! Was this a dark magic curse?

Brittney: I think so. Let me look.

She pulled out her book and looked through it.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Eketerina Eclipsa: No he didn't. I used the powers of the sun and blinded him long enough for us to escape. But he used magic and cursed Erica here.

Nico: Geez!

Sakura Knudson: That explains the massive flash of light I saw.

Brittney: Lets see. Here it is! The Curse of the Emerald Irish! It's a dark magic spell that is casted using the Dark Magic of Crom Cruach.

Me: Crom Cruach? The God of Sacrifice in Celtic Myth!?

Natilee: Oh man! That's not good! This is a spell that is only to be used as a last resort! The price is that they will be doomed to die at the hands of a very powerful force 3 months later.

Eketerina Eclipsa: Yes. It was 3 months before August 12th, 2022.

Me: (GASP) What a coincidence! That was the day we killed Swartz!

Maxxine: On my day!

Me: Yeah!

Brittney: Yep. But whoever the curse is put on will be hit with Bad Luck times 1,000,000. It gets worse with each passing day.

Qin: Oh man!

Me: Is there a way to remove it?

Brittney: Yes there is. Let me do it.

She fired a beam of magic from her hand and chanted an incantation and it removed an emerald green fog from her and destroyed it.

Erica: (Weakly) Thank you. (Faints)

FWOMP!

Kaito and Zocks: Zenkaiju gear!

They donned their Zenkaiju Armor.

Me: Lets call the medical unit and take her to the Infirmary.

Varie: Good idea.

Me: Lets separate them first.

We did so.

Me: Lets dance!

Nico: With pleasure! (Gets out Armored Armadillo's Ridewatch) LETS ROLL!

May: (Gets out Western Yokai Wolf Man's ridewatch) (HOWLS)

Universe 666 May: (Gets out Omitter's ridewatch) Lets shock!

Maria: (Gets out Sharky's ridewatch) (ROARS FEROCIOUSLY!)

Courage: AAAAAAAHHHHHHHHHHHHHHH!

Harlia Megiddo: (Gets out Mockingbird's ridewatch) (Mocking) It was my shoe and I don't fart!

Lori: I HEARD THAT!

They used the powers of Armored Armadillo, Mockingbird (Rayman), Western Yokai Wolf Man, Omitter, Sharky and Reaper Bohma and blasted the Anothers down!

Poromon: YEAH!

Then Split Mushroom, Crackhouse Mickey, Goofy, Donald and Minnie, Gluttony (Fullmetal Alchemist), Dr. Destiny (X-Squad Universe), Killarok, Micha Jawkan (X-Squad Universe) and Argos (X-Squad Universe) came.

Me: WHOA!

Nico: Nice team Split Mushroom!

Split Mushroom: Thanks Nico!

Me: Well if it isn't the fatnosed cow!

Crackhouse Goofy: What the hell did you just say to me?! WHAT THE FUCK DID YOU JUST SAY TO ME!?

Me: YOU HEARD ME! YOU ARE A FUCKING FATNOSED UGLY COW!

Crackhouse Goofy: YOU SON OF A BITCH!

POW!

I punched him and kicked him in his crotch!

Nico: Been a while since we had those

Qin: I know.

Eli grabbed both me and Crackhouse Goofy.

Eli: Pardon me you two but I must discipline the nannygoats!

KRABLANG!

HE BASHED OUR HEADS TOGETHER!

Me and Crackhouse Goofy: OUCH!

Me: (Dazed) Which way did he go George which way did he go?

I shook my head.

Me: Ow

Eli: Sorry bro.

But then a shadow appeared and we saw an eclipse!

Me: WHOA! It's not time for the Eclipse already?

Nico: No look!

We saw a figure come out and it was SYZYGY THE BLACK SUN DRAGON!

Me: WHOA! Syzygy the Black Sun Dragon!

Xenia: Amazing! It's a Dragon of the Eclipse!

Syzygy: (In a girls voice) Boy you guys went through a lot!

Nico: Sinnia Syzygy! Wow!

She reverted back.

Sinnia Syzygy: Good to see you Nico. I got this. BLACK SUN MOONBEAM!

She fired a beam of black energy and it hit the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job.

Sinnia Syzygy: Thanks! That was cool!

Qin: It sure was.

Me: Do you have any good memories of Nico?

Sinnia Syzygy: I sure do. When me and Nico were in space camp, we saw a perfect alignment of gas giant planets in another solar system. They were all very close in a straight line.

Nicole: WHOA! That is something that happens in a long time. I would say once ever 123,000 to 612,000 years!

Sinnia Syzygy: That's right. If that happened in our solar system it would take probably longer than that.

Nicole: Once ever 400,000,000 to 1,000,000,000 years.

Qin: Yeah!

Me: Like the alignment that's coming for Twilight Sparkle's day.

Nico: Yep.

Nico hugged her.

Nico: I've missed you.

Sinnia Syzygy: Same here.

The Medical unit came and airlifted Erica to the infirmary.

We went back home.

Bomb Man: Something tells me it ain't going to be easy.

Lincoln: No, it's not, it's in the hands of the clones of DeviSaber, DeviBlade, DeviEspada, DeviBuster, DeviSlash, DeviKenzan, DeviCalibur, DeviSaikou, DeviSabela, DeviDurandel, DeviFalchion, DeviSolomon, and DeviStorious, the hypothetical Akumas of Kamen Riders Saber, Blade, Espada, Buster, Slash, Kenzan, Calibur, Saikou, Sabela, Durandel, Falchion, Solomon, and Storious, take a look.

Lincoln got out his sketchbook and we saw them: DeviSaber is the Hypothetical Akuma of Kamen Rider Saber and a very scary and powerful dragon of fire and heat. He was made because of Storious killing his friends and vowed to burn him into dust.

DeviBlade is the Hypothetical Akuma of Kamen Rider Blades and is a wolf of ice and cold. He was made because of people being scared of wolves and vowed to show people that wolves can be our friends.

DeviEspada is the Hypothetical Akuma of Kamen Rider Espada and a master of lightning and magic. He is a genie and he was made because of people not believing in genies and vowed to show people that genies are real.

We got a move-on, and we spotted our target: the clones of DeviSaber, DeviBlade, DeviEspada, DeviBuster, DeviSlash, DeviKenzan, DeviCalibur, DeviSaikou, DeviSabela, DeviDurandel, DeviFalchion, DeviSolomon, and DeviStorious who have The Dark Fight Card in hand. Lincoln fired an energy blast that hit them that forced The Dark Fight Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Fight Card and he began sucking out all its fighting prowess, strength, and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Fight Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Fight Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Fight Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clones of DeviSaber, DeviBlade, DeviEspada, DeviBuster, DeviSlash, DeviKenzan, DeviCalibur, DeviSaikou, DeviSabela, DeviDurandel, DeviFalchion, DeviSolomon, and DeviStorious.

The clones of DeviSaber, DeviBlade, DeviEspada, DeviBuster, DeviSlash, DeviKenzan, DeviCalibur, DeviSaikou, DeviSabela, DeviDurandel, DeviFalchion, DeviSolomon, and DeviStorious fired blasts of fire, ice, lightning, earth, insects, winds, darkness, light, and water, but Lincoln absorbed the blasts and it made him stronger.

Lincoln: Nice try. Alright, let's get them.

Robin Hood went after the clones of DeviSaber, DeviBlade, DeviEspada, DeviBuster, DeviSlash, DeviKenzan, DeviCalibur, DeviSaikou, DeviSabela, DeviDurandel, DeviFalchion, DeviSolomon, and DeviStorious, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked them with the blades on his bow leaving scars on them, and he fired arrows at them that transformed into many arrows with leaves surrounding them and they got hit all over the place.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones and he also sucked out all the energy remaining in their souls and the clones faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Fight Card and Lincoln absorbed the clones of DeviSaber, DeviBlade, DeviEspada, DeviBuster, DeviSlash, DeviKenzan, DeviCalibur, DeviSaikou, DeviSabela, DeviDurandel, DeviFalchion, DeviSolomon, and DeviStorious.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Lavalval Salamander on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Lavalval Salamander on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Lavalval Salamander, and she has a fire greatsword, and with her are the fourteen girls.

Lincoln: (GASPS) Anala Vulcania, Avatar and Gene-Slammer of Lavalval Salamander.

Anala Vulcania: That's right, and I got them away from the clones of The Kamen Riders' Akumas and The Dark Move Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Fight Card when I sucked out its powers and absorbed the clones of The Kamen Riders' Akumas. (To Anala Vulcania) And it's so good to see you again, Anala.

Anala Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Anala Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Anala Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Anala Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Anala Vulcania's waist and hugged her, and Anala Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Anala Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 120'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Anala Vulcania, Avatar and Gene-Slammer of Lavalval Salamander, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Salamander. She's The Volcanic Lava Salamander Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Anala Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Salamander, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Salamander, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Anala Vulcania hates Chandler with a burning passion, and she swore if she ever saw Lincoln in a bad condition because of him, she was gonna burn that asshole big time and she even got back at Chandler by firing blasts of fire at him and his cronies, Artie and Trent, which burned their clothes to ashes even their underwear and left them butt naked in front of the school!

Nico: Lincoln told us of what you did when you burned their clothes to ashes even their underwear and left them butt naked in front of the school.

Me: That was really awesome!

Lana: They deserved it for what they did to Lincoln and all of us.

Lincoln: Along with being humiliated for life, and that memory will be remembered for life, and now that you're here, Anala.

Lincoln with his massive muscular arms still wrapped around Anala Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Anala Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Anala Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Anala Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Anala Vulcania.

Anala Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Anala Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Anala Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Anala Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Anala Vulcania: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The fourteen girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the fourteen girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the fourteen girls are Akari Himeno, Kaede Shiina, Aki Kokonoe, and Yui Kurumizawa from Adam's Sweet Agony and Griffon, Lindwurm, Scissors Lise, Sylphid, Banshee, Hussar, Mina, Pinto, Frost Serpent, and Habetrot from Last Origin.

Lincoln: Oh whoa, it's Akari Himeno, Kaede Shiina, Aki Kokonoe, and Yui Kurumizawa from Adam's Sweet Agony and Griffon, Lindwurm, Scissors Lise, Sylphid, Banshee, Hussar, Mina, Pinto, Frost Serpent, and Habetrot from Last Origin.

Nicole: Uh oh, no wonder Travis and Red told the guys to hide in their rooms, the girls here are cute, but some of them are voluptuous.

Lincoln: And easy targets for those who would want to hurt them, but not as long as I'm around. Are you girls okay?

Akari Himeno: Yes, we're okay thanks to you.

Then, when Akari Himeno and the other thirteen girls saw who it was that saved them from the clones of The Saber Team's Akumas and The Dark Fight Card, their faces turned atomic red and their noses gushed out blood upon seeing the 120'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his Akari Himeno: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles

bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akari Himeno: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Akari Himeno, Kaede Shiina, Aki Kokonoe, Yui Kurumizawa, Griffon, Lindwurm, Scissors Lise, Sylphid, Banshee, Hussar, Mina, Pinto, Frost Serpent, and Habetrot with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: Oh, that snake's gonna pay for what he's done. (Seductive Voice) And it's been a long time, Linky, not since you were seventeen and we made love.

Lincoln: (Gasps) That voice!

Suddenly, Lincoln felt a pair of slender hands perched on his massive pecs and rubbing them with such skill, we saw his cheeks and muzzle gain an atomic blush on his face and his nose gushed out blood and he also felt a girl's voluptuous breasts pressed onto his back.

Suddenly, the girl jumped in from behind and landed in front of Lincoln and she still had her hands on Lincoln's massive pecs, and that girl was a mega beautiful, very voluptuous, and mega sexy girl who was tall at 20'11" in height, she has the voluptuous busty body of a goddess and voluptuous breasts, tanned skin, long red hair with pink streaks, pink eyes, she was dressed in a pink two-piece bikini, she has massive red angel wings, and a pink greatsword.

Lincoln: Oh man, I should've known it was you, Erosa Eroticaira, Queen of The Eroticairans of Planet Eroticaira.

WE GASPED, AND I GOT MY BLIND MAN GLASSES ON! BUT, IT DIDN'T WORK, AND I WOUND UP GETTING A NOSEBLEED LAUNCH AND FLEW ACROSS THE ROOM, SAME WITH NICO AND SOME OF THE OTHER MALES TOO! IT WAS NOSEBLEED LAUNCH MAYHEM!

The girls helped us all up and Lincoln sucked in the spilled blood into his body!

Me: What the? How could the blind man glasses fail me?!

Lincoln: That wasn't your fault, J.D., even using blind man glasses would fail especially around her!

Nico: Especially around the last Eroticairan! And Lincoln, you know her?

Lincoln: (Trying to keep his cool) I do, Nico.

Anna Anyanova: And so do we, everyone, this is Erosa Eroticaira, Queen of The Eroticairans of Planet Eroticaira, she's Lincoln's Guardian Angel from the planet Eroticaira in The Forbidden Zone, Eroticaira, a red pink planet of intense love, intense passion, intense lovemaking, and intense sex in The Forbodden Zone that was inhabited by powerful warrior angels called The Eroticairans, the males were not only natural born fighters, but had immense powers over love, passion, lovemaking, virility for males, fertility for females, and sex, and were given even more incredible powers, immortality, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Eroticairans, and they were among the most advanced civilization in The Forbidden Zone. The male Eroticairans who'd spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it which drives many females wild and the female Eroticairans had the beautiful looks of the Goddesses of ancient times and the voluptuous busty bodies to prove it which drives many males wild. She was the Queen of The Eroticairans, and she's also far more powerful than her own people: in addition to being a natural born fighter and having the voluptuous busty body and beauty that drives males wild and the ability to grow even stronger along with the powers of her people, but she was also born with angel wings, superhuman strength, immense power over intense love, intense passion, intense lovemaking, seduction, intense sex, and the intense flames of passion, superhuman durability, superhuman speed, superhuman endurance, and excessive fertility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and Erosa left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Erosa Eroticaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers over superhuman strength, immense power over intense love, intense passion, intense lovemaking, seduction, and intense sex, the intense flames of passion, superhuman durability, superhuman endurance, and excessive fertility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and over time, Lincoln gained even more immense superhuman strength, superhuman speed, superhuman durability, superhuman endurance, omnipotent power and the immense powers over intense love, intense passion, intense lovemaking, seduction, intense sex, and the intense flames of passion, and all the powers of The Eroticairans, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful, attractive, and rugged one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with even more infinite excessive levels of virility and sexual stamina, but it made his already massive and godly superhuman strength even more massive than ever along with making him an even more wild animal in bed, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates Lori with a blazing passion for all the times she tried to kill Lincoln, and she swore to pulverize her big time and throw her in prison.

Me: WHOA! HUBBA HUBBA!

Amara Roshansa: Big time! She's one voluptuous sexy angel that no one dares to try and hurt especially with Lincoln around, and I don't know if I should say this, but this one time at night, when Lincoln was seventeen, Erosa Eroticaira invited him over to her house, and she was waiting for him on her bed lying in a seductive pose and...IN THE NUDE! That almost made Lincoln have a severe nosebleed, but she cooled him down, and they made love all night long after she'd stripped Lincoln of all his clothes too!

Anna Anyanova: AMARA ROSHANSA!

They tied her up.

Eman Reynolds: I can't believe you blurted THAT OUT! Seriously?!

Sabrina Lorelai: This was why we couldn't trust her with that, she's a blabbermouth!

Erosa Eroticaira: She was always a blabbermouth. And I knew Lincoln absorbed the souls of the male Eroticairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Erosa Eroticaira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Erosa Eroticaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Erosa Eroticaira with red gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Erosa Eroticaira: That's my special gift to him: Eroticaira's Blessing of Erotic Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 120'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Erosa Eroticaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Eroticairans both males and females were extremely wild when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Fight Card of all its powers and absorbed the clones of The Kamen Rider Saber Team Akumas after we took them down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Alana Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alana Vulcania: My God, I was right that Lincoln's really grown into a 120'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing
900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alana, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alana Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alana Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Super Brother: (GROWLS) Oh man, you guys sure know how to really work out! This is just as intense as my gym in my room.

Lincoln: Now that you're with us and you've transformed like me, you're gonna be increasing the weights and the amount of reps.

Then, Lincoln and Super Brother got into The Simulator, and it activated, and they were in The Sensei Light Realm.

Lincoln: Whoa, we're here in The Sensei Light Realm.

Super Brother: I can guess we're battling a villain here.

Nicole: Not just any villain, the villains here are Bhunivelze, Barthandelus, Caius Ballad, Jihl Nabaat, The Order of Salvation, Orphan, and Yaag Rosch from Final Fantasy XIII.

Lincoln: I should've known. We'll absorb Bhunivelze, Barthandelus, Caius Ballad, Jihl Nabaat, The Order of Salvation, Orphan, and Yaag Rosch once we knock them down.

Super Brother: I'm no doubt going to be in for quite the power surge.

They got a move on and they arrived at the sanctuary.

?: YOU WILL ALL BE DESTROYED BY MY HAND!

Then, Bhunivelze, Barthandelus, Caius Ballad, Jihl Nabaat, The Order of Salvation, Orphan, and Yaag Rosch from Final Fantasy XIII had appeared.

Then, when Lincoln and Super Brother were done and the stingers changed back, nothing was left of Bhunivelze, Barthandelus, Caius Ballad, Jihl Nabaat, The Order of Salvation, Orphan, and Yaag Rosch and Lincoln also sucked out all the energy remaining in his soul and they were sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles same with Super Brother!

Then, they exited The Simulator and came back to the gym and continued working out.

Nico: Oh man, if the other Good Akumas of Super Brother are just as powerful as him, Team Buktu and Darkseid and the rest of Anti-Monitor's buddies and Anti-Monitor himself are so fucked.

Suddenly, the kanji on Super Brother's back got an upgrade after his story came out, and now it said this, Super Brother, Almighty and Powerful Leader of Team Loud Akuma Angel Storm, Good Akuma of Lincoln Loud, Almighty Powerful Champion and Emissary of Hinon and The Gods and Goddesses of The World, Descendant of King Arthur of Camelot, Perfect Gene-Slammer of All Duel Monsters, All Magic The Gathering Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben Ten Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, All Mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, Power Rangers, Kamen Riders, Their Enemies, Animals, Aliens, and So Much More, Almighty Master of Light, Purity, The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas, and Many Powers, Defender of The Digital World, Emissary and Champion of The Royal Knights, The Olympos XII, The 10 Legendary Warriors, The Digimon Sovereign, and The Celestial Digimon, Member of Athena's Saints, Multi-Lingual Expert, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Almighty Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, Legendary Seeker of The Huntik Spirits, True Immortal, True God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Truly Loving Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful True Alpha Werewolfairan-Vampirairan-

Eli: If we see any of your teammates, I hope they also give us a hand with the villains Nico faces on his rescues.

Super Brother: Just leave that to me and Lincoln.

Lincoln: Yep, I have a feeling the days to come are gonna get Loud!

We got a shower, and then, Lincoln and Penny Pentious are heading to Paloma Beach in France, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 120'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Penny Pentious and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Penny Pentious had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Penny Pentious: Wow, we're here in Paloma Beach, it's so beautiful.

Lincoln: You said it, Penny, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Penni Pentious and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Penni Pentious and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Penni Pentious and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Penni Pentious and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Inferno Diamond and Tantrum Athlete.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clone of Domino Hyperhydra.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Domino Hyperhydra and he began absorbing her and assimilating Domino Hyperhydra's fire powers that are stronger than those of Trigon and intense control over fire, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone, and Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Penny Pentious and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Penny Pentious and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his

bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs, same with Clyde.

Me: (Whistles) Wow, it looks like you really had a good time at Paloma Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Penny Pentious with colored gems on the gold lightning bolt links and colored crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck.

Lily the Mermaid: And now, Penny Pentious is in your harem, Linky.

Penny Pentious showed the marks Lincoln made on the right side of her trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Domino Hyperhydra came after us.

WE GASPED!

Nico: The hypothetical Akuma of Bloom?! That little...!

Lincoln: Don't worry, I used my Cell stingers and stabbed them into her chest, and I absorbed her and assimilated her powers of fire. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on

Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive

999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

We then saw the mascots with helium tanks.

Jimmy: What are you guys doing?

Me: What's with the helium tanks? Gonna inflate some balloons?

Poromon: Watch.

They put helium in themselves.

Poromon: (Squeaky voice) What doing you think!

Poliwag: (Squeaky voice) we made our voices like chipmunks!

Me: (LAUGHS) The old helium squeaky voice trick! That is funny!

Green Lantern: Where did you get all those?

Horsea: (Squeaky Voice) We had a lot of helium tanks in the garage.

Me: Those were the spare helium tanks I have for a bunch of balloons to inflate.

Qin: Oh like for parties.

Nico: Oh.

Qin: That is funny though.

Me: Yep.

Manaphy: (Squeaky Voice) We're chipmunk voiced.

Chip: You sure are!

Dale: I'll say!

Ransack: Can I try some?

He did so.

Ransack: Is it working?

But then...

LOUD NASTY FART!

Me: WHOA!

Ransack: (Blushes) Sorry!

Me: Helium makes Cybertronians fart!

WE LAUGHED!

Optimus Primal: (LAUGHS) That is crazy isn't it?

Cheetor: Better than eating energon!

Bluestreak: Different effects for different species

Me: Yeah!

Qin: Yep.

We laughed!

Camie: Funny!

Then the alarm went off.

Me: Uh oh.

We went to the computer and saw something going on in the park.

Me: There's a disturbance in the City Park!

Nico: Lets go!

We were off!

We arrived.

Nico: What is it?

Me: Wait look!

We saw a Mega Meloetta alluring people.

Me: Whoa a Mega Meloetta.

Nico: What's that doing there?

Me: Must be one of Dark Gale's work.

Stacy Storious: Lets see.

She used Telepathy and gasped!

Stacy Storious: It's Trina Daishinji!

Qin: WHOA! One of your teammates.

Me: Lets go help her.

We went over to her.

Stacy Storious: Trina it's okay. It's me Stacy.

She used Relic Song on Horsea but she put her clone in front of her

The song put the clone to sleep.

FWOMP!

Me: Out cold.

Horsea: Nice song!

Me: Wow! Okay then.

I snapped my fingers and she reverted back. She had magenta hair and eyes and pink wings and had the symbol of Kamen Rider Slash and a Triskelion on her forehead and arm.

We wrapped her in a blanket and brought her over.

She woke up to see Horsea's smiling face

Trina Daishinji: (Groans) What the?

Horsea: You hit my clone!

Trina Daishinji: Huh? Wait what's wrong with your voice?

Maria picked her up.

Maria: She has helium voice and it's funny.

Stacy Storious: Are you okay Trina?

Trina Daishinji: Stacy! Yes I'm fine.

Me: You were turned into a Mega Meloetta by Dark Gale.

Trina Daishinji: Oh man! I was fighting Bahato and it was intense!

Me: Yeah no kidding. But he was powerful.

Rikki puton her jumpsuit. Which was blue

Rarity: Lets get some new clothes for you darling.

The fashion brigade gave her pink clothes and a cool sword.

Trina Daishinji: I look great!

?: HEY!

We saw a bunch of thugs!

Me: What do you jerks want?

Thug 1: To kill you all! GET THEM!

Trina: I got this.

She went and kicked and pulverized the thugs and fired waves of energy and blasted them and even used her song and hypnotized them and she kicked them all over and knocked them out.

Trina Daishinji: You jerks had it comng.

We arrested them.

Me: Nice job!

We returned home.

Ash: You know, the mascots squeaking voices remind me of the time we got sprayed with this gas from Team Rocket and it made us squeak like chipmunks.

Me: Really? That is coincidental.

Qin: I'll say!

Lego Luthor contacted us.

Golden Queen: I assume you have an idea on who we're. recruiting next, Lex?

Lego Luthor: Yes. This time, you need to help get Sinestro in Oa.

Nico: Oa? That's actually. fitting.

Lego Luthor: It is. Scarecrow, Firefly, Grodd, Killer Frost, and Poison Ivy will be joining you.

Nico: Wait? Scarecrow? That's a bit unusual for him to be in space.

Lego Luthor: Well, apparently, he's a big fan of Sinestro. But Sinestro was somehow captured by Power Ring and being brought to the Guardians of the Universe.

Nico: Looks like we'll have to fight Power Ring then.

Lego Luthor: (chuckles) Oh, trust me. You'll find fighting won't be too hard.

Me: Nope.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lego Power Ring, he's on Oa and he's causing havoc. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: Aha, here comes our next target.

Eli: Another member of The Crime Syndicate.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lego Power Ring, he's on Oa and he's causing havoc.

EVERYONE GASPED!

Jimmy: Holy mackerel.

Eddy: Lincoln, I hope you have another plan for this because all of us want to beat the living daylights out of that coward!

Lincoln: Oh, I do. But, I'll tell you guys once we get to Oa. But, it's gonna be an awesome one.

Nico: This I got to see. Alright, then, let's get going. Time to deploy The U.S.S. Valorous Phoenix and head to Oa.

Lincoln: We haven't exactly faced Prime Universe Power Ring before, but it'll be a good warm-up for when we do face him in a future date.

Me: That is true.

The Previous Group came.

Devack: Can me, Roman, Carly, Misty, Kalin, Greiger, Rex, Dark Spicer, Zs'Skayr and Number 7 go with you guys?

Nico: Yes you can.

Qin: This will be interesting.

Me: We're going to Oa to face the Lego version of Power Ring. We haven't faced the Prime Universe version before but this will serve as a good warmup.

Xenia: Yep.

Threatpack: Which Gene Slammer do you think you'll meet next?

Nico: Hmm... Dazzling Angel of MTG next.

Me: Whoa that one sparkles.

Qin: Yep.

Camie: Awesome!

Lola: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Shuma-Gorath, one of the overarching antagonists of the Marvel Universe, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: Oh man! Was that?!

Lincoln: Shuma-Gorath, one of the overarching antagonists of the Marvel Universe, and he's coming to destroy us.

Giana Gigas: Uh oh, looks like we need to take him down.

Lincoln: Then, I absorb him and assimilate all his godly powers and abilities.

Nico: You said a mouthful. Alright, team, let's go, it's time to head to Oa.

Lincoln: And knock some sense into that coward, Lego Power Ring, and once we get done with him, you're next, Shuma-Gorath.

Giana Gigas: You made a huge mistake coming for us, Shuma-Gorath, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we deployed The U.S.S. Valorous Phoenix and headed out to Oa to take down Lego Power Ring, and once we're done with him, Giana Gigas and Lincoln are going to destroy Shuma-Gorath and send him to The Black Abyss after Lincoln absorbs him.

We were off to Oa

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14180.6: The U.S.S. Valorous Phoenix is en route to the Lego Version of the planet Oa. Our mission is to battle the Lego Version of Power Ring and battle that member of the Crime Syndicate.

Roman Goodwin: Let's call Black Lance and Girder

Me: Good idea.

Nico: And Jet too since we're going up against phony Green Lantern.

Green Lantern: Okay.

We did so.

Jet, Girder and Black Lance came.

Black Lance: We're here.

Me: Cool.

Lego Firefly: Hey, guys! Haven't seen you since Brainiac.

Blaster Tron: Calculating number of years since then.

Me: It has been a while Garfield.

Nico: 2022 I think.

Blaster Tron: 2 years ago.

Me: Yeah I thought so.

Nico: Yeah! Good times.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw we were at Oa.

Me: The Lego World of Oa. Been a long time.

Green Lantern: I know.

We landed and got out.

We saw the remains of what appeared to be a ship

Me: Looks like another ship.

Kalin: And that is?

Lego Scarecrow: A crash landing on our part.

Me: Uh oh. Normally I don't trust you Jonathan. But the Lego version I'll make an exception.

Lego Scarecrow: Thanks.

Me: Good.

Lego Firefly: Wait Lincoln, what happened to you? You look incredible.

Lincoln: I've had a lot of stuff happen to me these last couple of days.

Lego Gorilla Grodd: It would seem that in addition to getting Sinestro to help us fight our enemies, we also require him to transport us home.

Lego Killer Frost: Yeah. Let's hope he's feeling generous.

Me: We can always use our ship for that.

Lego Gorilla Grodd: That's true.

Lego Scarecrow: We'll need to find out where they're keeping him first. Let's go.

Strike Man: Let's try not to get lost here.

Me: Okay. But first can you tell us more about the Lego version of Power Ring. How different is he compared to the Prime Universe version?

Lego Poison Ivy: He's a coward and he's the least willing to carry out the Crime Syndicate's goals

Rex Goodwin: He shouldn't be a problem then.

Me: So the one in the Prime Universe is not a coward. This one is.

Qin: He makes Green Lanterns look like a joke.

Green Lantern: And coincidentally he has my name.

Qin: That is weird.

Me: It sure is. But he's for the Crime Syndicate.

We looked at the ship.

We saw the prisoner cells. There were guards too.

Lego Killer Frost: Hmm... That looks like the entrance to the prisoner cells. Any ideas how we get past the guards?

Lego Scarecrow: I'm AFRAID so! Hahaha!

Killer Frost: I don't get it. What does that mean? Gorilla?

Lego Grodd: I believe Scarecrow intends to use his fear-based toxin to proceed.

Lego Scarecrow: Uh, yes. That's correct.

Lego Killer Frost: Ah, okay. I got you now. Sometimes when you're teaming up with other villains you forgot how much wordplay's involved.

Blast Off: You get used to it.

Me: Do it.

Lincoln: Yeah.

I threw a cannister of fear gas and Lego Scarecrow did the same.

Lego Scarecrow just used his Fear Toxin on the guards.

Lego Scarecrow: Muuhahahahahaha! Yes! Let the fear control you! Embrace you! Embrace it! Hahaha!

Me: That's the reason why I hate your prime universe counterpart with a passion Jonathan.

Lego Gorilla Grodd: I have to admit, you really own that gimmick, Scarecrow.

Lego Scarecrow: Why, thank you, Grodd. I like to think that the little details make all the difference.

Me: I see.

Nico: Tell that to the Prime Universe version.

Me: That one we killed and he was REALLY fucked up.

Xenia: Yeah.

The guards saw them turning into mud puddles and slop pits! YUCK!

Naomi Hidari: I can make their nightmares come true.

She used her powers and did so and they screamed and had heart attacks!

Lego Scarecrow: Whoa! You are a true master of fear Naomi.

Naomi Hidari: Thanks.

Lego Scarecrow: Look, whatever histories you have with my counterpart, I have none with any of you

Me: I know. You are tolerable.

Lego Scarecrow: Thanks.

Nico: Lets focus on the matter at hand.

We nodded.

We got the prisoners out and even freed Lego Sinestro.

Lego Sinestro: Free!

Lego Gorilla Grodd: Sinestro, in exchange of your freedom, Lex Luthor seeks your aid on Earth.

Lego Sinestro: I owe Lex a debt. So be it! Let all Earth fear me!

Zs'Skayr: Welcome aboard

Lego Sinestro: Team Loud Phoenix Storm! And the Masters of Evil! To what do I owe this pleasure?

Me: Long nasty story Thaal.

Sinestro: My Lego Version. Good to meet you.

Lego Sinestro: You're me!

Me: From the Prime Universe. Long story.

Lego Scarecrow: It's an honor to free you, sir. I'm a big fan!

Lego Sinestro: I am honored.

Me: We have a lot to tell you.

Nico: Yeah.

We went outside and told him everything.

Lego Sinestro: So some of your previous enemies called Team Buktu are causing problems by impersonating the Justice Syndicate to make you guys look bad and you got to act like villains to expose them and you're going to recruit us later on for the M.O.E.

Me: That's pretty much the whole thing in a nutshell.

Lego Sinestro: And the Crime Syndicate are working with them?

Me: Yes they are.

Nico: Yep. We've had problems with Team Buktu 2 years ago. And they were trying to ruin us.

Me: These are them.

I showed them.

Me: Tim Buktu, Scott, Ironmonger, Evil Jimmy Neutron and Evil Sasuke Uchiha.

Lego Sinestro: Nasty guys.

Me: Yep.

Lego Sinestro: That means Power Ring falls into the Crime Syndicate category.

Me: Yep. Anytime you want to go over the battle plan Lincoln.

Lincoln: Okay, before we go after Lego Power Ring, here's my attack plan on him.

Lincoln pulls up a hologram of Oa and zoomed in on one particular area.

Lincoln: Now, we already know Lego Power Ring is here on Oa and causing havoc. Now, this guy is not a true Green Lantern, he's a coward and a Green Lantern wannabe who lets his ring do all the fighting for him. He lacks the training and discipline of a real Green Lantern, but we can use that to our advantage.

Then, dots appeared.

Lincoln: We're gonna use fear on Lego Power Ring to drive him crazy, so for this, we're gonna need the Yellow Lantern Corps for this one, since Fear and Will are opposite emotions.

Sinestro: I'll get in contact with The Yellow Lanterns and my evil self for this one.

Me: Great thinking, Sinestro.

We then headed outside.

Lincoln: Oh, and I forgot to trigger my surprise for Scott, Evil

Lincoln snapped his fingers, and...!

MASSIVE LOUD WET FART!

Lincoln: I made stink bombs appear in their pants, and I added in Lynn's old stinky sweat socks, Leo's dirty diapers, and Ed's stinky socks. (Smirks) They're gonna be smelling like shit for a month, that's for traumatizing me two years ago and spreading lies about us back then and for now, shitheads.

WE ALMOST BUSTED OUT LAUGHING!

Me: Good idea.

We saw more guards.

Lego Poison Ivy used her Pheromones to control some of the guards.

They fell asleep.

Me: Awesome.

But then...

ZOOM!

KRABLANG!

We saw a bowling ball hit something! Then...

SPLAT!

A giant boot house! And then...

THUNDEROUS KRASMASH!

A GIANT CRUISE SHIP!

SHIP HORN!

Me: What the!? Where did all those come from!?

Lincoln: I think I know! It's from Jimmy's Akuma, Jimmy the Gagsmashed! The Hypothetical Akuma of Jimmy and he is an accident prone goofball always getting hurt! He wears a diaper and a mouth and head brace and is always getting hurt worse than Wile E. Coyote or anyone else. He gets hit with EVERYTHING INCLUDING THE KITCHEN SINK! He was created because of not only what The Kanker Sisters put him through, but also, because of all the trouble Eddy had caused in the past, back when Eddy was a big time scammer. He gets HURT all the time!

WE GASPED!

He showed a sketch of him and it looked like Jimmy but he was wearing a diaper and had a big mouth and head brace on.

Eddy: Whoa! Looks like how I envisioned Jimmy in a story I told to Jonny when we got stuck in his wall.

Qin: GEEZ! He looks like he went through a meat grinder!

Xenia: No kidding!

Lego Grodd: They're telling the truth.

Lego Luthor: Yes it's true.

Lego Sinestro:…alright, then.

Quake Woman: Wait. You believe us?

Lego Sinestro: Considering Power Ring isn't that much of a threat, I suppose we can not afford to waste SOME time.

Me: We pretty much deal with this on a daily basis so it's mandatory.

We saw a figure come out from the ship and he was REALLY MANGLED UP!

We went and saw that it was JIMMY THE GAGSMASHED!

He groaned in agony!

KRABLANG!

He got hit by a commercial grade kitchen sink!

BONK BONK BONK BONK BONK BONK BONK BONK!

8 coconuts!

Lego Lex: Boy this kid has REALLY HAD it rough!

Jimmy the Gagsamshed: (Groans in Agony) Ouch. Oh mama.

Black Lance: Please calm down.

Me: Black Lance I think getting him to calm down is not the issue. He's getting hurt everywhere he goes!

Xenia: With really funny gags!

Jimmy then got hit with a HUGE DEAD WHALE!

KRASMASH!

Me: A dead whale? That's a new one.

Qin: YUCK!

Laney: Disgusting!

Xenia: Yeah!

Vypra and the M.O.E. Medical unit came and Vypra used her magic to make sure he didn't get hurt in the infirmary.

Vypra: Boy he sure had it rough.

Me: No kidding. He got hit with more terrible pranks than Luan can dish out on April Fools day.

Luan: Yeah no kidding! I would have killed my family bad with pranks like that!

Vypra: Be careful though guys.

Me: Thanks Vypra.

She left.

Lego Scarecrow: Were Luan's pranks that bad?

Me: UCH! Terrible! You thought the Joker was fucked up, Luan on April 1st would turn into a monster the Joker would be proud of.

Eli: Really nasty story.

Camie: Yeah.

Ymir: Yikes!

Me: Yep. Now lets go after Lego Power Ring.

Nico, Qin, Jared and Mary came back and then...

MASSIVELY LOUD BELCHES!

Me: Whoa!

Lego Lex: Excuse you!

Nico: Sorry! Love eating cheese.

Me: He can't get enough of it.

Mary: I can't eat enough sweets.

Me: Okay now that you guys are full lets go after Lego Power Ring.

Dark turned into Boodunce

(Dark's Equivilant of Ghostfreak)

Boodunce: It's fitting since fear involves getting scared.

Me: Good idea.

We flew out, and we saw Lego Power Ring causing havoc, and just as Lincoln said, a massive army of Parademons had been sent by Darkseid.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons and they also sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses.

Lincoln: That's the Parademons out of the way. (Radios Sinestro) Sinestro, you and the Yellow Lanterns are up.

Sinestro: On the way.

Sinestro, Evil Sinestro, and The Yellow Lanterns flew in, and made constructs of fear and sent them at Lego Power Ring, and he was letting his ring do all the work!

Me: Look at him, what a coward! He's a disgrace to The Green Lanterns!

Nico: How a chump like that aspired to become a Green Lantern is beyond me.

KRABOOM!

Then, we looked to see Alexander Michaelson taking down Lego Power Ring's men and he was punching, kicking, and slashing at them with unimaginable power and strength!

Rebecca Michaelson: And Alexander's taken down a lot of Lego Power Ring's men!

Then, we saw him about to fight Lego Power Ring.

Me: That's the signal!

Nico: Him about to fight Lego Power Ring?! Then, let's get in there.

Alexander Avalon used The Windy Card, and it formed a massive wind barrier, and that also kept him grounded.

Me: Ooh, using The Windy Card to keep him grounded! Nice one.

Nico: This'll stop him in his tracks. Alright, time to get in there.

Suddenly, the spirits of The Green Lanterns appeared and they attacked Lego Power Ring with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Me: Hal Jordan A.K.A. Power Ring. Kind of strange how you share the same name as our Green Lantern.

Lego Power Ring: WHAT THE?! WHY ARE YOU HERE?!

Me: Shut your mouth, you cowardly Green Lantern wannabe.

Lincoln: You thought you could come here to Oa without any of us finding out? Nice try.

Nico: Buddy, you picked the wrong day to come here to Oa, now we're kicking you out!

Lego Power Ring: Try it, Monkey Butt!

Nico: Oh, that's a good one, like I hadn't heard that before.

Lincoln: Really, is that the best you could come up with, dumbass!

Lego Power Ring: WHAT THE HELL DID YOU JUST CALL ME!?

Lincoln: You heard me, unless your ears are clogged up with so much earwax that you can't hear well!

Me: You're a dumbass!

That pissed off Lego Power Ring!

Me and Nico: OH! BURN! (LAUGHS)

Lincoln formed a blue energy ball using his Blue Lantern powers and he fired it at Lego Power Ring and it turned into a mallet and whacked him on the head and flattened him like a tortilla!

Lego Green Lantern (John Stewart): Going somwhere, Sinestro? Our newest member is going to show us all how he beat you the first time. (Smirks at him) Aren't you?

Lego Power Ring: Er... Me? Er, last time er... Okay, I'll see what I can do.

Lego Sinestro: Your will is weak. You will lose this time...

He tried to punch Girder but he turned his skin into metal

CLANG!

Me: That was stupid!

Dusk: Shouldn't have done that, scaredy cat

Me: Wait one sec. (To Lego Green Lantern John Stewart) John hold on. Let me talk to you for a sec.

Lego Green Lantern (John Stewart): Okay.

I went and talked to him and told him everything that's going on and more.

Lego Green Lantern (John Stewart): (Whispering) So it's your enemies that are impersonating us.

Me: (Whispers) That's right. So play along with it until the time comes. We have a plan. Just play along.

He winked at me.

We went back.

Me: Okay sorry about that. Now where were we? Oh right. Hey Power Ring you left your brain in a dumpster? Because I found one there that says property of Hal Jordan the Power Ring!

BURN!

Lincoln: NICE ONE!

Lego Power Ring: YOU THINK YOU ARE SO MUCH BETTER THAN ME!?

Me: I've heard better comebacks from a turkey sandwich! Get a fucking life!

Lego Ganthet: JD, May I talk to you and some of your friends in private?

Greiger: Um…ok?

Me: Oh uh certainly Ganthet. Power Ring we'll be right back.

Lego Poison Ivy used vines to hold Power Ring.

Lego Poison Ivy: This'll hold him while you have your talk,

Me: Okay what did you need to talk to us about?

Nico: Yeah.

Me: If this is about me eatting your bucket of chicken wings yesterday I didn't touch them.

Lego Ganthet: No no it's not that. Wait where did you get that idea?

Me: Sorry I was referencing a cartoon I remember. Just came out of the blue.

Lego Ganthet: Oh no worries.

Me: Good.

Lego Ganthet: Power Ring is not a true Green Lantern, is he?

Jackie Chan Finn: You knew?!

Lego Ganthet: I lead the Guardians of the Universe in this world. Did you really think I would be fooled by charlatans like Team Buktu? I humored him because he isn't that dangerous.

Me: Ah I see.

Nico: Boy like how I was planted in Team Buktu as a mole back then too.

Me: Deja-vu.

Lego Ganthet: Exactly. But yes. I am not that gullible.

Misty Tredwell: I knew it.

Lego Ganthet: So Team Buktu and the Crime Syndicate have less strongholds in this world, I will banish them from Oa when you're done today.

Me: Understood. We appreciate that. Also we weren't fooled by Team Buktu either. In the Prime Universe and this one.

Lego Ganthet: Good. Now lets do it.

We went back to the fight.

Me: Now where were we again? Oh right!

I fired waves of energy and blasted Lego Power Ring all over the place!

Lego Sinestro: His Lantern Ring...I believe his will is so weak, it's managing to completely guide his actions.

Me: Like a hand with a mind of its own!

Qin: That helps!

Lemmy Koopa: Good to know.

Lego Firefly: Hey, chicken. Get ready to be fried!

Ed: A Chicken Firefly!?

Lego Firefly: Yep! Get ready to eat fried chicken!

We fired waves of fire and blasted him all over!

Me: You just had to say his favorite thing Garfield!

WE LAUGHED!

I fired waves of energy and blasted Lego Power Ring all over the place!

Me: Take that chickenhead!

I then used my powers and fired waves of MONKEY BRAIN SOUP!

It went down his throat! HE VOMITED UP HIS GUTS!

Me: BLECH! Now you know how Indiana Jones felt when he ate that shit!

Xenia: YUCK!

Laney: I remember seeing that!

Rainbow Dash: Willie Scott fainted from that.

Laney: Yep.

Lego Sinestro: Enough of this imposter's games. Let's find a way to show him the true power of the Sinestro Corps!

Lego Scarecrow: With fear! (Throws fear gas)

Naomi Hidari: And me!

She fired waves of energy and it formed into the bugs of Klendathu! THEY SCARED HIM SHITLESS! HE SCREAMED LIKE A LITTLE GIRL!

Lego Power Ring: Urgh! I guess this means it's time to surrender then. (To his ring) What? You want us to keep fighting...? Oh, boy!

Ed Edd N Eddy Jimmy: Hey, I really don't want to do this either! But you're giving Green Lanterns a bad name! So I have to stop you!

Me: YEAH!

Poromon: Lets show him this first!

Poromon pecked him.

Me: Welcome to our world. We know what they are like because we fought them before.

Albedo: And I'm one of their former members.

Qin: Long story.

Lego Power Ring: I See.

Me: Also you know what's scarier than stench? This. NIGHTMARE STYLE NINJA ART: TERRORS OF THE 9 CIRCLES OF HELL AND HELLFIRE!

I went after Lego Power Ring, and I fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Lego Power Ring, and they exploded with incredible power as they hit him!

Lego Power Ring lost it and charged at me and he tried to fire green constructs at me, but the winds made it impossible, and I shattered the constructs with my massive greatsword as the infinitely sharp and indestructible blade cut through them like a hot knife through butter.

Then, I also went wild on him by slashing him hard with my gold-armored dragon claws leaving scars on him. Then, I held out my left hand and fired ten massive balls of fire at Lego Power Ring, and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Lincoln formed a barrier, and then, Caleb Maxwell started shooting at Lego Power Ring with silver bullets from his guns and he blasted them with black and red, white, golden yellow, and blue energy blasts, stars, aura energy, white, golden yellow, and blue heavenly flames, divine darkness, blood, vampire bats, phoenixes, and angels, and then, Caleb Maxwell got an idea: he got on top of the barrier, and then, he spun like a tornado and proceeded to fire on all sides at Ironmonger as he was riddled with bullets as we all heard Caleb's wicked and insane laughter as he continued to shoot at Lego Power Ring with darkness and malice. Caleb landed as the barrier came down.

Ed Cowart: Okay, that's it, you stupid Green Lantern knockoff, now you get yours!

Ed Cowart proceeds to insult Lego Power Ring!

Ed Cowart: You are a stupid shitty penny store Green Lantern bootleg knockoff that's as ugly as you are dull! Your mother was a yellow hamster and your father smelt gooseberries! Prepare your ugly green ass for defeat and one last thing?

Ed Cowart punched Lego Power Ring, then he slapped Lego Power Ring all over then he wedgied Lego Power Ring and pulled his underwear over his head.

Ed Cowart: GREEN WEDGIE!

Then, he covered Lego Power Ring with kernels of corn and summoned hordes of Cuccos from The Legend of Zelda to peck all over him, then he finished by rubbing lemon juice on Lego Power Ring's Cucco wounds!

Lego Power Ring: AAAAAAHHHHH! IT BURNS!

Ed Cowart: Not as much as this!

Finally, Ed Cowart dressed Lego Power Ring in a yellow sparkly tutu and put golden makeup Lego Power Ring.

Ed Cowart: I made a golden ballerina!

Rikki charged at him and punched him with a terribly powerful punch! SHE SMASHED HIS FACE IN!

Me: Now comes a REALLY TERRIFYING part! NIGHTMARE STYLE NINJA ART: CARNAGE OF THE HORRORS OF THE THING!

I fired waves of darkness and it formed into THE HORRORS OF THE THING!

HE SCREAMED IN HORROR AND FRIGHT AND EVEN FARTED AND SHIT HIS PANTS! HE WAS SCREAMING LIKE A LITTLE GIRL!

Me: Now watch me!

I transformed into the HORRORS OF THE THING LIKE I DID WITH HAWK AND HANK AND HE SCREAMED IN HORROR EVEN MORE AND HIS RING OVERLOADED FROM TOO MUCH FEAR! THEN...

KRABBBBBOOOOOOOOOOOOOOMMMM!

IT EXPLODED!

Nico: THAT DID IT!

I reverted back and Lego Power Ring's ring was in a million pieces and his hair was white from being scared bad!

Nico: WHOA! I think you gave him a heart attack.

Lola: Yikes!

Me: (LAUGHS) I sure did!

Rikki was surprised as her body started trembling. She yelled out in surprise as her body started expanding

Same with Trina, Nazca and Noctra.

Nazca Hidari: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of Mega Sigilyph, Mega Spiritomb, Mega Meloetta and Rikki's Stonebiter B form. they transformed and bashed and smashed him all over!

Lego Power Ring: Now we are REALLY, uh, annoyed! You are gonna pay for your... annoying-ness!

Me: That doesn't make any sense.

Qin: Yeah.

Me: Also what are you gonna fight us with? Your ring was destroyed from us scaring you bad. Look.

I showed what he looked like in a mirror and he gasped!

Lego Power Ring: (SCREAMS) LOOK WHAT YOU DID TO ME! I'M A STUPID OLD MAN! I LOOK LIKE MY GRANDPA!

Nico: Considering things, we did you a favor!

Me: Yeah!

Qin: Also you would not like being a Green Lantern anyway.

Then Kaos, El Oso, Vreedle Brothers, Duff Killigan, Tchang Zu, Carmen Dillo, INSTIGATOR, Dr. Starline, King of Flan, Hades Beast Specter, Metal Sonic, Leap Frog and Gramma Stuffum came.

Nico: Kaos, El Oso, Vreedle Brothers, Duff Killigan, Tchang Zu, Carmen Dillo, INSTIGATOR, Dr. Starline, King of Flan, Hades Beast Specter, Metal Sonic, Leap Frog and Gramma Stuffum.

Lego Power Ring: Are you here to help me?

They thought about it. Their answer?

Kaos, El Oso, Vreedle Brothers, Duff Killigan, Tchang Zu, Carmen Dillo, INSTIGATOR, Dr. Starline, King of Flan, Hades Beast Specter, Metal Sonic, Leap Frog and Gramma Stuffum: NO!

Then...

KRABLAM!

They punched his entire lego head off!

Lego Power Ring: HEY! That hurt!

Kaos: Is he a coward or what?!

El Oso: (Spanish Accent) He sure is.

Me: You're telling me! And I thought Shaggy was the biggest ever coward.

Rhomboid: He got blown up real good

Duff Killigan: He's lucky he's still alive.

Me: No kidding there. What we did would have killed him over 10,000 times over.

Tchang Zu: (to Nico) We heard you fought Old Man Oldman.

Nico: We sure did. And he didn't learn his lesson last time.

Magma Gloom: (to Scootaloo) You should take care of that Alolan Vulpix

Scootaloo: I will.

?: Awesome.

A figure came and it was HATTENNA from episode 12 of Zyuohgers!

Hailing from Team Quval, Hattenna is in actuality the cap on his head from which he psychically controls the Dummy Bio Body which he uses to fight. Hattena holds a Blood Game of his Word Hunt which steals every word in his vicinity including Earth to hopefully impress Ginis by how much their inability to communicate will cause incredible suffering and thus allow Quval to win his bet with Azald. Hattena arrives on Earth shortly after Tusk inadvertently causes chaos in a bookshop. He arrives in front of a random guy who flees as the Zyuohgers arrive and swiftly deliver a beat-down to Hattena with the Zyuoh Busters Sword Mode before Yamato unloads hundreds of rounds into his stomach. Knocked down to his knees, he pretends to be injured but instead isn't and immediately heals himself before laying a beat-down to Yamato and taking down the Zyuohgers before retreating for whatever reason. Later, once Tusk has been forced to work for a bookshop owner he hurt and is giving a lecture to some kids, Hattena returns and four of the Zyuohgers henshin whilst Tusk evacuates the kids before they do an abridged version of their roll call. Taking on Hattena, they are swiftly beaten down but Leo tackles him and Amu tries to maul him only to be thrown off even as the whole team kick him away and combine their blasts but Hattena reforms. Absolutely confident, he immediately throws off his hat which blasts down the entire team and steal their word comprehension which leaves them unable to read or talk. With the Zyuohgers stumbling around uselessly, Hattena unleashes his hat which rapid fires off energy blasts and steals every piece of writing in the entire city except for Tusk and the bookseller as it targets one of their books instead.

As Ginis is impressed at the plan, Hattena delivers a cruel beat-down to the Zyuohgers and quickly de-morphs them with even the Zyuoh Changers having had their numbers erased and are thus unable to re-henshin. However, at this point, Tusk arrives and Hattena is forced to fight the only Zyuohger capable of morphing but is soon sent flying and delivered a devastating energy slash across the throat only to heal that as well before taking down Tusk. However, through a demented game of charades, Tusk eventually realizes that Hattena's weakness (big surprise) is his hat as they deduced from how he stole their words earlier. However, since this is only communicated through "cow" (which is "ushi" in Japanese) and stick ("bo") which combines into "boushi" meaning hat in Japanese, he has to fight off several attacks from Hattena in the meantime and the bookshop owner has to spell it out to him. Bored, Hattena tries to hit him several times with his Word-Hunt Combo but Tusk dodges them all and impales the hat before throwing it down and activating his Instinct Awakened form. Using this form, he power stomps it into the air before power stomping hard enough to obliterate Hattena altogether. Hattena's death restores all of the writing and language in Tokyo much to everyone's delight.

However, Quval asks Naria to enlarge Hattena and give him a second chance so she agrees. She teleports down and enlarges Hattena by placing a Continue Medal on his corpse, enlarging the Player who she throws into the sky as he explosively enlarges and thanks her. Oddly though, due to being separated from his body, only Hattena's true hat body is actually enlarged and so the Zyuohgers summon their Zyuoh Cubes to form Zyuoh King Kirin Bazooka and ZyuohWild. ZyuohKing Kirin Bazooka unleashes dozens of Zyuoh Shots but Hattena dodges all of them and is able to forcibly take control of ZyuohWild whilst also rendering Zyuoh Gorilla, Leo and Sela all helpless inside. He repeatedly blasts

ZyuohWild with the Kirin Bazooka repeatedly but Tusk makes it jump up and stab Hattena clean off of it's head with the Mogura Drill. With all of their Cubes free, they form Wild ZyuohKing and obliterate Hattena with the Zyuoh Dynamic Strike. Whatever becomes of his body was unknown but it can be presumed it turned to dust upon his death.

Yamato: Hattena!

Hattena: Been a while guys.

Me: I remember you! Your blood game was to steal all the words from everything so no one can speak right!

Hattena: That's right. Good memory.

Me: Thanks.

Nico: Are you really just a cap?

Hattena: I sure am.

Nico: Just asking.

Me: A challenging one.

Nico: Yep. LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway.

Twilight Sparkle, Atomix, Carol Ferris, Jan and Zan the Wonder Twins, Hawkman, Hot Head, Bouncer, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Golden Queen and Tussle Sprout VS Kaos, Shaman Apsu, Captain King K. Roll, Boston Dangler, Uncle Chokey, Klaptrap, Absolute God N Ma and Kaossandra (Theme including Atomix) - Nico's rescue was in

Lyvsheria and Old Man Oldman was at it again

Kaos was first.

Kaos: (to Twilight) Nico's rescue was in Lyvsheria. Old Man Oldman was at it again.

Twilight Sparkle: Afraid so. Old Man Oldman was at it again, and get this: he had an evil toupee and was pulverizing the Warrior Siblings ferociously!

They gasped!

Boston Dangler: You're kidding!

Twilight Sparkle: I wish we were.

Carol Ferris: It was all true, and Brynja Heringsdötir gave him a hard warning last time that she will show no mercy on him if he did so again!

Hot Head: But that old goat did it, and we went down there and pulverized him.

Twilight Sparkle: He beat up the Warrior Siblings really bad after getting an evil toupee. The people were really fed up with him asking the Warrior Siblings for menial tasks.

Captain King K. Roll: That guys just doesn't learn.

Atomix: Plus, we also met Lincoln's Good Akuma.

Klaptrap: A Good Akuma of one of The Louds?

Zan: Yep. His name is Super Brother, The Good Akuma of Lincoln Loud, and he's a truly omnipotent powerful force of good and powerful godly angel, he has all of Lincoln's powers times infinity along with immortality, invincibility, omnipotent power, infinite godly superhuman strength, superhuman speed, superhuman agility, superhuman endurance, superhuman durability, superhuman senses, incredible combat skills, omnipotent powers of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions, and all the powers and abilities of all the animals in the world, mythical beasts, the immense divine powers of God, The Archangels, and The Angels of Heaven, purifying powers, and all the immense powers of The Ancient Gods and Goddesses of The Ancient World. He was created as part of his desire to protect those in need and punish those who are beyond any forms of redemption and are born pure evil to the core. Plus, he like Lincoln has a really massive harem, and he also has infinite virility and an infinitely massive sex drive and sexual stamina, and he knows how to please the ladies in his harem and he's also a true gentleman, and his personality, noble heart, and rugged good looks and extremely ripped muscular body has gotten him tons of cat calls and wolf whistles from many teen girls.

Zan showed them Lincoln's sketchbook, and they saw what he looked like: he looked like an adult version of Lincoln who was really tall at 9'11" in height with rugged good looks, he was shirtless showing off his extremely ripped muscular body with massive upper and lower body muscles and twelve-pack abs, and he was dressed in black pants, black boots, and he has massive white angel wings.

Shaman Apsu: Whoa, he looks like an absolute manly angel hunk and God!

Golden Queen: When the girls saw him, they did tons of wolf whistles and cat calls.

Jan: (Snickers) It was really funny.

Twilight Sparkle: Plus, he also told us that he's the leader and founder of a team of The Good Akumas of Team Loud Phoenix Storm known as Team Loud Akuma Angel Storm.

THEY GASPED!

Kaos: A team of The Good Akumas of Team Loud Phoenix Storm?! Wow!

Then, she showed the video of Super Brother's story!

Boston Dangler: So, that's how he came into being, that's incredible!

Twilight Sparkle: And it's just the beginning, we might run into more Good Akumas of the team as well.

Stellar Sparkle: But all in all it was a really amazing resue and adventure too.

Harmony Sparkle: Yeah no kidding! We all had fun.

Starshine Sparkle: I agree there myself.

Spyro: Yeah no kidding. The Good Akumas coming are going to be interesting.

Kaos: This should be good. Now, let's do this, for I, KAOS, command it!

Twilight used Kaos's ring and fired energy and magic and doomsharks and they fired waves of energy and magic and smashed them down.

* * *

El Oso was next.

El Oso: (to Sunset) The Anothers were the gene-slammers of Blackwing - Ziz the Eclipse and Eclipse Twins. Nico, Bomb Man's team, Armored Armadillo's team, and the others did good battling them.

Sunset Shimmer: They sure did. It was intense.

Kairi Yano: And it wasn't just them, but also, we met the Gene-Slammer of Eclipse Wyvern, Eketerina Eclipsa, she's Lincoln's Guardian Angel from Michigan and a powerful twilight angel of fire, darkness, The Sun, and The Moon, she was born with superhuman strength, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, and Cosmic Awareness, and she's an extremely powerful master of the powers of The Sun and The Moon and fire and darkness. Plus, here's the shocker: she's also the chosen one of a powerful and devastating prophecy that will bring about the end of The Fire Nation and its' reign of terror under Fire Lord Sozin and his family except for Zuko and Azula whom we purified and saved. Seven days prior to the death of Avatar Roku on The Day of The Black Sun, he foretold of a powerful ancient prophecy that would bring about the end of Fire Lord Sozin and his family and sever his blood ties to The Fire Nation forever, and extinguish the evils of the Fire Nation forever. She's also known as The Harbinger of Doom from The Black Sun!

THEY GASPED!

El Oso: A prophecy that would end Fire Lord Sozin and Ozai and sever those dark blood ties to The Fire Nation forever?! Ay Caramba! That's powerful!

Hugh Test: It is, and the prophecy went like this:

Beware the Angel who emerges from the

Black Sun who is the Harbinger of Doom.

Behold her with one wing Sunlight and One Wing Moonlight and the purity of the Sun.

For the one she unleashes will be unto you

And she will cancel the sky, and incinerate the life and extinguish the flames

She will Incinerate the Evil Fire Lord.

And end The World of Evil Fire.

She is coming. Day will be like night. And the Angel of the Eclipse will lead you to your end.

Don Octavio: (Italian Accent) Mama mia, that's a-powerful!

Sunset Shimmer: We were shocked too!

Fireball: J.D. found out The Solar Eclipse will be on October 2nd.

Sunset Shimmer: Yep. And we also formed a battle plan as well for that day. And we met the gene-slammers of Mega Sigilyph and Mega Spiritomb. They were Nazca and Noctra Hidari and they were Kamen Riders Nazca and Terror.

Don Octavio: MAMA MIA!

Sunset Shimmer: I know. And we also met The Avatar of The Fight Card, Flare Fight, and she's really strong, plus she punched Meilin in the face! Lincoln told us that it was due to her obsession with Li Syaoron who's with Sakura, and she swore if she saw Meilin doing that again, she was gonna punch her in the face.

Ragnaros: GEEZ! Did Lincoln restrain her?!

Flamebird: She punched Meilin in her face and gave her a nasty black eye like she said she would! But Lincoln explained everything, plus Flare found out Meilin's in his harem.

Firestorm Shimmer: Yeah that was rough!

Sunset Shimmer (G5): But we straightened it out.

Pipsqueak: (British Accent) We sure did.

Chalcanthite Aurora: (British Accent) We sure did.

Sunburn: Thank goodness. But She packs a wallop.

El Oso: Ay Carumba! She really gave her quite the wallop.

Sunburn: We also met the next Underground girl. It was Stonebiter B and she was a younger version of Stonebiter. Her name was Rikki Vega. She Is a Little Girl who came from a dysfunctional family. She was dropped off at an orphanage and adapted quickly and got strong and powerful. Even going as far as to bring down bullies there. And she made awesome friends there. She is very gifted in art science.

El Oso: Oh no. Poor girl went through so much but she really perservered. Let's do this!

Applejack: HOOWEE! You said it, it was the most number of hypothetical Akuma clones we went after!

Rocky the Flying Squirrel: Yeah no kidding! That was really amazing!

Woody Woodpecker: And they had The Dark Fight Card in hand, and they were a real challenge especially since they were clones of the hypothetical Akumas of the Saber team and Storious.

They explained who they were, and they were horrified!

Rocky the Flying Squirrel: Yeah, Storious was a monster which led to Touma's hypothetical Akuma being created.

Yue: When Megan's big day comes, we'll run into the real hypothetical Akumas of the Saber team.

Buzz Buzzard: And give Storious what for.

Applejack: Darn tooting, that sidewinding varmint's gotten away with it for too long.

Rarity: Indeed, it was so hilarious!

Plumeria: We were cracking up like crazy!

Azure Drake: We were laughing our butts off big time.

Impostra: And they're still doing that, we were laughing our butts off when we heard them.

Ymir: They are.

Varodurumon: It'll wear off soon.

Golf Jamen: True.

Rarity: It was fun while it lasted.

Erica Tala: We never laughed that hard before and it was so funny.

Rainbow Dash: Her name is Trina Daishinji and she is an amazing singer and is a deadly master of sound too!

Ashley Hammond: She is a great singer as well. After she got dressed she demonstrated her powers on a bunch of thugs that came after us in the park.

Noel: That was so awesome!

Comet Thunder: It sure was!

Sprite Thunder: She is a deadly singer and a deadly swordfighter and dancer.

Thunder Rainbow Zoom: It sure was cool!

Scootaloo: I agree there!

Whirlwind: You got that right.

Sally: It sure has been a while.

Armadeevil: It has. In fact, we should check on the other Lantern Corps planets as well.

Sally: There is no need. Lincoln checked, and so far, they've been quiet, and there hasn't been any sign of trouble.

Vampirella: Especially not from Alecto Slytherin's hypothetical Akuma clone army.

Toothpick: Knowing that snake, I wouldn't be surprised if we find out about that.

Miana: Actually, they hadn't been sent there since Lincoln's vicious beatdown of him and Wertz two days ago.

Maina: And Lincoln destroyed most of Alecto's black magic before he sent him to The Warp.

TTG Blackfire: Okay, that's good to hear.

Fluttershy: But, what he and Wertz did to Linky along with Dark Chase Young is inexcusable, those big fat meanies!

Sailor Juno: Those jerks went too far!

Bianca Dehli: I'm up for killing Alecto Slytherin and sending his hide to The Black Abyss.

Lilja: (Icelandic Accent) We sure are. Especially after all the stunts he pulled too.

Pinkie Pie: Nope, we're not. And this guy is pretty much of a total coward!

Leina Kingston: He's actually a cowardly wannabe Green Lantern who lets his ring do all the work.

Sheena: Lincoln said he's not a true Green Lantern, he's a coward and a Green Lantern wannabe who lets his ring do all the fighting for him, and that he lacks the training and discipline of a real Green Lantern.

THEY GASPED!

Behru: Whoa! That's what I call laying out the facts!

Razortooth Rats: Yep, he was a coward. I don't know about the prime universe one since we hadn't gone after him before.

Rezbit: If that's true, you won't have any trouble bringing him down.

Lila Sawyer: Maybe on a future date or a rescue.

Arnold: We're hoping for either one.

Maud Pie: (Monotonously) Nico said the Prime Universe version is not a coward.

Citrine Tail: Yeah this guy is a total wimp with his tail between his legs!

Pinkie Pie (G5): And he doesn't have a tail!

Featherweight: Yeah no kidding there.

Sprocket: Not only that but he also makes the Green Lantern's look bad!

INSTIGATOR: You said a mouthful. Okay, let's do this.

Pinkie Pie used INSTIGATOR's ring and they fired waves of energy, metal, gears and lightning and smashed them down.

Dr. Starline was next.

Dr. Starline: (To Starlight) The Prime Universe Version of Power Ring makes all Green Lantern's look bad!

Starlight Glimmer: Even though we haven't faced the Prime Universe Version he still makes the Green Lanterns look like total chumps!

Starla Glimmer: No offense to them. Also what's coincidental is that Green Lantern Hal Jordan and Power Ring both share the same real names.

Zarya Zenith: But at least we can tell the two of them apart.

Moonlight Glimmer: Yeah Hal Jordan with us is a Green Lantern.

Starlight Glimmer (G5): And Power Ring's Symbol is more like that of a butterfly.

Cozy Glow: (LAUGHS) Even Eddy made a funny taunt of him. He said (Imitating Eddy) I'm a Stupid Sockhead Lantern and a Big Mouth Cowardly Dweeb that Can't Lift a Butterfly! I wish I was as smart and talented as my Prime Universe Self!

THEY LAUGHED HYSTERICALLY AT THAT ONE!

Dr. Starline: (LAUGHS) THAT WAS REALLY GOOD!

---

Metal Sonic was next.

Metal Sonic: (to Vinyl) Jimmy's Akuma is an accident prone goofball. What can he do?

Vinyl Scratch: Oh man, he's like Wile E. Coyote but a million times worse and every time something bad happens, he winds up getting hurt!

Athena: His name is Jimmy the Gagsmashed and he keeps getting hit with Everything including the Kitchen Sink! It was really brutal. Look.

Athena showed them everything that happened, and they gasped!

Bruce: (Australian Accent) Crikey, that was really brutal!

Flannery: You're not kidding there!

Bruce: Wait is he wearing a Diaper?

Vinyl Scratch: He sure is! Eddy said it reminded him of when he envisioned Jimmy in a story he told Jonny when he, Double D and Ed got stuck in Jonny's wall.

Rui: And Lincoln told us that he was created because of not only what The Kanker Sisters put him through, but also, because of all the trouble Eddy had caused in the past, back when Eddy was a big time scammer.

Metal Tails: Ouch.

Sirenmon: But, at least, he's not behaving like Dark Jimmy

Vinyl Scratch: That's for sure. Remember when Laney snapped at him two years ago?

Metal Sonic: She snapped big time and really trashed him into the dirt, but I feel bad for Jimmy's hypothetical Akuma, at least, Wile E Coyote knew how he felt.

Trixie Lulamoon: That is a big understatement. Even I, The Great and Powerful Trixie, feel bad for him. Jimmy was hurt all the time back then too.

Triple Berry: Yeah that was nuts and crazy! Jimmy REALLY got thrashed all the time too. Sarah even went as far as to wanting to kill the Ed's too!

Princess Luna: I know! He would have been killed over and over and over again during all that.

Queen Haven: I thought it was absolutely crazy he went through all that!

Windy: Yeah no kidding there! Jimmy got pulverized a lot.

Flare Firestar: I don't know how many times he got mangled up by the Ed's scams like that but he went through a lot to the point where he should have been killed a lot.

Leaf: Too extreme but yeah. Jimmy is a tough kid.

Posey Bloom: Boy he sure is.

Dusk Eclipse: The worst thing that happened to Jimmy was when he was mangled up by the Ed's on Halloween.

Princess Luna (G5): That was painful.

Moondust: No kidding there!

THEY LAUGHED!

Kimberly Ventrix: Yeah that would be so funny to see!

Narline Narwhal: I agree there and that there would be really funny!

Nobby: Yeah it sure would!

Dawn Eclipse: He gives all Green Lanterns a bad name! Also I heard from Francesca that Muriel and Eustace got so addicted to your flan and they got big and fat like sumo wrestlers!

Princess Celestia (G5): Yeah they sure did!

King Solar: That was crazy there!

Solar Eclipsa: It was nuts.

Amber Morning: No kidding there!

Spotlight: I agree there.

King of Flan: Yes it was crazy and don't worry I'm going to do just that amigos. Lets do this with flan!

Princess Celestia used King of Flan's ring and fired Flan blasts and they fired light blasts and smashed them down.

---

Leap Frog was next.

Leap Frog: (to Lightning Dust) Power Ring is a really cowardly wannabee Green Lantern. His ring is doing the fighting for him.

Lightning Dust: That's for sure. Lincoln said he's not a true Green Lantern, he's a coward and a Green Lantern wannabe who lets his ring do all the fighting for him, and that he lacks the training and discipline of a real Green Lantern.

THEY GASPED!

Glue Man: Jeez, talk about laying down the facts!

Molten Hydra nodded in agreement.

Mika Kozuru: And his constructs lack the willpower The Green Lanterns have.

Lightning Dust: That is true!

Android 17: J.D. and Lincoln cut those constructs down with their swords and the constructs shattered like glass.

Krylox: That just proves how much of a coward Power Ring is.

Soccadillo: And he has the nerve to come here to Oa! We're kicking his butt off Oa and sending him back to Earth Omega.

Hillary Jennings: But, not before Lincoln puts the tracer on him.

Lightning Dust: And we beat him to a pulp and teach him a lesson he will never forget.

Leap Frog: We still got them on the other members of The Crime Syndicate and Evil Neutron, and with Stane as the double agent among them, he'll alert us to what's gonna happen. Let's do this.

Lightning Dust used Leap Frog's ring and jumped and they fired waves of lightning and energy and smashed them down.

Luster Dawn: No, he's a disgrace to The Green Lanterns, he lets his ring do all the fighting for him, he's not a real Green Lantern.

Catherine Torres: That's for sure. The Prime Universe Version is not a coward but this one is.

Teen Titans Lightning: Even the Green Lanterns agreed as well, and they all want to get him off of Oa and back home to Earth Omega.

Lyra Heartstrings III: Which we're gonna make sure of.

Althea Aganad: After what he's done, there's no way we're showing him any mercy at all.

Melanie Moondancer: Someone like that, he deserves no mercy, only a merciless buttkicking.

Luster Dawn: And it's going to hurt bad!

Gramma Stuffum: I agree. Let's do this.

Nico: That'll teach that coward!

Me: We'll make sure he gets the treatment from Vypra.

Lincoln: After we get rid of Team Buktu and Darkseid, The Crime Syndicate will be getting quite the treatment from her. Now, there's one last thing to do and one last loose end to tie up: Shuma-Gorath.

We then turned our attention to Shuma-Gorath who's still trying to get out, but couldn't.

Shuma-Gorath: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Lincoln did one final powerful energy slash that hit Shuma-Gorath hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Shuma-Gorath was on his last tentacles.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Shuma-Gorath and he began absorbing him and assimilated Shuma-Gorath's Virtual Omnipotence and Nigh-omnipotence absorbed by Lincoln's True Omnipotence, Magic Energy Manipulation, Invulnerability,

Regeneration, Telepathy, Energy Projection, Shape Alteration, Size Alteration, Superhuman Strength, High intelligence, Immortality, Shapeshifting, Demonic and magical energy manipulation, Vast other godlike abilities, and Dimensional Travel, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Shuma-Gorath and he also sucked out all the energy remaining in his soul and Shuma-Gorath was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Giana Gigas' new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Giana Gigas: It's over for you, Shuma-Gorath, and to this we say good riddance. Thanks for helping me get rid of Shuma-Gorath, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Giana.

Me and Nico: Our pleasure, Giana.

Suddenly, Giana Gigas wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Giana Gigas' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Giana Gigas sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Giana Gigas: And that's it for Shuma-Gorath.

Me: That's for sure, and that's pissed Alecto Slytherin of even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Lavalval Dragon.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Lavalval Dragon.

Adara Vulcania: There's only one person who fits this: Alinta Vulcania, Avatar and Gene-Slammer of Lavalval Dragon, and you guys are going to love meeting her, Alinta Vulcania, Avatar and Gene-Slammer of Lavalval Dragon, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragon. She's The Volcanic Lava Dragon Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Alinta Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragon, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragon, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Alinta Vulcania hates Luan with a passion because of Luan's pranks led to her house getting flooded with expired whipped cream that attracted racoons and she and her family got attacked by them and they had to go to the hospital to get rabies shots. Alinta decided to burn Luan's props as payback and she even left a burn mark on Mr. Coconuts!

WE GASPED!

Nico: Oh God, Luan, you didn't!

Lori: She did, and that pissed Alinta off badly, and worse, Lisa and I cheered her on, and we both got burned on the butt by Lynn and Lola!

Lanaia: I also threatened Lori that if she plotted this again, I was gonna electrocute her big time!

Me: I hope those three got grounded big time for this.

Lincoln: They did, Luan got five months grounding for what she did, and Lori and Lisa got two months for cheering Luan on along with getting their butts burned by Lynn and Lola.

Lynn: Lori had it coming for cheering Luan on, even though she knew of what kind of monster she turns into on April Fools Day.

Lola: And Lisa had it coming too just because she despises Lincoln's Guardian Angels, so she had to get her sorry butt burned.

Me: Yep.

Carmen Dillo: That's one less place Team Buktu can roam freely in

INSTIGATOR: That's right.

Me: 4 down and 5 to go.

Qin: Yep.

Metal Sonic: And one step closer to the closing the Crime Syndicate and Team Buktu.

Leap Frog: You said it

Gramma Stuffum: I'll make some victory food.

Me: Good idea!

Qin: Yeah!

Nico: Great job today everyone!

Jimmy: (To the viewers) Boy what a crazy adventure wasn't it?

Me: No kidding.

We went back home and had a great meal at Lynn's Table with Gramma Stuffum.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we defeated Lego Power Ring and sent his ass back to Earth Omega.

Anna Anyanova: You said it, that guy was an absolute coward.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice)(Flexes his massive arms and his massive biceps bulged even more with more veins forming)(Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally

potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his speedo about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Fight Card, but tomorrow, I got a feeling we're going to take on the dark version of The Loop Card, this thing caused a lot of trouble for Sakura, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

DC SUPERVILLAINS PART 5

Part 5: Gotham Museum

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a black and red scary planet of darkness and eternal nightmares in The Forbidden Zone, but billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had powers over darkness and nightmares times infinity, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln woke up.

Lincoln: Holy cow, what on Earth was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Another planet in The Forbidden Zone, that was Nightmaraira, a scary planet of darkness and eternal nightmares in The Forbidden Zone that was inhabited by powerful dark angels called The Nightmarairans, the males were not only natural born fighters, but had powers over darkness and nightmares times infinity, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Nightmarirans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: Whoa! Oh man! If J.D. 2 shows them that tomorrow, everyone's gonna scream their heads off, except for Lucy and The Goths of Darkness.

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Planet Nightmaraira once inhabited by The Nightmarairans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Nightmaraira, this place sure is scary.

Suddenly, Lincoln's body started feeling even hotter than ever!

Lincoln: Oh whoa, I'm starting to feel the sudden urge to go even more wild whenever the full moon rises and especially when it turns red.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Since you're a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid, Nightmaraira appears to be enhancing all of your powers, and there's a reason why no one would ever set foot there, this planet makes anyone's worst nightmares come to life! But, when The Infernairans set foot here, no signs of life was left at all. Now, it's as silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Nightmaraira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a black gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of black and grey souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Nightmaraira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Nightmaraira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense power over darkness and nightmares, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and grey aura with darkness surrounding him and the rainbow, white, golden yellow, and blue protective aura and holy white aura as well was like a raging fire as he pounded his chest like a gorilla and he felt even more wilder than ever.

Lincoln: Whoa, oh man, all of their immense superhuman strength, immense power over darkness and nightmares, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers along with their spirits and lives have merged with my body. (Flexes his massive muscles as his massive biceps bulged even more with veins forming)

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Nightmaraira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Nightmaraira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips

and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Nightmaraira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Nightmaraira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the effects of Planet Eroticaira and his primal urges went wild.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter

than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we.

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: Oh my God, I remembered Nightmaraira, that planet was a place full of nightmares!

J.D. 2 made a viewing window, and what we saw...!

SCREAMS!

WE SCREAMED OUR HEADS OFF: THAT PLANET WAS A PLANET OF ETERNAL DARKNESS AND NIGHTMARES!

Brittney did a spit take!

SPIT TAKE!

Brittney: Wait, what?! You found Planet Nightmaraira! I've only heard the legends of that place, it was a true paradise of pure nightmares and darkness! And no one would dare set foot there, because that place was not only inhabited by the creatures of your darkest nightmares, but this place actually makes your worst nightmares come to life.

Nicole: Originally that's what everyone thought, but Arpina's former people ravaged Nightmaraira, those savages!

Jen woke up to see Mega Hitmonchan starring at her.

Mega Hitmonchan: Morning Jen! Time for breakfast!

Jen Walters: Oh be right there.

She got up and got dressed and went to the table.

Me: Morning Jen.

Jen Walters: Morning guys.

She was piling on the protein like Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,998 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Mr. Borbonne, and he's back in Chazke Village along with his goons and General Tao, and he's back for revenge on Lime and her grandpa and Gohan for ruining him.

Gohan: What the? Borbonne's back?!

Lime: I thought we were done with him!

Me: That asshole who caused so much shit in Chazke Village when Cell was terrorizing the world?! I thought you drove him out after you ruined him.

Gohan: That's what I thought, but that sore loser didn't learn his lesson. Well, he's gonna regret coming back.

Super Brother: We'll send those assholes to prison, but what about General Tao?

Lincoln: We'll throw him in The M.O.E., and for a little added insult to injury, I'm gonna kick Borbonne and his goons hard in the crotch before we throw their butts in prison.

Nico: Ooh, now that's a good idea. But, wait, what if that asshole says something derogatory to you and your harem like Peck did?

Lincoln: Leave that to me and our entire family.

Me: (GULPS) (Thinking) Oh no...! A Loud House Style Beatdown, I hadn't seen that one in years!

STOMACH RUMBLES!

Lincoln: Okay, now let's finish breakfast and head to Chazke Village.

Nico: Right, we can't fight Borbonne and his goons on an empty stomach.

We finished our breakfast and we headed to Chazke Village to help Flare Firestar unlock her Rainbow Power and send Borbonne and his goons to prison and send General Tao to The M.O.E.

Poliwag was testing out one of the bazookas we got from a delivery yesterday on some training dummies when Nico called him.

Nico: Poliwag! You and Poromon better hurry up. It's time for the rescue!

Poliwag: Coming!

Poliwag didn't look where he was firing and fired the bazooka away from the training dummies.

Poromon: Uh oh!

They saw that Poliwag had accidentally fired onto Kozak who was begging on the street and the missile hit him and it exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

Killing him instantly.

OOPSIES!

Poromon: Weren't we planning to kill Kozak in the future?

Poliwag: Let's keep quiet about this and no one will know!

We were off

Me: This will be the first time we saw one of the vilages we went to Gohan.

Gohan: You're going to be amazed by it.

Lime: I hope Grandpa is doing good.

Me: I'm sure he is doing good. But we have to tell him what Cell was.

Nico: Yeah.

Goku: I remember this was the village Gohan went to to get groceries for ChiChi.

Qin: Wow.

Nico: I didn't know about that Kakarot.

Dust Man: Yeah. This will be interesting.

Nico: Dust Man, I want to thank you, Split Mushroom, and your teams for coming.

Dust Man: No problem Nico. This will be fun.

Sally Stomach: I'm excited for this too. (LOUD NASTY HORRIBLE FART!)

Me: Geez Sally control your gas.

Qin: So who is this Borbonne fella?

Gohan: Well he is the Mayor of Chazke village.

Me: Well we don't know much about him Gohan.

Gohan: Oh right.

He went over his history.

After Cell attacked Chazke Village, Bourbon ordered to build a protective dome to protect the inhabitants if Cell decides to attack the city again, but his only interest is the money that he will get in the business. Bourbon hires Tao Pai Pai to protect him in case that someone tries to attack him, but with the risk that if he don't pay the assassin he will be killed. During one of his speech Lime screams that Cell is coming and he hides in the dome without letting anyone to get in. After realizing that it was a prank, Bourbon sent his henchmen to attack lime but they weere defeated by Lao Chu, so he sent Tao to fight him. Before being killed, Gohan saves him and Tao realizes that he is the son of Son Goku the one who defeated him in the past and leaves Bourbon alone. Then Gohan destroys the dome, proving that Cell would do the same.

When it was done we were shocked!

Me: Oh man!

Qin: That is madness!

Goku: Whoa man! He hired Tao to protect him!? That is nuts!

Me: No kidding Master Goku. Especially after all the crap he did.

Nico: I can't believe he would do that Kakarot. But I heard from Tien that he was once one of his teachers long ago.

Tien: Yes that's right. He taught me all I know and also he slashed me at the tournament leaving this scar.

Me: Ouch!

Xenia: No kidding.

Nico I don't think she can help it.

Gohan: Cell was very weak back then and killing people for energy.

Vegeta: Ha. I would have killed him in an instant back then.

Me: At that level of power it would have been just a walk in the park for you.

Nico: I agree.

Sally Stomach: Me too. (LOUD NASTY HORRIBLE FART) Sorry.

Nico: I don't think she can help it.

Me: I know.

Sally Stomach: Sorry. Been a problem for me for a while. I have nasty gas that can kill people on contact.

Crackhouse Goofy: She poisoned us a lot from it.

Me: Because you deserved it you fatnosed fatass mule!

Crackhouse Goofy: YOU SHUT THE FUCK UP YOU SON OF A BITCH!

Me: YOU ABOUT YOU MAKE ME YOU FATASS FUCKWAD COW!

WE GROWLED AND I PUNCHED HIM IN HIS FACE!

Eli: Pardon me you two but I must discipline the nannygoats!

Eli grabbed me and Crackhouse Goofy and then...

KRABLANG!

HE BASHED BOTH OUR HEADS TOGETHER!

Me and Crackhouse Goofy: OUCH!

We had birds spiral around us.

Nico: Shut the fuck up! Both of you!

Poromon hopped on her stomach.

Poromon: That helps?

Sally Stomach: I think so.

But then...

LOUD NASTY AND EXPLOSIVELY LOUD FART!

She farted so big that it released a gas cloud and hit the Crackhouse Disney Club and burned them into skeletons! They fell into the forests and were lost in there.

Me: GEEZ! Nasty!

Sally Stomach: Sorry.

Me: That oughta shut them up for a while.

They came back with them.

Poliwag pat her stomach with his tail

Nico: Okay Poliwag that's not going to do any good.

Poliwag: Oh yeah.

Me: Man yesterday was crazy!

Qin: No kidding! And one of the most funny ever.

Camie: Yeah no kidding! Lego Power Ring was a complete and total wimp!

Nico: He was easy.

Qin: He sure was.

Jimmy: He was. Also man my Akuma had it really rough!

Me: No kidding! Man he was beaten up much worse than anything Eddy can do.

Eddy: He's right on that! Many Jimmy your Akuma really got thrashed there.

Qin: Yikes!

Ymir: Ouch!

Xenia: Yeah he got hit with everything including the kitchen sink!

Nico: Including tasty houses made of fishsticks, pizza, healthy snacks, cheeses and chocolate! (SLURPS)

WE LAUGHED!

Lola: And a dead whale that exploded! YUCK!

Poromon: Almost makes me wish there were dark moments. Almost.

Me: Why do you say that?

Poromon: No reason.

I was suspicious.

Poromon: I'm just saying because he was a wimp

Me: Oh. Sorry.

Poromon: No worries.

Lola: Yeah. But Lego Power Ring was a disgrace to all Green Lanterns.

Camie: We didn't expect Lego Ganthet to be there and banish Team Buktu and the Crime Syndicate from Oa.

Nico: I know. And J.D. that was funny how you thought you ate his chicken wings.

Me: Sorry I was referencing something I saw years ago. I forget what it was.

Nico: Lego Ganthet isn't that guillible

Me: No he was smart just like we are.

Lime: That is for sure.

Me: Yeah.

We arrived.

Nico: This it?

Gohan: Yep. See that crater there?

We saw a huge blast crater and the remnants of a destroyed shelter on a hill.

Me: That must be all that's left of the shelter Borbonne built.

Gohan: Yep. That's it.

Me: You blew that entire thing to smithereens. Thank goodness no one was in it.

Gohan: Yeah that was what Cell would have done too with everyone in it.

We landed in the town.

Me: So this is Chazke Village.

Lime: This is it. Let me show you guys my grandpa's store.

Me: Okay.

Poromon: Where is it?

Lime: Right there.

We saw a general store and went in and saw Mr. Lao and he was being pestered by Burdwell and Kasden.

Mr. Lao: If you want the food I won't give it to you.

Kasden: Then we'll make you.

Then Lime tapped him on the shoulder and then...

POW!

She punched him in his face and grabbed him and smashed his head on top of Burdwell's head.

SMASH!

They were knocked out and dazed!

Me: WHOA! Nice one!

Mr. Lao: Lime!? Wow you look amazing!

Lime: Long time no see grandpa.

Gohan: Hey Mr. Lao.

Mr. Lao: Gohan and Team Loud Phoenix Storm welcome!

Gohan: I remember these guys. They were Borbonne's henchmen Burdwell and Kasden.

We tied them up.

Mr. Lao: Where did you learn how to do that Lime?

Lime: I had some really great teachers and ever since Gohan came I wanted to learn how to be like you in the World Martial Arts Tournament days.

Goku: Wow that is amazing!

Mr. Lao: It is. And I'm glad you all beat cell.

Me: Gohan did it. He saved everyone back then. Me and Nico finished the job for good. Pleasure to meet you Mr. Lao.

Mr. Lao: Same here.

Lime: Yep.

Poromon: Can we have some?

Me: Wait Poromon. Why were these two after some food?

Mr. Lao: It's that Borbonne family. They wanted some food because they are trying to build a shelter like that again.

Me: Deja-vu. Who is he trying to protect the town from this time?

Mr. Lao: Team Buktu.

Me: Say what!?

Poliwag: Didn't expect that.

Me: We'll handle Team Buktu. But you should know that you had every right to be against building that shelter. Cell would have destroyed it with just one blast and kill everyone in it.

Nico: That's right.

Mr. Lao: I'm glad you agree on that.

He showed the shelter he was building from a window. This time it had a red dome roof.

Me: That must be it. But Mr. Lao you should know this. Team Buktu is not as big a threat as Cell was. Cell was going to destroy the entire planet and kill everyone and even destroy the entire universe.

Lola: It's true.

Mr. Lao: That's true. He was.

Nico: And to make matters worse, Cell was a project made by Kakarot's old enemy Dr. Gero.

Mr. Lao: Dr. Gero?

Me: He was the mastermind and mad scientist responsible for unleashing the infamous Red Ribbon Army.

Goku: Yeah I defeated all of them.

Me: Yeah.

Mr. Lao: I see.

Albedo: My former teammates aren't even as strong as he is.

Me: No Cell was stronger.

Qin: Yep.

Me: Also Cell was not an alien like you all thought. He was really an android.

Mr. Lao: An android?

Me: Yeah totally biomechanical. He was infused with the cells of the great warriors of the universe.

Nico: Including those of Frieza.

Trunks: It's true. He came from my time and it was awful.

Me: Yeah. His purpose was to not just fulfill Dr. Gero's revenge on Goku but also to Destroy the Earth and the Entire Universe.

Nico: Yep.

Mr. Lao: That is awful.

Lime: I'm glad he is gone.

Me: Yeah me too.

Mr. Lao: We are grateful for that.

Nico: Be on the lookout for the Crime Syndicate as well

Me: Yeah.

Mr. Lao: We will. But the shelter is just for Team Buktu.

Me: Just being cautious on that.

Lincoln: Okay, guys, we're in for an awesome battle, we're here in Chazke Village to help Flare Firestar unlock her Rainbow Power and send Borbonne and his goons to prison and send General Tao to The M.O.E.

We had all of TLPS and The MOE with us.

Me: A Torkoal! Wow.

Torkoal: Nothing to eat here but twigs and rocks.

Me: Yuck.

Shane: Here.

Shane gave him apples.

Torkoal: Oh boy.

He ate them.

Torkoal: Thank you.

Shane: You're welcome. Want to come with me?

Torkoal: Sure!

Shane: Awesome!

Poromon: Great!

Me: Cool.

Laney: LOOK OUT!

We dodged and a stream of fire plasma hit the ground and it burned with intense heat and flames.

Me: WHOA! That is strong fire!

Xenia: What did that?

Lana: LOOK!

We saw a huge Scorpion! It was a massive green monster with a scaly lizard-like body, sand-brown head with glowing yellow eyes, large pinchers, a huge scorpion-like claws used in a knuckle-walking manner and a huge scorpion-like tail with twin stingers at the end!

Qin: WHOA!

Xenia: Queen Scorpio!

Shanan: WHOA MAN! That's a Pandinian Seiscorp from the planet Pandin. They are really dangerous scorpion creatures. They can shoot fire plasma blasts from their tails that can melt and burn objects and people on contact with intense flames like the tanker bugs of Klendathu!

WE GASPED!

2012 Mikey Screamed like a little girl!

2003 Mikey screamed like little girl too.

Qin: That is funny.

Me: Time to squish a scorpion!

She fired fire plasma and we dodged it.

Ed turned into Edzilla!

Edzilla: ED SMASH SCORPION!

Me: CHAKRA CHAIN RESTRAIT!

I formed chakra chains and held it down!

Edzilla punched her all over!

Qin fired wave of fire and blasted her.

I took a vial and loaded it.

Me: Okay here goes!

I teleported and injected her and she reverted back!

She was a girl with golden yellow hair and pink eyes.

We wrapped her in a blanket.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH!

Poromon: You tell her!

Ed reverted back.

She woke up.

Girl: (Groans) What happened to me?

Me: Are you okay?

Girl: I think so.

Me: What's your name?

Odele Odwalla: Odele Odwalla.

Me: (GASP) You're the heiress to the Odwalla fortune!

Odele Odwalla: Former heiress.

She told us her story.

Born into a very strict family and was always a rebellious girl. She didn't want to do what her mom and dad always told her to do and she didn't want to be a lawyer ilke her parents wanted. She wanted to be a chef. Her parents hate her and disowned her. She became a great chef and proved them wrong. Her parents died when they were murdered by loansharks. The loansharks were caught thankfully.

WE GASPED IN SHOCK!

I hugged her and comforted her as she was crying hard in my chest.

Nico: Your parents were jerks

Poromon: Yeah!

Odele Odwalla: (Crying) I hate those monsters! I will kill them if I see them again!

Me: That was karma that they got killed.

Odele Odwalla: (Crying) Yeah it was! NowI have a new family! Firepower.

Aurico: Wait you know Firepower?

Odele Odwalla: Yes. He took me in.

Me: Wow that was amazing of him. It's his turn in the usual battles today so you'll be reunited with him.

Sydney: Do you remember me?

Odele Odwalla: I do Sydney. I'm glad you're okay. What happened to the High Mage?

Me: Well it's a very crazy story.

I went over everything that happened to him.

Odele Odwalla: Oh yuck!

Me: Yeah. Oh Odela did your family make fruit juice too?

Odele Odwalla: (LAUGHS) Everyone said that we thought we make fruit juice like that. But we don't.

Poromon: Aww.

Me: That is coincidental though.

Odele Odwalla: I know.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new yellow clothes and she looked awesome.

Odele Odwalla: I look awesome!

Me: You sure do.

Mary Knudson: And I can help you be an amazing chef too like me.

Odele Odwalla: I would be honored Mary.

Poliwag: Nice!

Me: Yep.

Lana: LOOK GUYS!

We saw a Mega Salazzle and Mega Salamence!

Me: WHOA! Mega Salamence and Mega Salazzle!

Nico: Where did they come from?

Me: Must be 2 of Dark Gale's work!

Philip: Lets see.

He and Shotaro used Telepathy and gasped!

Philip: WHOA! The Mega Salamence is Quetzal!

Shotaro: And the Mega Salazzle is Pangaea!

Me: WHOA! Lets go help them.

We went over to them.

Philip: Girls calm down it's me and Shotaro!

Mega Salazzle used Fire Lash on Horsea but she put her clone in front of her

She slashed the clone and burned it!

Horsea: HA! You missed!

Mega Salamence used Hyper Beam and fired a blast of energy and it hit May and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

May screamed and she was badly burned to a crisp!

May: Ouch.

Universe 666 May: Oh man that had to hurt!

Manaphy: Mama!

Manaphy ran over to May.

She fainted and was dizzy.

May: (Dazed and stupid) Mommy read me and max the story of the farts that could. (Faints)

Nico: Ouch.

Manaphy: Why you little!

MANAPHY FLEW AND BASHED AND PULVERIZED MEGA SALAMENCE ALL OVER THE PLACE WITH INCREDIBLE FORCE AND SHE BASHED IT DOWN!

Me: WHOA!

Poromon: THAT IS MY AWESOME GIRL!

Then I snapped my fingers and they reverted back.

Quetzal was a girl with red hair and orange eyes and yellow wings and had the Quetzalcoatlus Memory symbol with the W symbol on her arm and forehead.

Pangaea was a girl with black hair and orange eyes and green wings and had a symbol of the Earth when it was back 237 million years ago and the Pangaea Memory symbol and the W Symbol on her arm and forehead too.

We wrapped them in blankets and brought them over.

They woke up to see Horsea's smiling face.

Pangaea Hidari: (Groans) What? A Horsea?

Quetzal Hidari: I feel like I got hit by the Quetzalcoatlus Dopant all over the place.

Horsea: You hit my clone!

Manaphy punched Quetzal in her face!

POW!

Quetzal Hidari: OW! What the heck was that for!?

Manaphy: You hit mama! Shame on you!

May and Maria picked them up.

May: It's okay Manaphy calm down.

Quetzal Hidari: Oh man sorry.

Philip: You girls okay?

Quetzal and Pangaea: Brothers!

They hugged them.

Me: You both were turned into a Mega Salazzle and Mega

Salamence by Dark Gale.

Pangaea Hidari: Oh man! We were fighting the T-Rex and Quetzalcoatlus Dopants when it happened.

Me: Oh man! I Remember them.

Manaphy: Shame!

May: Manaphy calm down.

Qin: Yeah.

Poromon: What are your rider names?

Quetzal Hidari: I am Kamen Rider Quetzalcoatlus. I use the powers of the Quetzalcoatlus and bring pain to my enemies.

Me: That was the largest ever Pterodactyl that graced the skies.

Terrorsaur: Kind of like me and I'm a pterodactyl too.

Quetzal Hidari: That is cool!

Pangaea: Yep. I'm Kamen Rider Pangaea. I use the powers of all the creatures from over the course of 237 million years to beat our enemies.

Aylene Carter: Wow that is amazing!

Me: You would love meeting all of them in Paleozoic World. We have all those creatures there.

Nico: Yep.

Poromon: Specifically, they're dinosaurs.

Me: There's many more than just dinosaurs there.

Poromon: Oh right I forgot.

Rarity: Lets get you some new clothe darlings.

The fashion brigade gave them new clothes. Quetzal's were yellow sports clothes and a dinosaur sword and Pangaea's were black and had a dinosaur sword too and they got their Double Belts too.

Pangaea Hidari: We look amazing.

Me: You sure do.

Poromon: We're not done yet

Me: Yeah we got a job to do.

Rocker Mermaid: That's so awesome! Mind giving us a hand?

Leni and Luna: Sure!

Super Model, Leni, Rocker Mermaid, and Luna fired blasts of gravity and water that drenched and flattened Borbonne and his goons.

We landed.

Me: Borbonne, you're under arrest!

Borbonne: WHY YOU! HOW DARE YOU GET IN MY WAY! GET THEM!

Borbonne's goons went after us!

Funny Clown: Uh oh!

Funny Clown threw banana peels onto the ground, and when Borbonne's goons stepped on them, they were sent sliding into a tree!

Funny Clown: Now, that's what I call making a banana and SPLITTING! (LAUGHING) Get it?

Borbonne: (GROWLS)

Luan: A critic, eh?

Funny Clown and Luan fired blasts of light that hit Borbonne.

Ultimate Athlete and Lynn ran at Borbonne and rammed him in the stomach!

Ultimate Athlete: WHOO-HOO! TOUCHDOWN!

Lynn: Nice hustle! Take that, chump!

Gothic Vampire and Lucy fired blasts of darkness and bats at him and his goons and they got hit hard.

Gothic Vampire: May the darkness drag your souls down into its cold embrace.

Lucy: Gasp, spoken like a true angel of darkness.

Nature Angel and Laney formed vines of poison ivy and lashed at Borbonne and his goons and they began scratching themselves raw!

Nature Angel: Hope that hurts, jerks.

Laney: That's for sure.

Diamond Princess and Lola fired waves of fire and diamonds at Borbonne and his goons and they got burned and hit.

Diamond Princess: Take that, you Philistines!

Lola: That's telling them.

Ice Plumber and Lana fired blasts of ice that hit Borbonne and his goons, and they got a nasty case of frostbite!

Ice Plumber: Hah, that'll give them a case of the cold shoulder!

Lana: Cause where they're going, that's gonna be the least of their problems.

Super Genius and Lisa fired blasts of lightning that hit Borbonne and his goons and they got electrocuted.

Super Genius: You Neanderthals are not going to run free any longer.

Lisa: After this, you Cro-Magnons are gonna regret trying to come back here.

Warrior Mermaid and Lily fired blasts of glowing water that drenched Borbonne and his goons.

Warrior Mermaid: Aw, did we get you goons wet?

Lily: Well, here's where it gets worse!

Lime went at them and kicked them all over!

POW! BIFF! SMASH! WHAM KROW!

Borbonne: WHAT THE!? You're that little runt!

Lime: I've changed a lot you jerk!

Torkoal charged at him and blasted him with fire!

Me: Nice work Lime! You too Torkoal!

Borbonne: WHY YOU LITTLE! General Tao, come out I need you!

GENERAL TAO CAME OUT!

General Tao: What is it Mr. Borbonne?

Borbonne: I want all those jerks eliminated!

Me: Long time no punch Tao!

Goku: You're looking good!

General Tao: Goku! Tien!

Lime: I'll face him. You guys deal with his goons. Time to show how much I've changed.

Me: Go get him!

General Tao: So you want to play little girl?

Lime: I'm not the same girl you remember when Cell was here.

General Tao: Then lets dance.

They went at each other and Lime kicked him in his face and punched him in his stomach and kicked him in his face.

Then Tao's left hand fell off and revealed a blade and she dodged his strikes!

General Tao: You've gotten good kid.

Lime: I'm getting warmed up.

She went at him and punched him in his face and he got back up.

General Tao: Lets see you survive this.

His right hand came off and it had a cannon.

General Tao: Well lets see you survive this.

His arm clicked like a gun.

General Tao: Lets see how you last against this. DODONPA WAVE FIRE!

HE FIRED A POWERFUL ENERGY BLAST!

Lime: KAAAAA MEEEEE HAAAAA MEEEE HAAAAAAAAAAA!

SHE FIRED A POWERFUL KAMEHAMEHA WAVE AND THE BLASTS COLLIDED!

BOOOOOOOMM!

Her blast overtook his and it slammed into him and exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

The blast sent him flying and it smashed him into the shelter!

Me: WHOA!

Qin: NICE WORK LIME!

Nico: Way to go!

Borbonne: What happened to that kid!? She has gotten bigger!

Me: Not just bigger but stronger and more powerful too!

Goku: She learned from the best like us!

Twilight got out her Sentai Ring.

Twilight Sparkle: She learned so much.

She fired waves of magic and energy and blasted Borbonne and

Tao all over the place.

Me: YEAH! Borbonne don't you remember what happened the last time you built a shelter like this?

Gohan: I destroyed it to prove our point against Cell.

Me: That's right.

Borbonne: I was trying to save the people from Cell!

Me: Cell would have destroyed the entire shelter with one blast and killed everyone in it. Also Cell was made to destroy the entire planet and the entire universe!

Borbonne: Wait made? What do you mean by made?

Me: Ever heard of the infamous Red Ribbon Army? Dr. Gero, a mad scientist wo made the Red Ribbon Army wanted revenge on Goku for destroying them and made androids to kill him. He made Cell by infusing the cells and genetic powers of Goku, Vegeta, Krillin, Piccolo, Tien, Frieza and many others into him as part of an ultimate plan to destroy the world and the universe to get revenge on Goku. Cell was not an alien from another planet. He was an android made by Dr. Gero from the future.

Borbonne: WHAT!? You mean he came from the future!?

Me: That's right. To absorb Android's 17 and 18 to become complete.

Android 18: It's all true.

Android 17: We were to become part of him and make him whole.

Gohan: That's right. But I destroyed Cell. He was no match for me.

Me: Yeah! And no match for me and Nico. We completely overwhelmed him despite him being complete.

Qin: Yeah!

Borbonne: (SHAKING IN FEAR)

Me: Now you look like you've seen a ghost.

Lime: That's right!

Sunset got out her Sentai Ring.

Sunset Shimmer: Time to unleash the fire.

She fired waves of fire and blasted them both.

Me: Also you should know that Team Buktu is our responsibility to destroy.

Borbonne: I'm saving this town from them!

Me: No it's just to fuel your own greed! Team Buktu is insignificant compared to us!

Nico: That's right! Cell was the greater threat than they were.

Me: And Evil Sasuke is among them which makes his power level nothing more than that of 500 to 1,200. At most.

Nico: That's right.

Nico pulled out a scouter and put it on and analyzed Team Buktu's power.

Evil Jimmy: 500

Ironmonger: 1,000.

Scott: 75

Tim Buktu: 510

Evil Sasuke: 1,110.

He showed them to me.

Me: Boy that is pathetic. Our power levels are infinitely stronger than

them.

Nico: Yep.

Me: But then again they could be surpressing it.

Applejack: Yeah.

Applejack got out her Sentai Ring.

Applejack: Lets see you survive this.

She fired waves of rocks and smashed them all over.

General Tao got up.

General Tao: Well then lets see you survive this.

He aimed his cannon at Nico.

General Tao: Try this one.

He fired a blast and Nico deflected it high into the sky and it exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMMM!

Nico: You should know better than to attack me like that Tao. Also that was pathetic.

Rarity got out her Sentai Ring.

Rarity: Indeed it was darlings.

She fired waves of water and blasted them both.

Goku: Also Tao, remember this?

HE TRANSFORMED!

Me: You're screwed now!

General Tao: What is that form!?

Me: Master Goku transformed into a Super Saiyan!

General Tao: SUPER SAIYAN!? (GASPING AND SHAKING IN FRIGHT)

Me: Now who is the coward!

General Tao: I GOT TO GET OUT OF HERE!

He flew.

Rainbow Dash: YOU'RE NOT GETTING AWAY THAT EASILY!

Rainbow Dash got out her Sentai Ring and flew at him with a powerful Sonic Rainboom and flew and bashed him in his face and knocked him down and into the ground.

Lime: Running away like a coward! Not very honorable.

Qin: And I thought Eis Shenron was the coward.

Nuova Shenron: My brother is a coward.

Me: Yep.

Nico: Wonder why Evil Sasuke's power is so pathetic?

Me: He is still a genin and has a lot of pathetic power. I had a mindboggling power of 719,000,000,000,000,000 when I fought him last.

Nico: 719,000,000,000,000,000!? That is intense!

Lola: YEAH! What about when he gets into his Curse Mark form?

Me: His power was a measly 80,000.

Qin: Still pathetic.

Nico: And Madara?

Me: His power was at 10,000,000.

Naruto: WHOA! No wonder we had a hard time beating him. When about in his 10-Tails Jinchuriki form?

Me: His power was Astronomical. It skyrocketed to 1,000,000,000.

Nico: HOLY SHIT! That is intense! But he was still no match for you.

Me: Nope. Anyway back to the matter at hand.

Fluttershy got out her Sentai Ring.

Fluttershy: Um you are all going to be hurt if you stay in that shelter.

She fired waves of energy and leaves and vines and tied them both down.

Qin: Boy the opponents you faced were intensely powerful!

Xenia: No kidding! What was Orochimaru's power at?

Me: His was 250,000.

Nico: Pathetic. No wonder we beat him so easily. And the Akatsuki? What were they at in power?

I went over their power levels.

Pain: 7,300,000

Konan: 6,900,000

Kisame: 6,600,000

Deidara: 6,000,000

Itachi: 5,300,000

Zetsu: 400,000

Obito: 8,100,000

Sasori: 1,210,000

Kakuzu: 4,700,000

Hidan: 3,110,000

We were shocked!

Nico: Whoa! Powerful but pathetic.

Me: I know. Pain put up the most valiant effort. And I had to resort to blowing up the moon for that.

Nico: I know.

Naruto: No wonder the Jinchuriki all had a hard time against them and were taken down so easily.

Nico: Yep.

Pinkie Pie got out her Sentai Ring.

Pinkie Pie: PARTY TIME!

She fired confetti and balloons and energy and smashed Borbonne and Tao all over.

Nico: And what about Obito's power level as the 10-Tails Jinchuriki?

Me: His was at 912 million.

THEY GASPED!

Qin: WHOA MAN! And Kaguya's?

Me: Hers was staggering! It was over 50,000,000,000!

THEY GASPED MORE!

Nico: That's inconceivable!

Naruto: No wonder she put up a powerful fight and took us all over the universe!

Fu: No kidding!

Kaguya Otsutsuki: That was amazing though.

Me: No kidding.

Vinyl got out her Sentai Ring.

Vinyl Scratch: Feel the music.

She fired waves of energy and music and blasted them.

Lightning Dust got out her Sentai Ring

Lightning Dust: I will unleash the speed of lightning!

THUNDERCLAP!

She ran fast and blasted them both with intense lightning!

Nico: YEAH!

Luster Dawn got out her Sentai Ring

Luster Dawn: Feel the Dawn.

She fired waves of sunlight and fire and smashed them down.

Qin: Take that!

Camie: YEAH!

Ymir: And besides Borbonne, you should be ashamed of yourself!

Borbonne: Huh? What do you mean?

Ymir: You should have assessed the power level of Cell and realized that a shelter against him was a terrible idea! Cell would have killed you all without giving any second thought!

Me: That is for sure!

Poromon pecked him

POINK POINK POINK POINK POINK POINK POINK POINK!

Borbonne: OW OW OW OW OW! CUT IT OUT YOU LITTLE PIPSQUEAK!

Tao: Why you!

KROW!

Lime smashed her leg in between his legs and smashed him on his crotch!

WE WINCED!

Me: OH MAN THAT HAD TO HURT!

Alexander Michaelson went after Borbonne and his goons, and he fired extremely powerful blasts of black and midnight blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and midnight blue dark flames, darkness, dark magic, black magic, Satanic Magic, wolves, phoenixes, and angels and they exploded with incredible power as they hit them, then, he attacked them with his massive drill spear and threw bombs at them that exploded.

Suddenly, Lincoln was surrounded by an immense golden yellow aura with sunlight and light and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る強力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and

formed into white wolves with glowing golden yellow markings and they ran at Borbonne and his goons and attacked them with fierce fury.

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Lincoln, Nico, and I attacked them with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, STAY DOWN!

Lincoln, Nico, and I did one final powerful energy slash that hit Borbonne and his goons hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Borbonne and his goons were on their last legs and they were really really mangled.

We powered down, but Borbonne and his goons were super pissed off!

Lincoln: You thought you can come right back to Chazke Village and try to get revenge on Lime, her grandfather, and Gohan just because they ruined you?! Give me a break, and don't think I forgot all about the shit you and your goons have pulled when Cell was terrorizing the world!

Lanaia: You're nothing but piles of garbage and shit who don't deserve to run free ever again especially since Lime is one of my younger brother's future wives!

Lori: Guys like you literally make me sick to no end!

Leni: You are totes repulsive and irredeemable!

Luna: I'm gonna enjoy making your ears bleed when I smash my cymbals in your face!

Luan: I'd want to make a pun about this, but after what you've done, you deserve to get beaten up!

Lynn: You're gonna be sore when we get done kicking your butt, buddy!

Lee, Lyra, Liberty, Eric, Han, and Landon Loud: Same with your buddies!

Shane, Shelby, and Shiloh Loud: We're gonna enjoy giving you a Loud House beatdown!

Lucy Loud: You do not deserve to have a proper funeral, not after all the crimes you have committed.

Harriet Loud: Your dark crimes have forever stained your souls, there shall be no forgiveness for any of you!

Lana: You're getting mud poured down your pants for this!

Lola: And you're also going to get burned badly!

Lisa: You ignoramuses do not deserve to live among us ever again.

Lily: I'm gonna enjoy smashing your skulls in!

Lynn Sr.: You are nothing but an irredeemable scumbag same with your goons!

Rita: I've met a lot of jerks and morons in Michigan, but you, you're a piece of work!

Lance Loud: I'm gonna enjoy putting you in a wheelchair for what you've done!

Sharon Loud: You're not getting out of this alive!

Samuel Loud: You rotten barnacle brains are getting skinned alive for this!

Albert Loud: Along with getting trounced big time!

Lachlan McLoud: (Scottish Accent) And I thought Aggie McLaughlin and Morag were the worst, but this...! This is unforgiveable!

Lucille Loud: (Scottish Accent) Aye, they don't deserve any forgiveness at all, brother!

Lindsay McLoud, Rhona McLoud, Lorna McLoud, Lexi McLoud, Lena McLoud, Leith McLoud, Lyall McLoud, Lucille McLoud, Lara McLoud, Lachina McLoud, Logan McLoud, and Lilias McLoud: (Scottish Accent) You deserve to go to Hell for everything you've done!

Mr. Borbonne: FUCK YOU! DAMN YOU ALL! I WILL DESTROY EVERY LAST ONE OF YOU FILTHY PEASANTS!

Lincoln: Peasants?! Did you just call us peasants?! You're saying we're dirt poor people who live on the streets and have to beg people for money?! IS THAT WHAT YOU'RE CALLING US!?

Me: UH OH!

Nico: He's setting him up for a Pesto Rant!

Mr. Borbonne: FUCK YOU, YOU OVERGROWN WOLF FREAK AND YOUR FUCKING WHORES!

WE GASPED! UH OH! BORBONNE CROSSED IT BIG TIME!

Me and Nico: YOU FUCKING DID IT THIS TIME, YOU ABSOLUTE ASSHOLE!

Gohan: Now, he's done it!

Loud Family: THAT'S IT!

THE LOUD HOUSE INSTRUMENTAL INTRO PLAYS

THE LOUD FAMILY LET OUT AN ANGRY SCREAM, AND THEY GOT PISSED OFF BIG TIME AND THEY RAN AT MR. BOROBONNE, HIS GOONS, AND GENERAL TAO WHO RAN FOR THEIR LIVES, BUT FOUND THEMSELVES BLOCKED BY A WALL OF EARTH LINCOLN FORMED, AND THEY TURNED AROUND TO SEE LINCOLN AND THE ENTIRE LOUD FAMILY LET OUT ANOTHER ANGRY LOLA LOUD STYLE SHRIEK AND THEY GOT INTO A HUGE FIGHT CLOUD AND STARTED BEATING THE SHIT OUT OF THEM!

BAP POW BLANG WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORNS! LION ROARS! SEAL BARKS! PIG SQUEALS! ELEPHANT TRUMPETS! SEAL BARKS! CAT YOWLS! HORSE WINNIES! COW MOOS! DOG BARKS! WOLF BARKS! BEAR ROARS! SHEEP BLEETS! GOAT BLEETS!

AOOGAH!

THEY WERE PULVERIZING THOSE ASSHOLES, AND IT WAS WAY WORSE THAN WHEN WE SAW THE KANKERS BEAT EACH OTHER UP!

When they were done, Mr. Borbonne and his goons along with General Tao had a bloody nose and tons of bruises and even claw marks on them!

Me: HOLY GUACAMOLE DRIZZLED IN HOT SAUCE!

Nico: OH MAN! HE PISSED OFF THE WRONG FAMILY!

Gohan: Pissing off The Louds, that was always going to end in disaster! I've seen the rumbles Lana and Lola get into, but this...!

Me: Back then, before and after I moved to Michigan, Lincoln told me he and his siblings always had arguments that always escalate into a full-blown physical fight, Gohan.

Goku: But, that was before we didn't know this was Dark Chase Young's doing along with finding out about the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan.

Me: Exactly, Master Goku.

Krillin: Well, they had it coming.

Trunks: Exactly.

Goten: Especially when he said those derogatory words to Lincoln and his harem, that's what I call crossing a line.

Valese: I still remembered what Dark Lynn said. Ugh, what a garbage mouth monster!

Bulla: She was absolutely disgusting! I still remembered when Lincoln took Lynn down hard when she beat me up during our training, and Dad and Mom saw the whole thing, including my brother.

Vegeta: Lynn had it coming because of that monster in her, and Lincoln. I definitely saw that as a lesson to never piss him off.

Then...!

KRACKOW! WRESTLING BELL DINGS!

LINCOLN KICKED BORBONNE AND HIS GOONS SO HARD IN THE CROTCH, HE DESTROYED THEIR REPRODUCTIVE SYSTEMS!

Then, Super Brother tied General Tao up and threw him into a portal Lincoln opened up that led to The M.O.E., and he and Lincoln threw Borbonne and the rest of his goons into a portal that led to The Uranus Prison where they were thrown into Maximum Security Solitary Confinement and put into separate doorless cells and chained to the walls with Neutronium chains lined with rainbow energy.

Nico: And that's that.

Me: Yep, now Chazke Village is safe.

Gohan: And this time, for good.

Lincoln: That'll teach him.

Suddenly, Lincoln had another vision, and he couldn't believe it: he found four more planets in The Forbidden Zone.

Lincoln: Whoa! Were those...?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Four more planets in The Forbidden Zone, the first is Coconutairiara, a paradise planet of coconuts in The Forbidden Zone that was inhabited by powerful warrior angels called The Coconutairiarans, the males were not only natural born fighters, but had powers over coconuts and the powers of paradise, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Coconutairiarans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Me: Ooh!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) The second is Tardra, a tar swamp planet in The Forbidden Zone that was inhabited by powerful warrior angels called The Tardrans, the males were not only natural born fighters, but had powers over tar, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Tardrans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Aylene: Whoa...!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) The third is Thunderbirdaira, a planet of powerful storms in The Forbidden Zone that was inhabited by powerful Thunderbird warrior angels called The Thunderbirdairans, the males were not only natural born fighters, but had immense powers over lightning, storms, and Thunderbirds, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Thunderbirdairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Lincoln: My kind of planet since I'd gotten my lightning powers from Hinon.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) And the fourth is Stinkycheesrairia, a planet of stinky cheese in The Forbidden Zone that was inhabited by powerful warrior angels called The Stinkycheesrairians, the males were not only natural born fighters, but had powers over stinky cheese, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Stinkycheesrairians, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and imprisoned inside a well where their souls remain imprisoned to this day.

Nico: P.U., a stinky cheese planet!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep, and no one would ever visit Stinkycheesrairia, because THE STINK IS SO OVERWHELMING THAT IT CAN MELT YOUR SKIN, MUSCLES AND ORGANS OFF AND LEAVE YOU AS A DEAD SKELETON

Me: OH! MY! GOD! YOU'D HAVE TO BE CRAZY TO GO TO THAT KIND OF PLANET! THAT'S BASICALLY (GULPS) DEATH A THOUSAND TIMES OVER!

EVERYONE SHRIEKED IN HORROR!

Lincoln: Big time. Guys, I'll be right back, I got four more Forbidden Zone planets to absorb.

Lincoln headed off to Planet Coconutairiara, the paradise planet of coconuts in The Forbidden Zone that was inhabited by The Coconutairiarans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Coconutairiara, it's really beautiful.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep, and this place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Coconutairiara and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a golden yellow gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of golden yellow souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Coconutairiara.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Coconutairiara then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, immense power over coconuts, the powers of paradise, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and white aura with coconuts surrounding him and the rainbow, white, golden yellow, and blue protective aura and holy white aura as well was like a raging fire as he pounded his chest like a gorilla and he felt even more wilder than ever.

Lincoln: Whoa, oh man, all of their immense superhuman strength, immense power over coconuts, the powers of paradise, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers along with their spirits and lives have merged with my body. (Flexes his massive muscles as his massive biceps bulged even more with veins forming) RRGH! I also feel even more wilder than ever!

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience, and wait until you get back home to go wild on them. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Coconutairiara, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Coconutairiara itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Coconutairiara's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Coconutairiara have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH!

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Coconutairiara have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience, and wait until you get back home to go wild on them. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Coconutairiara, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln headed off to Planet Tardra, the planet of tar in The Forbidden Zone that was inhabited by The Tardrans, but were defeated by The Infernairans eons ago and were imprisoned in a well where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Planet Tardra, it's really beautiful.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Yep, and this place used to be full of life, but now, it's silent as the grave.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Tardra and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a black gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of black souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Tardra.

Me: WHOA! WHAT THE?!

Nico: HOLY MOLY!

And when the girls in Lincoln's harem saw him, they had massive atomic red blushes on their faces, hearts in their eyes, their tongues had rolled out, their noses were gushing out blood, and they let out wolf whistles upon seeing just how much hotter and sexier their hulking wolf hunk of a future husband has become.

Girl Jordan: (Swooning) My God! As if Linky couldn't get more hotter and more handsome and sexier.

Lily the Mermaid: (Swooning) He just proved us wrong, now our hulking wolf hunk of a husband has become even more hotter, more handsome, and even more seductive and sexier than ever.

Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches.

Lincoln: Now, that was really awesome.

Lincoln reverted back to normal human size.

Lincoln: Too tall for me.

Nico: Now we know their power levels

Me: Yes we do.

Qin: Yeah.

Me: Yep.

Torkoal: We're going to cook them on the barby.

Nico: Nice job, Torkoal!

Torkoal: Thanks Nico. It was fun.

Poromon: Want some beer?

Torkoal: Oh no thanks, I only drink one kind of drink. I drink The Mississippi Queen!

Mordecai, Rigby, Benson, Skips, Muscle Man, High Five Ghost and the Park Crew Gasped.

Me: What's a Mississippi Queen?

Mordecai: It's the most powerful bloody mary ever made dude.

Benson: I had one at a party and it was potent.

Muscle Man: I've heard legends about that drink bro. You drink one of those and you feel like you woke up from a nasty Cocaine Overdose Induced Euphoria times 20.

Me: WHOA! Can you show me how to make it guys?

Benson: Sure.

Poromon: We'll try it too.

Me: Okay.

They did so. In a bunch of big Sangria glasses we mixed Kimchi, Pasta Sauce, Sashimi, Chuco, Soy Sauce, Clams, Shrimp, Mayo And Hot Chili Peppers.

It was a huge Glowing red drink.

Me: WHOA! So that's a Mississippi Queen!

Nico: (WHISTLES) Whoa it sure looks deadly.

Poromon: Will this get us drunk?

Mordecai: You'll find out what it's like. It's intense.

Poromon: Well bottoms up.

They drank it all down.

Me: Wow!

Poromon: Well?

Mordecai: Wait for it.

The mascots all begin to hallucinate in a montage set to the song "Mississippi Queen" by Mountain. First. The screen whites out as a staircase is formed. The mascots all walk down some stairs to the coffee shop. In there, Many more mascots bring them two giant peppers. Poromon pushes them aside and the girls help the mascots into a fictitious taxi. In there, they find the driver turn his head to the back seats to reveal a flaming red skull resembling Ghost Rider. Then the mascots left the taxi and they rush back to the park. All of them are now lying on the ground. One by one they come to.)

They were really stoned and had headaches that felt like they were being crushed by 2 planets.

Poromon: (Groans) Feels like rush hour in my lower intestines...

Manaphy: I don't think I've ever eaten so much food in my life.

Mordecai: Told you it was that potent.

Me: You guys okay?

They grumbled and belched!

Horsea looked at Maria.

Horsea: (Groans) My aching head.

Maria picked her up.

Horsea: (BELCHES INTENSE FLAMES INTO NICO'S FACE)

Qin: WHOA! That is one potent drink!

Benson: Yeah it sure was.

Nico: Ouch.

Me: Wow!

Muscle Man: You guys are really tough!

Roger Smith (American Dad): Too bad it wasn't really cocaine.

Me: Roger don't incur the wrath of the author.

Jamesdean5842: That's right bub. I'm watching you.

Nico: Eli, you, Chloe, and Smolder are next for bonding time

Eli: Awesome!

Twilight Sparkle: And we'll have our bonding sessions in the park during a picnic we'll have there.

Me: That's a great idea Twilight.

Camie: I agree.

Me: Me and Nico got to head to the store and get some stuff for Mr. Lynn. Also after that I got a new weapon I want to show you guys later on.

Xenia: We can't wait to see it.

Nico: Dust Man, what do you like to do in your free time?

Dust Man: Well I'm a junkyard robot. I destroy, burn and crush old cars and garbage.

Me: Wow!

Nicole: Just like in the game.

Xenia: Yep.

Dust Man: Pretty Much.

Lana: I would like doing that.

Mandy: I wouldn't. When I got turned into a fly I had to eat 15 metric tons of garbage.

Me: OH SICK!

Qin: YUCK!

Grim: (Jamaican Accent) Oh that was the most disgusting thing I've ever seen mon.

Lana: Cool! I would love to see that.

Mandy: Oh shut up.

Me: YUCK! Mandy I don't think I want to even see you eat all that garbage in the world of WALL-E.

Mandy: That would be for the best.

Me: Yeah no kidding.

Nico: Now for the Anothers.

Me: Yep.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, one of them is The Avatar of The Loop Clow Card. (Sensed five massive energy signals) WHOA! And I sense five massive energy signals! They're the Queen of The Coconotairiarans of Planet Coconutairiara, the Queen of The Tardrans of Planet Tardra, the Queen of The Thunderbirdairans of Planet Thunderbirdaira, the Queen of The Stinkycheesrairans of Planet Stinkycheesrairans, and the Princess of The Vampirairans of Planet Vampiraira.

Valeria Vampiraira: That's got to be my sister, Diana Vampiraira!

Me: WHOA! Wait, did they get turned into Anothers?!

Eli: No, they didn't!

Lincoln: I can guess which one it was that pulverized Swartz.

Nico: So, we're going to be meeting the four Queens of the planets you just absorbed, Lincoln, along with Laura's sister! Oh man!

Lincoln: Yep, you guys are in for one awesome encounter.

Me: Yep. So Dust Man, Sally Stomach, Kagura (Gintama), Cianna Malefic, Adara Nightshade, Gaia Gluttony and Jiahda Cerberus are up. Laney: Here guys.

She gave them antacid.

Poromon: Ahh! Thanks Laney!

Manaphy: That helps

Serena Stinkycheesraira: Good to see you Linky.

We were introduced to

Diana Vampiraira, Princess of The Vampirairans of Planet Vampiraira, she's Lincoln's Guardian Angel from the planet of

Vampiraira in The Forbidden Zone, a scary planet of blood and vampires and the younger sister of Valeria Vampiraira. She was the Princess of the Vampirairans of the planet of Vampiraira, and like Valeria, she's also far more powerful than her own people: in addition to being a natural born fighter, a skilled night hunter, and having immense power over blood, darkness, and have the powers of the vampires times infinity, and the ability to grow even stronger, but she was also born with angel wings, immense power over blood, blood rage, darkness, the powers of the vampires times infinity, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and there's a reason why no one would ever set foot there, not only is it a horror planet, but a Vampirairan's blood is also infinite-times more potent than a regular vampire's, and if you get bit by a Vampirairan, you remain a Vampirairan (DRAMATIC ECHOING VOICE) FOREVER! Originally, that's what everyone thought, but Valeria left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Diana Vampiraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over all forms of blood, blood rage, darkness, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over blood, blood rage, darkness, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Vampirairans, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. She showed a picture of it.

Talia Tardra: WHOA! That is intense!

Me: It was.

Nico: Yeah.

Me: By the way girls are the rest of the Anothers friendly or hostile?

Laura Loop: Good to see you Lincoln.

Nico: Care to introduce us?

Anna Anyanova: Sure. Morgan Move is a master of the powers of The Loop Clow Card and she's a powerful master of infinite loops, infinity, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Laura Loop came to Royal Woods where she met Lincoln, and she taught him how to master the powers of infinite loops, fire, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Loop Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of infinity, infinite loops, fire all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Loop Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her powers over infinite loops to keep them trapped in the moment of them trying to chase after Lincoln to kill him, only for them to run right into a massive gelatin Laura had place in front of them trapping them in a gelatin prison. Then, she dragged them back to The Loud House where Lori, Lynn, Lola, Lisa, and Luan got grounded, and they had to suffer the worst punishment from Laura Loop: Lori had her eyebrows shaved off, Lynn had her volleyball punctured, Lola had her dresses ripped to shreds, Lisa had her robots including Todd dismantled, and Luan had her props sold to charity except for Mr. Coconuts.

Me: WHOA! Brutal and powerful!

Kaito: (gets out Denziman gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever gear) Because we can grant it instead.

They got weapons from said teams.

Laura Loop: No because I spun him around fast and looped him doing so for 4 hours and we ran.

Sakura Knudson: That explains why he was so dizzy and he was hurling his guts out.

Me: OH SICK!

Qin: YUCK!

Lola: That would be silly.

Me: Also Nico how do you know Nikki?

Nico: Me and her went to fight club and we beat up a lot of bad kids in our club.

Poromon: Thanks!

Me: YEAH!

Nico: Nice job!

Arianna Giovanni: Thanks Nico. It was fun.

Me: It sure was.

Sally Stomach: What's your favorite memory of Nico?

Arianna Giovanni: When me and Nico went to my family's store in the mall and we tried on all kinds of amazing fashions that made us feel like royalty.

Nico: Arianna and her family are fashion designers.

Me: COOL! Rarity and you would be great together because she makes fashions too.

Qin: Her clothes are the envy of everyone.

Arianna Giovanni: I can see that. We definitely would get along great.

Rarity: Indeed we will.

We got a move-on, and we spotted our target: the clone of VritraMeramon who has The Dark Loop Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Loop Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Loop Card and he began sucking out all its looping powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Loop Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura,

Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Loop Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Loop Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of VritraMeramon.

The clone of VritraMeramon fired blasts of intense fire, but Lincoln absorbed the blasts and it made him stronger.

Lincoln: Nice try. Alright, let's get him.

Then, Lincoln bearhugged the clone of VritraMeramon, and he proceeded to absorb the clone of VritraMeramon into his body and assimilated VritraMeramon's intense fire powers that's as strong as 100 times as that of the Fire Dragon God, Vritra, from Hindu Myth and his power that's strong enough to burn an entire planet to ashes, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and

Then, when Lincoln was done, nothing was left of the clone of VritraMeramon and he also sucked out all the energy remaining in his soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles as fire exploded out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Loop Card and Lincoln absorbed the clone of VritraMeramon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Lavalval Dragon on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Lavalval Dragon on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Lavalval Dragon, and she has a fire greatsword, and with her are the six girls.

Lincoln: (GASPS) Alinta Vulcania, Avatar and Gene-Slammer of Lavalval Dragon.

Alinta Vulcania: That's right, and I got them away from the clone of VritraMeramon and The Dark Loop Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Loop Card when I sucked out its powers and absorbed the clone of VritraMeramon. (To Alinta

Vulcania) And it's so good to see you again, Alinta.

Alinta Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Alinta Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Alinta Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Alinta Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Alinta Vulcania's waist and hugged her, and Anala Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Anala Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 520'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Alinta Vulcania, Avatar and Gene-Slammer of Lavalval Dragon, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragon. She's The Volcanic Lava Dragon Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Alinta Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragon, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Dragon, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Alinta Vulcania hates Luan with a passion because of Luan's pranks led to her house getting flooded with expired whipped cream that attracted racoons and she and her family got attacked by them and they had to go to the hospital to get rabies shots. Alinta decided to burn Luan's props as payback and she even left a burn mark on Mr. Coconuts!

Nico: Lincoln told us of what you did when you burned Luan's props.

Luna: Luan went too far with that dirty stunt, those raccoons could've given them rabies!

Lincoln: That's for sure, we warned Luan too many times, but Dark Luan refused to listen, so she had it coming, and now that you're here, Alinta.

Lincoln with his massive muscular arms still wrapped around Alinta

Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Alinta Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Alinta Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Anala Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal

Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Alinta Vulcania.

Alinta Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Alinta Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Alinta Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Alinta Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Alinta Vulcania: (In Heaven) My God. Oh, Lincoln, you better tell the rest of the boys to run to their rooms. The six girls I rescued are...!

Travis Tackett and Red Savarin: Boys, to your rooms or you're gonna wind up on the floor with a few missing teeth!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the six girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Rebekah, Mathilde, Rebecca, Stella, Cosmica, and Bro Girl.

Lincoln: Oh whoa, it's Rebekah, Mathilde, Rebecca, Stella, Cosmica, and Bro Girl.

Nicole: Uh oh, no wonder Travis and Red told the guys to hide in their rooms, they're voluptuous, and each of them have a different story: Rebekah is a childhood friend of Lei, who for some reason is jealous of her, so you should definitely calm her down and stop her from being jealous of her friend, Mathilde's German, so she doesn't speak English, Rebecca hails from a fictional version of the US called Awerica, Stella hails from an unnamed fictional country where chickens are the national birds, and like Mathilde, she doesn't speak English, as her mother tongue is an amalgam of Scandinavian languages, Cosmica is Command Grab's best friend who like her, plays video games, and is a bit of a nerd, and Bro Girl as her name suggests, tends to say 'Bro' a lot, like Luna.

Lincoln: I'm gonna make sure I calm Rebekah down and stop her jealousy, and the girls easy targets for those who would want to hurt them, but not as long as I'm around. Are you girls okay?

Cosmica: Yes, we're okay thanks to you.

Rebekah: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Rebekah: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rebekah, Mathilde, Rebecca, Stella, Cosmica, and Bro Girl with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: Oh, that snake's gonna pay for what he's done before I send him into a neverending nightmare of eternal pain.

Suddenly, we saw a beautiful girl who was tall at 20'11" in height, she has the body of a goddess and large breasts, tanned skin, fangs, long black hair with grey wolf ears and grey wolf tail, yellow eyes, she was dressed in a black two-piece bikini, she has massive red and black angel wings, and she has a scythe in hand.

Lincoln: (GASPS) Nayla Nosferatu Nightmaraira, Queen of The Nightmarairans of Planet Nightmaraira.

Brittney: (GASPS) The Legendary Empress and Queen of Nightmares?!

Nico: And the last Nightmarairan. And Lincoln, you know her?

Lincoln: Indeed I do.

Anna Anyanova: And so do we, everyone, this is Nayla Nosferatu Nightmaraira, Queen of The Nightmarairans of Planet Nightmaraira, she's Lincoln's Guardian Angel from the planet of Nightmaraira in The Forbidden Zone, a scary planet of darkness and eternal nightmares. She was the Queen of the Nightmarairans who ruled the planet of Nightmaraira and she's also far more powerful than her own people: in addition to being a natural born fighter, a skilled night hunter, and having immense power over darkness and nightmares times infinity, and the ability to grow even stronger, but she was also born with angel wings, immense power over darkness, nightmares times infinity, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and there's a reason why no one would ever set foot there, this planet makes anyone's worst nightmares come to life! Originally, that's what everyone thought, but Nayla left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Nayla Nosferatu Nightmaraira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the powers over darkness, nightmares, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained omnipotent power and the powers over darkness, nightmares, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Nightmarairans, and he was already born with immortality and invincibility and his vampire powers grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome light greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to send all of them into a nightmare realm where their nightmares will never ever end with the power of Nightmaraira.

Nayla Nosferatu Nightmaraira: And I knew Lincoln absorbed the souls of the male Nightmarairans, our planet's core and planet itself, and our planet's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Nayla Nosferatu Nightmaraira: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Nayla Nosferatu Nightmaraira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nayla Nosferatu Nightmaraira with black gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Nayla Nosferatu Nightmaraira: That's my special gift to him: Nightmaraira's Blessing of Nightmare Justice, and each of the

Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 420'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Nayla Nosferatu Nightmaraira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Eroticairans both males and females were extremely wild when it came to sex and lovemaking, especially when a Blood Moon comes, and that's Werewolf Breeding Season!

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Loop Card of all its powers and absorbed the clone of VritraMeramon after we took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Alinta Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Alinta Vulcania: My God, I was right that Lincoln's really grown into a 520'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Alinta, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Alinta Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Alinta Vulcania: I knew it was only a matter of time before he told everyone that story.

Then, Lincoln got into The Simulator, and it activated, and he was in Japan in the world of Onimusha: Dawn of Dreams, and we saw it on the big screen.

Lincoln: Whoa, I'm here in Japan in the world of Onimusha: Dawn of Dreams.

Nicole: This takes place in 1596, fifteen years after Nobunaga's death in the previous game Demon Siege.

Lincoln: This means I have to face Fortinbras, The Genma God of Light.

Kai Narita: Be careful, Lincoln.

?: Don't worry, Kai, Lady Yodo, Akane, and Okuni, he's safe now that I'm here.

Suddenly, Lincoln saw a beautiful girl who was tall at 20'11" in height, she has the body of a goddess and large breasts, long brown hair with dark blue streaks and dark blue flower in her hair, tanned skin, blue eyes, she was dressed in a dark blue frilly short-sleeved shirt, dark blue skirt, dark blue stockings, black knee-high high-heeled boots with butterfly buckles, and she has a massive gold greatsword in hand.

Lincoln: (GASPS) Akane Yuki, Avatar of The Onimusha Franchise.

Nicole appeared.

Nicole: Oh man, I've heard of her.

Anna Anyanova: And we also know her, this is Akane Yuki, Avatar of The Onimusha Franchise, she's Lincoln's Guardian Angel from Japan and a very powerful angel with all the powers and abilities of The Oni and The Oni Warriors from Onimusha, she was born with blue angel wings, immense superhuman strength, superhuman speed, superhuman durability, superhuman endurance, Oni Magics, immense powers of Fire, Ice, Wind, Earth, Dark, and Light, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers and abilities of The Oni and The Oni Warriors from Onimusha. She's also the powerful descendant of Hideyasu Yuki known as Soki, The Oni of The Ash and The Oni God of Darkness from Onimusha: Dawn of Dreams, and she knew of his efforts in stopping the Genma and the human warriors including Nobunaga, along with the Genma God of Light, Fortinbras. Her ancestor defeated Fortinbras in a final battle that led to him sacrificing himself to do just that, but Fortinbras would be reborn one day and get his revenge on the bloodline of the Oni for ruining his plans to dominate the world, but when Akane was born, there was an ancient prophecy that was spoken, and it said that one day, the descendant of The Oni of Darkness and The Reincarnation of Amaterasu would slay The God of The Genma and wipe him out for good, but unlike with Dark Chase Young, Fortinbras was rather arrogant and he didn't bother to take action, but he would regret his arrogance with his life. Akane Yuki moved to Michigan where she met Lincoln, and she taught him how to master the powers of immense superhuman strength, superhuman speed, superhuman durability, superhuman endurance, Oni Magics, immense powers of Fire, Ice, Wind, Earth, Dark, and Light, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers and abilities of The Oni and The Oni Warriors from Onimusha, and over time, Lincoln gained even more incredible immense superhuman strength, superhuman speed, superhuman durability, superhuman endurance, Oni Magics, immense powers of Fire, Ice, Wind, Earth, Dark, and Light, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and all the powers and abilities of The Oni and The Oni Warriors from Onimusha, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she kept all of Lincoln's enemies in check, and made it clear if they tried anything stupid, they would regret their actions deeply.

Me: An arrogant demon god, that's the worst kind of villain there is.

Nicole: So, we need to meet up with Hideyasu and end Fortinbras for good.

Lincoln: Right.

They got a move on and they met up with Hideyasu Yuki who's known as Soki, The Oni of The Ash, along with Ohatsu, Roberto Frois, Tenkai Nankobo A.K.A. Samanosuke Akechi, Arin or Ako, and Minokichi, and they managed to destroy The Genma Trees. Then, Lincoln showed Soki that Lady Yodo, Akane Yagyu, Okuni, and Kai Narita had joined his harem and he has been a true gentleman to them and that he's also The Reincarnation of Amaterasu.

Soki: Now, I know why I sensed such incredible power from you. Now, we need to find Hideyoshi and fast.

Lincoln: (Sensed trouble) I don't think it's going to be easy, Soki. You better get out here right now, Munenori Yagyu.

Then, Munenori Yagyu came out.

Munenori Yagyu: You're not stopping the resurrection of Fortinbras. The Omen Star will arrive and all of mankind will be destroyed!

Then, Munenori Yagyu removed his eyepatch and he finally turned into his true demon form.

Lincoln: You twisted psychopath, you are nothing more than a disgrace to The Yagyu Clan, your father, Jūbei Yagyū, was one of the Oni Warriors who fought against Nobunaga, and the same went with your entire clan. But, you, you betrayed your own family and sided with the Genma for power, and I know you're planning on killing Fortinbras to rule the world yourself.

Lincoln: I am not letting a psychopathic monster like you run free any longer, today, this is where you meet your end!

Munenori charged at Lincoln who blocked his attacks, and he slashed Munenori in the stomach and he slashed him all over the place, and...!

SHEEN!

Lincoln ran his massive greatsword right through Munenori's black heart.

Lincoln: Now, may you be reduced to ashes!

Suddenly, the 520'11" massive, wide, double-edged hulking gold blade of Lincoln's massive greatsword was covered in extremely hot flames, and they incinerated Munenori to ashes and he was sent to The Black Abyss.

Lincoln holstered his massive greatsword on his back.

Akane Yuki: Incredible...! Lincoln's grown that much stronger since last we met.

Nicole: Now, we need to take care of The Genma Triumvirate: Ophelia, Claudius, and Rosencrantz.

Lincoln: And after that, we head for Fushimi Castle, that's where The Omen Star will appear.

They got a move on, and they took down Claudius and Rosencrantz who were possessing the bodies of Mitsunari Ishida and Luís Fróis from Onimusha when Lincoln used a spell that removed the demons from their bodies and he'd slain them and sent them to The Black Abyss and they also destroyed The Dark Stones.

Then, they headed for Fushimi Castle: the base of Hideyoshi, and they found out The Genma Seed is in Hideyoshi's body and he intends to be the vessel for his resurrection. But, they defeated him, and then, Ophelia appeared and Hideyoshi learned that he was only a pawn for the Gemna as Ophelia ripped the Genma Seed out of him before he was briefly consumed by the Mother Genma Tree, but Yodo who was still alive killed Ophelia and Lincoln, Soki, Nicole, Akane Yuki, and the others battled her.

Then, Soki used Requiem to restore Yodo to human form, and Hideyoshi full of remorse for all of the atrocities he committed reconciles with Soki before he dies.

Lincoln: Rest in peace, Hideyoshi.

Suddenly, they notice something outside of the castle and they rush out, and we saw The Genma Seed levitating as The Omen Star arrives, and then, The Genma Seed activates, and Fortinbras had been resurrected.

Akane Yuki: It's Fortinbras.

Tenkai: There's only one thing that can help.

Tenkai gave Hideyasu the Oni Gauntlet which holds the sealed power of Nobunaga within, hoping that adding that to Soki's own power could make him strong enough to contend with the god. As Soki puts on the Gauntlet, Tenkai begins giving his own power to it and encourages the others to do the same, and they all agree.

The sudden gathering of power was enough for Soki to trigger a transformation of his own, causing him to unlock his full power and become the fully reincarnated Oni God of Darkness.

Lincoln and Soki along with Nicole and Akane Yuki went after Fortinbras and they fired powerful waves of energy and elements at him, along with slashing at him with their swords. But, then, Fortinbras changed into his true form: a man dressed in white slowly descending from the Star. Soki and Lincoln slashed at him with incredible power and speed, and Lincoln stabbed Fortinbras right in the chest and he sucked out Fortinbras' godly powers and vast demonic powers and made them his own and Lincoln's massive greatsword fired a massive rainbow energy wave that engulfed The Omen Star and destroyed it forever and Fortinbras was sent to The Black Abyss forever.

Lincoln holstered his massive greatsword and powered down and Soki reverted back to normal.

Soki: It's over at long last. Fortinbras is dead and The Omen Star is destroyed forever.

Akane Yuki: Yes, it is, ancestor.

Lincoln, Nicole, and Akane Yuki exited The Simulator, and we also welcomed Soki, Ohatsu, Roberto Frois, Tenkai Nankobo A.K.A. Samanosuke Akechi, Arin or Ako, and Minokichi to the team, and they were also reunited with Lady Yodo, Akane Yagyu, Okuni, and Kai Narita.

Akane Yuki: It's finally done, Fortinbras is dead and gone for good.

Lincoln: The Genma are also gone as well, but some of them will be sent to Vypra, at least some of them have honor.

Nicole: True.

Akane Yuki: Vypra's going to keep an eye on them at least. Oh, and here, these are for you, Lincoln.

Akane Yuki got out The Sacred Beast Rings: The Phoenix Ring, The Tortoise Ring, The Tiger Ring, The Dragon Ring, The Unicorn Ring, and Enma's Ring, along with The Rosaries of Health, Magic, Heart, and Spirit, The Flame Ring, The Earth Ring, The Wind Ring, The Ice Ring, The Light Ring, and The Dark Ring.

Nicole: The Sacred Beast Rings: The Phoenix Ring imbued with the power of The Red Phoenix and the eternal flames, The Tortoise Ring imbued with the power of The Black Tortoise and the strength and fury of the earth, The Tiger Ring imbued with the power of The White Tiger and the force of the wind, The Dragon Ring imbued with the power of The Blue Dragon and the chill of ice, The Unicorn Ring imbued with the power of The Unicorn and the purity of light, and Enma's Ring imbued with the power of Enma and the power of darkness.

Lincoln: And The Rosaries of Health, Magic, Heart, and Spirit, and The Flame Ring, The Earth Ring, The Wind Ring, The Ice Ring, The Light Ring, and The Dark Ring. You were pretty busy with your travels, Akane.

Akane Yuki: I was.

The Phoenix Ring, The Tortoise Ring, The Tiger Ring, The Dragon Ring, The Unicorn Ring, and Enma's Ring, The Flame Ring, The Earth Ring, The Wind Ring, The Ice Ring, The Light Ring, and The Dark Ring merged with Lincoln's Ring of The Phoenix, Lantern Rings, and Rainbow Thunderbird wedding ring, and now, they have The Phoenix, The Tortoise, The Tiger, The Dragon, The Unicorn, and Skull of Enma around them, and The Rosaries of Health, Magic, Heart, and Spirit merged with his Elemental Thunderbird Necklace of Eternal Love as the rainbow gems embedded in the gold lightning bolt shaped links, the rainbow crystals of his Crystal Necklace of The Buddha, and the jade beads of his Jade Necklace of Shangdi glowed.

Lincoln: Wow, now I feel even more powerful than ever.

We got a shower, and then, Lincoln, Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro are heading to Miho Beach in Shizouka, Japan, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 520'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all. Plus, Lincoln removed Oboro's Dark Side and sent it to The Black Abyss after Vypra called him about it along with the emergency of Simone De Bastien, the vampire whom Martin, Diana, and Java had dealt with, and Lincoln bit her in the jugular and sucked out her soul stealing power and replaced it with a hunger for blood, and Oboro and Simone De Bastien are now in The M.O.E.

Lindsay: Wow, we're here in Miho Beach, it's so beautiful.

Lincoln: You said it, Lindsay, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clones of Cy-5000, King James Revenge, Zenidragora, and RPM FREEDOM ARK.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clones of Cy-5000, King James Revenge, Zenidragora, and RPM FREEDOM ARK.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and they opened up into massive suckers and he latched them onto the clones of Cy-5000, King James Revenge, Zenidragora, and RPM FREEDOM ARK, and he began absorbing them as he sucked them into his body and assimilated Cy-5000's numerous weapons and gadgets, T-800, T-1000, T-X, and T-Infinity physiology, powerful wings, and technology salvaged from Skynet reprogrammed only to him, King James Revenge's lasers, missiles, torpedoes, bombs, massive arsenal, and the full arsenal of a thousand battleships, Zenidragora's laser blasts, fusion cannons, missiles, machine guns, and more, and RPM FREEDOM ARK's massive arsenal of weapons and more, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clones' soul and the clones faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Miho Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with fifteen white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro are in your harem, Linky.

Layla, Klee, Trish, Manon, Red, Lindsay, Maki, Sophia, Izzy, Clara, Jem, Sayaka Izumi, Vanilla, Aoi Kanzaki, and Oboro showed the marks Lincoln made on the right side of her trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clones of Cy-5000, King James Revenge, Zenidragora, and RPM FREEDOM ARK' and more came after us.

WE GASPED!

Nico: The hypothetical Akuma of Tecna?! That little...!

Lincoln: Don't worry, I used my Cell stingers and sucked them into my body, and I absorbed them assimilated Cy-5000's numerous weapons and gadgets, T-800, T-1000, T-X, and T-Infinity physiology, powerful wings, and technology salvaged from Skynet reprogrammed only to him, King James Revenge's lasers, missiles, torpedoes, bombs, massive arsenal, and the full arsenal of a thousand battleships, Zenidragora's laser blasts, fusion cannons, missiles, machine guns, and more, and RPM FREEDOM ARK's massive arsenal of weapons and more. Then, I sucked out every bit of energy from their soul and the clones faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter

Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: Rice, Maxxine, Sweet Leaf, Tree Hugger, Tree Rex, High Five, Stink Bomb, Stealth Elf, Wood Man and Hornet Man are up and we're going after Cuckoo Clocker next.

Qin: COOL!

Xenia: Nice!

Nico: You'll like where we're going for this one.

We went into the Simulator and it activated and we were in Bambi's Forest!

Me: WHOA! Bambi's Forest.

Xenia: Wow!

Rice: It's so peaceful.

Me: Now that Bambi's forest is under our protection, no hunters will ever come here ever again.

Qin: Thank goodness.

Xenia: Yep.

Sweet Leaf: Thank goodness.

Me: And while we're here there is something I need to do here.

Maxxine: Which is?

Me: This. (SNAPS FINGERS)

Then flowers bloomed all over and then a big flower formed and it bloomed and out came BAMBI'S MOTHER! Back to life!

Bambi: (GASP) Mother!

Bambi's mom: Hello my son.

Bambi: MOTHER!

He went and nuzzled her and she and Bambi we're happy to be back together.

Bambi's mom: Thank you so much for looking out for my son.

Sora: It was our pleasure.

Me: And no hunters are ever coming here ever again.

Fluttershy: And I like coming to enjoy the animal friends here.

She had birds of all kinds with her.

Rice: In case you're wondering, we'll go monster when it's time to fight. Right now, we're enjoying the scenery

Me: It sure is beautiful.

Qin: I agree.

Bambi's mom: I am glad my son was safe with you all.

Xenia: We are too.

Me: Also I hope we don't run into that jerk Ronno.

Ymir: I can't believe Ronno is that jealous of Bambi.

Bambi's mom: I know. Ronno always was jealous of my son.

Qin: No kidding.

Camie: He needs to stop being jealous of Bambi or there is going to be some serious problems.

Nico: I agree there.

Maxxine sighed happily and took a nap.

Maxxine: (Snoring)

Me: It's so beautiful here too.

Fluttershy was talking to the birds and the animals.

Thumper: Ronno has caused a lot of problems for Bambi since he was little.

Me: Don't remind us. Also I've been wanting to do this.

I pulled out my violin and started playing. I was playing I Bring You A Song.

I was humming as I played.

Rice took a nap too.

Flower petals rained down and and covered Rice and Maxxine.

Butterflies flew and landed on Fluttershy and us.

Qin: So pretty and peaceful.

Lincoln: Ahh it sure is.

Nico: I know.

Bambi's mom: It sure is. I'm just glad to be reunited with my son.

Me: We are too. And the best part is that no hunters will ever come near this place again. You can now live in peace here.

Bambi's mom: I agree there.

Nico: Especially not from people like Clayton

Me: Clayton is more of a jungle hunter. Not a forest hunter.

Nico: Good point.

Qin: But we'll be ready for him too.

Fluttershy: We will.

Rice and Maxxine: (Snoring)

Nico: So cute.

Then we heard the sounds of crows cawing.

Me: Uh oh.

Qin: That's not good.

Great Prince: We got company.

Me: Targets approaching at 10:00!

We saw CUCKOO CLOCKER and a new one! It was BARON VON SMASHBEAK!

Nicole: Baron Von Smashbeak too!? Oh man! 2 Versions for the price of one!

Maxxine and Rice woke up.

Rice: Whoa! Perfect timing!

Cuckoo Clocker: SMASH!

Me: Lets dance!

Tree Rex: BE AFRAID OF THE BARK!

Stink Bomb: (NINJA WHISTLE) CLEAR THE AIR!

High Five: BUZZ OFF!

Stealth Elf: SILENT BUT DEADLY!

We were ready!

Rice and Maxxine concentrated And their eyes changed and they transformed into Razorfist and Queen Nail!

THEY ROARED!

Me: Lets smash!

We fired waves of energy and blasted them both.

Razorfist slashed them both.

Queen Nail stung them all over!

Sweet Leaf and Tree Hugger fired waves of leaves and grass and blasted them.

Queen Nail: Have some of this!

She fired energy beams and blasted them both.

Me: YEAH! Lets finish this!

Rice, Maxxine, Sweet Leaf, Tree Hugger, Tree Rex, High Five, Stink Bomb, Stealth Elf, Wood Man and Hornet Man: LIFE FORCE BLASTWAVE!

They fired a massive blast of energy and leaves and blasted them and they were down!

CUCKOO CLOCKER AND BARON VON SMASHBEAK DEFEATED!

Fluttershy: Now the fun.

She held up 2 green traps and green vortexes appeared!

Cuckoo Clocker: Guess it's bye BYE BIRDIIIIIIIIIIE!"

They got sucked into the traps and were locked inside them!

Cuckoo Clocker: "Hey! I'm in some kind of cage! Well, might as well start singing then. starts singing off-key"

Me: Okay that was terrible!

CUCKOO CLOCKER AND BARON VON SMASHBEAK TRAPPED!

Fluttershy: Now you have to be good guys now. Says the princess of Life.

Cuckoo Clocker: "Me? A good guy?! Now that's even more CUCKOO!"

Nico: You need singing lessons!

Me: Big time!

Bambi's mom: I agree. But I am glad to be back.

Me: We are too.

We left the simulator.

In the park everyone was relaxing and having a fun time.

Twilight Sparkle: Boy this is so fun.

Eli: It sure is.

Qin: I agree there.

Sunset Shimmer: This sure is fun.

Rarity: Indeed it is darlings.

Fluttershy: I think it's fun too.

Everyone was relaxing and having fun.

Rainbow Dash: Wait I see something.

Pinkie Pie: What? All I see is clouds.

Starlight Glimmer: Wait it's coming at us.

Eli: IT'S A METEOR! DIVE ASIDE!

IT WAS A HUGE BLACK AND BLUE METEOR AND THEY DOVE ASIDE AND THEN...

MASSIVE AND HUGE SPLASH!

IT CRASHED INTO THE PARK LAKE AND A HUGE WAVE OF WATER BURSTED OUT AND SPLASHED EVERYTHING AND EVERYONE!

Me and Nico saw the water as we were walking back!

Nico: WHOA!

Me: DID YOU SEE THAT!?

Nico: What was that!?

Me: Lets go look!

We went to check it out and sealed the bags into scrolls!

When we got there everyone was all wet and soaked!

Me: WHOA MAN! Are you guys all okay?

Smolder: We're fine. Just all wet.

Twilight Sparkle: Is everyone okay?

They nodded.

Rarity: Oh my I am all wet!

Eli: Look!

We saw a HUGE METEOR in the lake!

Me: WHOA! What a huge rock!

Nico: That is a big meteor!

Jen: Don't get too close!

We went over to it.

Applejack: Man that rock appeared and got us all wet!

Me: At least it didn't explode and leave a huge crater.

Shanan: True.

We used our powers and brought it over.

Laney: That is a huge meteor.

Tara: Not nearly as big as the one that hit Dallas.

Smolder: Daichi, remember when we met you?

Daichi: I sure do. That was awesome.

Eli: It sure was.

I looked at the meteor and touched it.

ZAAPP!

Me: Whoa! Has a little static charge to it.

But then it cracked and then split open!

POP!

It revealed that it was hollow and inside was what appeared to be strange different colored fruits!

Me: Whoa! It looks like it's full of fruit!

Superman: We don't know what it is

Nico: I've never seen fruit like this before.

Xenia: Weird.

Sharko: I'm getting a strong sense of Deja-vu here.

Marina: Me too.

Shanan gasped!

Shanan: I know this kind of fruit! These are Jabuticaban Elementalbender Fruits. They came from the distant planet of Jabuticaba and once eaten they will give incredibly intense bending powers over all the elemental forces.

WE GASPED!

Me: WHOA! These fruits are Elemental Fruits!

Qin: WHOA!

Aang: Wait these fruits grant bending powers? That is really unusual.

Me: I didn't know these fruits even existed.

Nami: That's like the Devil Fruits we have on the world we're from.

Nico Robin: The fruits that gave many of us our powers.

Qin: That is strange and coincidental.

Chloe Bolton: We helped fight your enemies.

Daichi: You sure did and that was so awesome!

Eli: It sure was.

Me: So who wants to taste one?

Twilight Sparkle: I'll go first.

Me: Okay.

Lincoln: Careful Twilight.

She went over and picked up one and then...

CHOMP!

She took a bite out of it.

Twilight Sparkle: Mmm! Tastes like grape soda mixed with root beer.

Me: Really? Wow!

Miyuki Suzuka: That is amazing.

Twilight and friends all tried the fruits.

Shanan: When you eat these their powers are permanent.

Me: Whoa!

Aang: We'll have to teach you girls how to bend those elements.

Me: What kinds of bending are there in them?

Shanan: There's Magic, Fire, Earth, Water, Wind, Life, Metal, Undead, Light, Darkness, Blood, Lava, Lightning and many others.

WE GASPED!

Me: WHOA!

Katara: Many Bending styles and powers we are not completely familiar with at all.

Nico: Yeah!

Kickback: Are there any left?

Me: Plenty.

We all ate them.

I ate a fruit that had stars in it.

Me: Mmm. Wow tastes like Blue Raspberry with Vanilla Cream.

Kickback: Too bad we can't eat fruits like these.

Me: I know.

We finished them.

But then we suddenly felt MASSIVE SURGES OF POWER!

Me: WHOA!

Qin: That was intense!

Me: Hmm...

I waved my hand and saw stars swirling around it!

Me: WHOA! Starbending! Wow!

I did some moves and fired waves of stars and blew a bunch of trees into dust!

Me: WOW! That is intense!

Aang: Wow! This is completely amazing!

Sokka: I'll say!

Fluttershy did some moves and punched the ground and NUMEROUS TREES grew with fruit on them!

Fluttershy: Naturebending! Wow!

Me: That is so awesome!

Qin: It sure is! But what happened to the planet Jabuticaba?

Shanan: Unfortunately it was destroyed when its parent star in the Cartwheel Galaxy went nova.

Me: Drat!

Shanan: I know. So these must've been sent to us thousands of years ago and ended up here later on.

Me: Wow!

Eli: And I settled the score with Davy Jones.

Smolder: That was fun.

Chloe Bolton: Yeah!

Daichi: Yeah that was cool.

Cliffjumper: We all know the crime he did

Eli: Kill Athena.

Qin:And Ursula paid him to do so.

Eli: Yep.

Xenia: At least we're rid of them both.

Nico: Let's take these back to the lab

Me: Good idea.

We had some leftover for use in the lab.

Then we heard a roar.

Laney: Huh? What was that?

Qin: LOOK!

We saw in the sky, a MEGA RAYQUAZA!

Camie: WHOA!

Me: Mega Rayquaza!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Stacy Storious: Maybe it is.

She used telepathy and gasped!

Stacy Storious: It's Kiara Akamichi!

Me: WHOA!

Stacy Storious: Yeah and she is a powerful force of the weather.

Me: Lets go help her.

We went up to her.

Stacy Storious: Kiara calm down! It's me Stacy.

She used Dragon Ascent and went at us at incredible speed!

I formed a Star barrier and blocked it and then she collided with it and it exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

Me: WHOA!

She was knocked down!

Stacy Storious: Holy mackerel! Those fruits really are incredible!

Me: I'll say!

I snapped my fingers and she reverted back and was a girl with green hair and green eyes and green wings and had the Kamen Rider Kenzan symbol in a green sun on her forehead and arm.

We wrapped her in a blanket and brought her over.

Me: Whoa that was intense!

She woke up.

Kiara Akamichi: (Groans) I feel like I got hit by a shooting star.

Me: (Whistles innocently)

Kiara Akamichi: Stacy!

Stacy Storious: Hey Kiara. Glad you're okay.

Me: We all are. Also you were turned into a Mega Rayquaza by Dake Gale.

Kiara Akamichi: Oh man! I was battling Bahato and I made sure he didn't get the Book of Ruin.

WE GASPED!

Me: I remember that! Bahato was after a book that had the intense power to destroy worlds.

Touma: That was intense!

Kiara Akamichi: I had no choice but to destroy that monster book forever.

Me: Well it's good you did. That book is the polar opposite of the Almighty Book.

Megan: Oh man.

Nico: Yep.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes and a green crystal sword.

Kiara Akamichi: I look amazing.

Me: You sure do.

Odele put on her jumpsuit.

It was a golden yellow one.

Odele Odwalla: There. Ready.

We returned home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Sorry you guys had a nasty bonding session.

Twilight Sparkle: We had an amazing time actually!

Smolder: We sure did.

Twilight showed stars that made the constellations.

Twilight Sparkle: And we got some new powers from it.

Me: We sure did.

Sharko: Coincidentally a meteor crashed into a container ship and fruits like those appeared.

Lana: I remember that! That was awesome!

Lola: It sure was! And funny too.

Lego Luthor contacted us.

Lego Luthor: Hello, everyone. Sorry if the last mission wasn't really satisfying.

Me: No worries Lex.

Snaptrap: Well, we still had fun regardless. And there were no dark moments.

Lego Luthor: In any case, this next one might be more enjoyable. You'll need to head to the Gotham Museum to break Black Adam out of his sarcophagus. Joker, Harley, Sinestro, Clayface, Metallo, and Riddler will meet you there.

Me: Whoa man! I have a feeling we're going to face someone powerful there.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Lego Superwoman, and she's causing havoc in the Gotham Museum. When we saw it, we knew it meant trouble.

Lincoln, Me, and Nico: Aha, here comes our next target.

Eli: Another member of The Crime Syndicate.

Lincoln: Yep.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Lego Superwoman, and she's causing havoc in the Gotham Museum.

EVERYONE GASPED!

She-Hulk: Oh boy, looks like we got trouble on the Gotham Museum. Lincoln, I hope you have another plan for this because all of us want to beat the living daylights out of her.

Me: I thought we were going to Krypton to face her. But that works.

Lincoln: Don't worry, Ms. Walters, I do. But, I'll tell you guys once we get to The Gotham Museum. But, it's gonna be an awesome one.

Nico: This I got to see. Alright, then, let's get going. Time to head out to the Gotham Museum and bring her down.

Lincoln: We haven't exactly faced Prime Universe Superwoman before, but it'll be a good warm-up for when we do face him in a future date.

Me: I agree.

The previous group came.

Kaos: We saw a meteor crash into the park. Are you guys okay?

Me: We're fine. No one got hurt thank goodness.

Twilight Sparkle: But we got some enw powers from it.

We explained everything and it was shocking!

El Oso: (Spanish Accent) AYE CARAMBA! That is amazing!

Kaos: WOW!

Tchang Zu: Can me, Kaos, El Oso, Vreedle Brothers, Duff Killigan, Carmen Dillo, INSTIGATOR, Metal Sonic, Leap Frog and Gramma Stuffum go with you guys?

Rhomboid: I hope we get to blow stuff up!

Me: Oh don't worry there will be plenty of stuff to blow up!

Nico: And yes you all can come with us.

Laney: We're going to see what we can do with our newly acquired powers.

Me: We have the fruits in the lab for analysis.

Sonic: Yep.

Tchang Zu: We'll have to have you guys learn how to use those new powers.

Me: I know.

Sonata: Nico, which Gene Slammer do you think you'll meet next?

Nico: Akroma the Angel of Wrath next.

Me: WHOA! One of the most popular angels of MTG.

Qin: Yep.

Xenia: Awesome!

Me: When we get to the museum I got something cool to show you guys.

Nico: Okay.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Lord of the Fire, the hidden antagonist in the second season of the cartoon series The Story of the Stones, and he's coming to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: Oh man! Was that?!

Lincoln: The Lord of the Fire, the hidden antagonist in the second season of the cartoon series The Story of the Stones, and he's coming to destroy us.

Malorie Kyutora: Uh oh, looks like we need to take him down.

Lincoln: Then, I absorb him and assimilate all his godly powers and abilities.

Nico: You said a mouthful. Alright, team, let's go, it's time to head to Krypton.

Lincoln: This is going to be one intense battle we're going to face with her, and once we get done with her, you're next, Lord of The Fire.

Malorie Kyutora: You made a huge mistake coming for us, Lord of The Fire, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to the Lego World Version of the Gotham Museum to take down Lego Superwoman, and once we're done with him, Malorie Kyutora and Lincoln are going to destroy Lord of The Fire and send him to The Black Abyss after Lincoln absorbs him.

We were off to the Gotham Museum in the Lego World.

We arrived.

Kaos: Let's call Trumbipular and Saint Walker

Saint Walker: I'm actually right here brother Kaos.

Kaos: Oh okay then.

Me: But good idea.

We did so.

Trumbipular: TRUMBIPULAR is ready! Got any peanuts?

Me: Here you go.

I gave him a bag of peanuts.

Trumbipular: Thank you.

Me: I wasn't hungry for them anyway.

We went in to the museum.

Me: Shh.

Lego Joker: Glad you guys could make it!

Lego Sinestro: I still don't see why we have to sneak around.

Lego Harley Quinn: If we set off the alarms, the building will lock down and those Crime Syndicate creeps might show up.

Lego Sinestro: Pah! I, Sinestro, fear nothing. Except maybe long silences.

Search Man: Is there a name for that kind of fear?

Me: I don't know.

Laney: I found the alarm system.

She pressed a code on it and disabled it.

Me: Good thinking Laney.

Nico: Yeah. Okay J.D. what do you have made?

Me: Me and Lisa made this earlier after doing some research on how different color stars affect Kryptonians.

I pulled out a ray gun and it had a star container on it.

Me: This is the Solar Spectrum Helioelectron Ray. It fires a concentrated beam of solor energy depending on the color of star it's selected to. Red, Orange, Yellow, White, Blue, Dark Blue and Purple.

Nico: Wait purple? There's no such thing as a purple sun?

Superman: Actually there is. But it's really rare.

Me: Yep and we found out that Kryptonian Powers are charged up and weakened to a degree depending on the color of the sun.

Nico: Wow! So red sun takes away their powers. And Yellow sun gives them their powers. What about the others?

Me: Orange suns give them 50% of their powers. White or blue suns and Dark Blue Suns supercharge their powers 100 to 1,000-fold!

Nico: WHOA!

Me: Yeah. Purple suns make their powers omnipotent and have power over reality and creation only for a few seconds.

Nico: That is unusual.

Qin: I had no idea.

Me: We'll test this out here.

We saw a security guard and he was sleeping.

Me: Aww he's sleeping.

Lego Sinestro: Ha! That unsuspecting fool of a security guard doesn't know what fate awaits him.

Octagon: Hold up. How about letting Nico handle this?

Nico went over to him.

Guard: (Snoring)

Nico woke him u.

Nico: (to the guard) Hey, buddy. You've been working hard today. Take the rest of the day off.

Guard: (Mumble) Thank you Nico.

We teleported him to his house.

Me: He has been working too hard.

Lego Joker: We have the whole museum to ourselves!

Hornet Man: We sure do.

Me: Yep.

Laney: Hey guys look a this!

We went to Laney.

Me: What is it?

Laney: Look at this!

We saw a Staff in a case.

Me: WHOA! This staff is new.

Anna Anyanova: (GASP) Oh my gosh it's the Staff of Arceus!

Dawn: WHOA!

Anna Anyanova: This staff belongs to one of our fellow guardian Angels, Dahlia Arceus Ketchum, Avatar of All Pokemon, she's Lincoln's Guardian Angel from The Kanto Region and she's The Avatar of The World of Pokemon and a master of all the powers of all the Pokemon in the world, and she's also known as The Avatar of the Mighty Arceus, The God of All Pokemon and she has all the powers of all the mighty Legendary Pokemon from all the Regions in the world. She's so powerful that no Legendary Pokemon can match her, and she's also the wielder of The Staff of Arceus, and it has the power to bring forth life of all kinds and beyond. She's also the older sister of Ash Ketchum and she's the most powerful and strongest ever Pokemon Master of all. She also has all the powers of the elements, also. she got word of all her little brother's accomplishments in the world of Pokemon and more and she was so happy and proud of her brother and full of pride and love for him. She was also happy to hear that he and Serena got engaged, and she hasn't seen her mother, Delia, in a long time. Dahlia Arceus Ketchum came to Royal Woods where she met Lincoln, and she protected Lincoln from all threats including Scoots and more, and she also trained him in mastering all the powers of all the Pokemon in the world, all the powers of all the mighty Legendary Pokemon from all the Regions of the world, the powers of the Mighty Arceus, and all the powers of the elements, and over time, and over time, Lincoln gained all the powers of all the Pokemon in the world, all the powers of all the mighty Legendary Pokemon from all the Regions of the world, the powers of the Mighty Arceus, and all the powers of the elements, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting. Lincoln made her a beautiful rainbow ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a passion, and if they tried to murder Lincoln, she would unleash Arceus' fury on them and make them pay!

WE GASPED IN SHOCK!

Qin: I wonder how it got here.

Nico: That is unusual!

Ash Ketchum: My sister is a Guardian Angel!? Whoa!

Lincoln: It sure is cool.

Me: Team Galactic might have taken this.

Nico: Good hunch.

Me: We'll have to give this back to her when we see her.

Nico: Good idea.

We took the staff.

Me: There. We'll hold on to this till we meet her.

Lincoln: Okay.

Lincoln: Okay, before we go after Lego Superwoman, here's my attack plan on her.

Lincoln pulls up a hologram of The Gotham Museum in the Lego World and zoomed in on one particular area.

Lincoln: Now, we already know Lego Superwoman is here and causing a whole mess of trouble and causing havoc, and since she's Kryptonian, there's only one thing that'll weaken her.

Lincoln unholstered his massive Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Justice, and the 520'11" massive, wide, double-edged hulking gold blade glowed that very familiar shade of green.

Me: Kryptonite. Wait, that chunk of Kryptonite Lex Luthor had, your sword absorbed it.

Lincoln: Yep, in addition to sucking out the powers, abilities, and energy of only irredeemable villains and monsters and making them my own, along with absorbing weapons and adding their qualities to my greatsword, it can also absorb crystals, gems, and other minerals and add all of their qualities to my greatsword as well.

Nico: That's actually incredible.

Lincoln: There's also this too.

Lincoln made a cluster of Kryptonite appear floating in the palm of his left hand.

Eli: No way.

Lincoln holstered his massive greatsword on his back and made the Kryptonite cluster vanish.

Lincoln: So, here's the plan. I'll fire Kryptonite clusters that'll surround Lego Superwoman, and it'll weaken her, of course, she won't be able to fight back until I make them go away, and that's when we hit her with everything we got, and I know she'll flee, but she won't be able to flee from the tracer I'll put on her.

Metallo: It's good thing I'm here with you. Kryptonite is my specialty.

INSTIGATOR: It sure is

Me: Good thinking.

Lincoln: Knowing Darkseid, he's already sent them. Alright, time to head out.

Me: First we got to look around and see what's going on here.

Nico: Right.

The map disappeared.

Lego Riddler: Riddle me this: Where could. Black Adam's sarcophagus be?

Tecna: (British Accent) That is a good question.

Birdbrain: Right there, maybe?

We saw it.

Me: That's it alright.

We looked at it.

Lego Harley Quinn: Of course, the magic words!

Lego Sinestro: Wait... There it is! Sher~zam!

Poromon: No. It's Shazam!

THUNDERCLAP!

His eyes opened! And he was awake!

Me: UH OH!

We got back and he saw us.

Me: Rise and shine Black Adam.

Lego Black Adam: I, Black Adam, am free!

Me: Well now we can test his out. Ready Kal?

Superman: Ready.

I set it to Class O Star and a blue sun appeared and it charged up.

I aimed the blaster at Superman and fired and fired a powerful stream of blue energy and it hit Superman and he exploded into flames and they were blue! HE HAD POWER OVER 1,000 FOLD!

HE LOOKED LIKE A MASS OF BLUE FIRE!

WE GASPED!

Me: HOLY SHIT!

Qin: WHOA! THAT IS POWERFUL!

Xenia: WOW! Kal how do you feel?

Superman: (Divine Voice) Incredibly powerful.

Poromon: YEAH! (Sniffs) (SLURPS) I smell something delicious.

He went to find it.

Lego Clayface: Can I come with you?

Poromon: Sure.

He walked around and then saw something on a ledge. It was LEGO MR. MIND!

Poromon: (Slurps) Dinner.

Superman fired a blue energy blast and blasted him down.

Poromon snuck up behind Lego Mr. Mind.

Lego Mr. Mind: Do it my slave. Destroy them all and kill them! (LAUGHS)

He felt a tap on his head.

TOINK TOINK

Lego Mr. Mind: Huh?

He saw Poromon.

Poromon: Hello Breakfast!

Lego Mr. Mind: WHERE DID YOU COME FROM!?

CHOMP!

Poromon ate him in one bite and swallowed!

LOUD BELCH!

Poromon: Tastes just as good as the real deal!

Lego Black Adam was free but he had a massive headache!

Lego Black Adam: (Groans) What happened?

Poromon came down and Lego Clayface too.

Nico: Poromon what did you eat?

Poromon: The Lego Version of Mr. Mind. Tasted just as good as the real deal.

Me: The Lego Version of Mr. Mind!? I was not expecting that.

Nico: Me neither.

Lego Black Adam: Team Loud Phoenix Storm? Joker, everyone? What are you doing here?

Me: Long nasty story.

Lego Clayface: Short version is, we woke you up

Poromon: And Mr. Mind was controling you. I found this.

He pulled out a remote.

Me: A Mind control transmitter!

Lego Black Adam: Oh man.

Lego Joker: And Poromon ate Mr. Mind?

Me: He's a bird what did you expect? Besides he was eating versions of Mr. Mind like that since our ultimate battle with Team Dark Phoenix Storm.

Nico: It's true.

Poromon: (LAUGHS) He tastes like chicken.

Lego Black Adam: Either way, I thank you for freeing me

Me: You're welcome.

?: HEY!

We saw Lego Billy Batson!

Me: The Lego version of Billy Batson? What are you doing here?

Lego Billy Batson: First this... SHAZAM!

LOUD THUNDERCLAP!

IN A POWERFUL FLASH OF LIGHTNING AND THUNDER HE TRANSFORMED INTO SHAZAM!

Me: WHOA! Never get tired of that.

Lego Shazam: Guys, I know you have a good reason. Make it a good one, please

Me: Okay we'll tell you.

We did so.

Lego Shazam: WHOA! So this evil group you battled in 2022 is back and is causing problems here and the Crime Syndicate is helping them too?

Me: That's the whole thing in a nutshell.

Lego Black Adam: That's why you awakened me?

Me: Well yes.

Qin: We need your help to help us expose them later on in the future.

Nico: I got a plan.

Me: Yeah.

Lego Shazam: Thank you guys for clearing that up. And Lincoln I heard about you fulfilling the prophecy. Congratulations.

Lincoln: Thanks.

Me: That was fun. News travels fast doesn't it.

Lego Joker: It does.

Lincoln: (GASP) WHOA MAN! I just had a Premonition. Jen you are not going to like this but your Akuma is coming. Her name is Atomic Juggernaught. The Hypothetical Akuma of She-Hulk and she is a

Juggernaught battleship that possesses intense firepower and numerous weapons. She was made because of Dr. Doom making her cousin Bruce do all those terrible things under his control and vowed to kill him.

WE GASPED!

He showed us a sketch of her and she looked like an Orc Horde Juggernaught from World of Warcraft.

Lola: WHOA! She looks like an Orc Horde Juggernaught from World of Warcraft!

Xenia: That is cool!

Lana: Yeah!

Me: She doesn't know that I have unfinished business with Dr. Doom.

Lego Black Adam: Let her come. Long has it been since I had a challenge!

Sixshot: Do we have enough room?

Me: I think we do.

Then my Geiger Counter started clicking like mad.

Me: Radiation!? Oh no.

We saw her appear!

HONK HONK HONK!

It was ATOMIC JUGGERNAUT!

WE GASPED!

Me: WHOA!

Atomic Juggernaught: Ahoy there guys!

Me: WHOA! You look awesome!

Atomic Juggernaught: Thanks J.D. Where is Dr. Doom?

Me: Well you're going to have to get in line on that. I already called dibs on him because I have unfinished business and an old score to settle with him.

Lego Black Adam: Why?

Me: He blew himself up before I could deliver the final blow back in 2018.

Lego Black Adam: Oh man.

Gramma Stuffum: Jen? Is that you?

Atomic Juggernaught: Yes Gramma Stuffum it's me.

Me: I take it Gabriel made you out of inspiration from World of Warcraft?

Atomic Juggernaught: You could say that.

Gabriel: Adrien likes to play that and it's fun.

Lola: Wait Adrien, GACatNoir is you!? WOW!

Adrien: (LAUGHS) Guilty as charged.

Nico: Wasn't expecting that.

Marinette: Me neither.

Nico: That is cool.

Trumbipular: I'll give you some of my peanuts if you calm down

Atomic Juggernaught: I don't think I can eat anything because I'm a battleship.

Me: That is true. Okay then. Here Trumbipular.

I gave him a boatload of peanuts and he ate them.

Trumbipular: (GULPS)

He grew big.

We went at her.

I punched and blasted her.

She fired fire cannonballs and we dodged them. The museum was protected in a force field.

Trumbipular smashed her all over with headbutts.

Atomic Juggernaught: My turn!

BANG!

She fired a fire cannonball and I stopped it with my hands and jumped into the air and spun around.

I spun around more and fireballs formed around me.

Me: TAKE THIS! SKEDOOSH!

I threw it back and it hit her and she exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

She was blown into a million pieces!

Nico: HOLY SHIT!

Po: That...was...AWESOME!

Nico: Yeah it was!

Me: Yeah!

The museum alarm sounded

Ember McLean: We're in trouble now!

Me: Excellent, just like I knew she was about to do.

Nico: Lets go after Lego Superwoman.

Eli: We're gonna make her regret ever coming out here to the Gotham Museum to cause havoc, she's going to pay for her crimes.

Me: That's for sure.

We flew out, and we saw Lego Superwoman, and just as Lincoln said, a massive army of Parademons had been sent by Darkseid.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons and they also sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: That's the Parademons out of the way. Now, for Lego Superwoman.

Lincoln formed and fired a cluster of Kryptonite that landed in front of Lego Superwoman!

Lego Superwoman: KRYPTONITE!

She started to feel weak, but then, she tried to get away!

Nico: We got a runner!

Lincoln: I see her.

Then, Lincoln fired more clusters of Kryptonite that landed wherever Lego Superwoman was at, and she tried to get away again, only to run into another Kryptonite cluster, and she was cornered.

Eli: She's cornered.

Me: Awesome. And the pattern of the clusters, it's arranged in a Syzygy formation.

KRABOOM!

Then, we looked to see Alexander Michaelson taking down Lego Superwoman's men and he was punching, kicking, and slashing at them with unimaginable power and strength!

Rebecca Michaelson: And Alexander's taken down a lot of Lego Superwoman's men!

Then, we saw him about to fight Lego Superwoman.

Me: That's the signal!

Nico: Him about to fight Lego Superwoman?! Then, let's get in there.

Alexander Avalon used The Windy Card, and it formed a massive wind barrier, and that also kept her grounded.

Me: Ooh, using The Windy Card to keep her grounded! Nice one.

Nico: This'll stop her in his tracks. Alright, time to get in there.

Moon Light Crystal Magic Cosmic Star Storm Fury Clow Card Moon Angel Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It is time for our entrance.

Suddenly, the spirits of The Kryptonians appeared and they attacked Lego Superwoman with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Me: Mary Batson A.K.A. Superwoman.

Lego Superwoman: WHAT THE?! WHY ARE YOU HERE?!

Me: Shut your mouth, you Wonder Woman knockoff.

Nico:YEAH!

Lincoln: You thought you could come here to the Gotham Museum without any of us finding out? Nice try.

Nico: Lady, you picked the wrong day to come here to Krypton, now we're kicking you out!

Lego Superwoman: Try it, you Hairy Monkey Butt!

Nico: Oh, that's a good one. (To himself) Like I hadn't heard that one before.

Lincoln: Really, is that the best you could come up with! I've heard more better comebacks from a turkey sandwich!

Lego Superwoman: WHAT THE HELL DID YOU JUST SAY!?

Lincoln: You heard me, unless your ears are clogged up with so much earwax that you can't hear well!

That pissed off Lego Superwoman!

Me and Nico: OH! BURN! (LAUGHS)

Lincoln formed a blue energy ball using his Blue Lantern powers and he fired it at Lego Superwoman and it turned into a mallet and whacked her hard on the head and flattened her like a tortilla!

Metal Sonic: Additional life form detected

Lego Mazahs came

Me: Alexander Luthor A.K.A. Mazahs!

Lego Mazahs: I, Mazahs, come from Earth-3 to fight all evil.

Lego Superwoman: Well, I'm a hero now so, er... Why don't you take care of these guys for me, and I'll fight She Hulk, assuming she's green right now.

Me: Oh so that's how you want to play it and you are no superhero. We are!

I teleported and kicked her in her face and smashed her down.

I punched Lego Mazahs in his face and knocked him down!

Cheetah: Mazahs, listen to me. We're not the enemy here

Me: We're the heroes and the good guys. Superwoman is not. Team Buktu isn't either.

Mazahs: Wait you now of them?

Me: Uh yeah we do. 2 years ago they became our enemies. But instead of telling you we'll show you.

I used my powers and showed him our memories and he was shocked!

Mazahs: (GASP) They lied to me! They are not heroes at all! They are charlatans!

Me: Grade 4F pieces of rotten meat that are passing themselves off as heroes.

Nico: That was a good one.

Mazahs: But I would still like to fight you to find out how powerful you are

Carmen Dillo: Fair enough

Me: Just so you know we're not going to hold back!

I teleported and punched and smashed him all over and kicked him down!

I fired massive barrages of energy blasts.

Livewire fired waves of lightning and blasted both Lego Superwoman and Lego Mazahs.

Livewire: Shocking, isn't it?

I punched Mazahs and smashed him into Lego Superwoman!

Me: You know we never faced the Prime Universe version of you two so this will serve as a good warmup

Duff Killigan: (Scottish Accent) Fore!

WHACK!

He fired a golf ball and it hit Lego Superwoman and then.

BAP! KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOMMMMM!

IT EXPLODED IN HER FACE!

She Hulk (smirks): She Hulk smash.

Superwoman: Imitating your cousin, are we?

She-Hulk: Yep.

SMASH!

She smashed her all over.

I kicked Mazahs and he went flying and crashed into Lego Superwoman and She Hulk smashed them both down.

Leanbow: This fight is for the name of honor!

Me: NOW you girls are in for a fun treat. Watch this!

I snapped my fingers and then a HUGE TREE GREW and it formed into a MASSIVE AND POWERFUL HUGE BATTLESHIP! It was full of fruit cannons and blasters.

Me: Gaim Riders and World Tree Fruitknights, Say Hello to the Edenstriker Superdreadnought World Tree Ship! Me: It uses the powers of all the lockseeds.

Qin: This is gonna be awesome!

El Oso: Metallo? Do your thing!

Lego Metallo: With pleasure.

He fired a Kryptonite ray and it hit Lego Superwoman and weakened her bad!

Me: Now for the final touch.

I turned my ray to a Class M Star and it formed a red sun. I fired a beam of red energy and it hit Lego Superwoman and her powers were taken away from her!

Me: Now she is weak!

Kaito: Lets do it!

They loaded all their lockseeds into it and locked it on target.

I pulled out a Smokebomb ball.

I threw it and slammed it onto the ground and it exploded!

Me: Say hello to The Lupin-Pat Cops and Robbers Justice Deathray Cannon! This fires a deadly laser with the combined power of all the Strikers and Chargers and it's strong enough to destroy all your enemies times 100,000,000,000,000,000.

You're done for, you piece of shit!

Lincoln went wild on Lego Superwoman as he punched, kicked, and slashed at him like a wild beast, and he left scars on her, and I also did the same as well.

Then, Lincoln held out his left hand and fired ten massive balls of fire at Lego Superwoman, and they collided and exploded as they hit her, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT LEGO SUPERWOMAN AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED!

Well, it's about to get a lot worse for you.

Lincoln and I went at Lego Superwoman and we began brutally smashing her all over the place with our massive godly superhuman strength, and it was even more brutal than ever. Then, we punched her hard in the face and kicked her in the stomach and we sent her flying into a wall, she got back up and Lincoln and I fired massive elemental energy balls and beams of light at her and she really got scorched and burned.

Caleb landed as the barrier came down.

Lincoln, Super Brother, She-Hulk, Nico, and I and the rest of us went after Lego Superwoman and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Lego Superwoman, and they exploded with incredible power as they hit her.

Mega Hitmonchan charged at them and punched them both all over.

Qin: YEAH!

Poromon pecked them.

POINK POINK POINK POINK POINK POINK!

Lego Black Adam: Tell them the Man in Black sent you!

He fired waves of lightning and blasted them both.

I fired waves of fire and blasted them all over.

Laney fired waves of energy and blasted them.

Then Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Villamax, Wolf, Weather Wizard and Beetle came

Nico: Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Villamax, Wolf, Weather Wizard and Beetle

Lego Superwoman: Can you please lend me a hand?

They thought on that.

Scorcher, Firepower, Evil Star, Key, Overdrive, El Diablo, Villamax, Wolf, Weather Wizard and Beetle: NO!

KRABLAM!

They knocked both of them down.

Me: Well at least they asked nicely.

Odele: (GASP) FIREPOWER!

Firepower: Odele!

He went and hugged her again.

Odele: Glad to see you again!

Firepower: I am too.

Lego Superwoman: Do you need a minute?

Nico: Sure.

Me: It's mandatory. Also you rest up while we have our fun.

Lego Superwoman: Okay

Nico: And Firepower explaining his history with Odele will take a while

Me: Yeah.

Qin: I agree.

Firepower: I'm just glad she is safe.

Xenia: Yeah.

Scorcher: We're surprised ourselves.

Nico: You two know each other?

Firepower: We sure do. Well years ago before I became Firepower, after I heard about how her family kicked her out of the house because she wanted to be a chef and not a lawyer, I stormed into her house and swiped all her family's money and left them destitute. Then I grabbed all her stuff and had her move in with me. After that about 3 hours later, I got word that her family was murdered by the loansharks. She said she couldn't care less at that point. I would call that ultimate karmic justice for treating a girl like that unfairly.

WE GASPED!

Qin: Oh man!

Camie: Just glad you took her in.

Me: Karma REALLY Made sure they paid for it.

Scorcher: We're glad you two are reunited.

Firepower: Me too.

Evil Star: You can kill her parents if they show up again

Nico: Or send them to jail.

Evil Star: Also good.

Key: (to Nico) We heard you went to Chazke village

Nico: We sure did.

Poromon: Beware the drink from Mississippi!

Weather Wizard: (to Shane) You should take care of that Torkoal

Shane: I will.

Wunjet came.

Me: Another round Wunjet?

Wunjet: You know it!

Me: Awesome!

Wunjet: (to the Kyurangers) Did you guys get a new weapon yet?

Lucky: I'm sure J.D. has something amazing planned for that.

Me: Oh don't worry I do.

Wunjet: Good and what did the mascots mean by that?

Me: Oh they got to try the hottest ever Bloody Mary ever made.

Mordecai: It's called the Mississippi Queen.

Benson: I had that once at a party and it was so intensely hot and potent that it put me, Mordecai and Rigby into a nasty Full Spice Nirvana craze that was really bad until we got back to the park.

Rigby: Yeah it was nuts.

Wunjet: WHOA! That must be one potent drink!

Nico: Oh it is! LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Jason Lee Scott, Ingrid (CatDog), Indigo Zap, Ellie Singh, Emily Lenior Tzeentch, Mary Garcia, Victorica Meadows, Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Snaptrap and Nautilator vs Scorcher, China White, Chick Hicks, Vikings of Takar, Lemongrab, Nariaka Utsumi, Ghouligan and Yost Pyro (Theme including Ingrid (CatDog)) - Nico's rescue was in Chazke Village and we battled the Borbonne Family and General Tao

---

Scorcher was first.

Scorcher: (to Jason) Nico's rescue was in Chazke Village. He battled the Borbonne Family and General Tao

Jason: He sure did and it was amazing!

Scorcher: Remind me. What were they known for?

Jason: Well Mr. Borbonne was the mayor of Chazke Village. And you know that Cell was terrorizing the Earth back then right?

Scorcher: Yes I do.

Jason: Good. He built a shelter there to protect the citizens in case Cell ever came back. But Lime's grandfather Mr. Lao was completely against it because Cell would destroy that kind of shelter no problem and kill everyone in it.

Scorcher: I don't blame him one bit for going against a shelter like that. Cell would have destroyed it with one blast.

Jason: Yep. And he would have destroyed the entire planet too. He was also going to destroy the Entire Universe as well. Also General Tao was hired by Borbonne to kill anyone against his plans. Gohan and Goku said that Goku fought Tao long ago and he kicked a thermite grenade into his face and it exploded. It badly burned him and blew his arms and part of his face off hense why he has those cybernetic parts.

Scorcher: WHOA! That is a nasty way to leave your mark on someone!

Ingrid: It was!

Indigo Zap: You got that right! Also you should have seen what went down. Lime really put up an amazing fight against Tao! She learned so much under us and Gohan too. He fired a Dodonpa Wave and Lime fired a Kamehameha Wave and she took down Tao no problem!

Scorcher: WHOA! That is awesome! She learned a lot under you guys and took down Tao with ease! Well done ot her.

Twilight Sparkle: We found out that her grandfather used to be in the World Martial Arts tournaments a long time ago. This was before the big battle Goku had with Piccolo.

Scorcher: WHOA MAN! That is amazing! She made her grandfather proud.

Twilight Sparkle: She sure did.

Stellar Sparkle: We're proud of Lime too. Also Flare Firestar unlocked her Rainbow Power.

Harmony Sparkle: And we sent Borbonne and his goons all off to prison and Tao to you guys.

Starshine Sparkle: Yeah that was awesome!

Spyro: It sure was!

Scorcher: Boy you guys did great! Wow! Kudos to Lime for standing up to Tao. He's never going to live that down! Being beaten by a little girl. Lets do this!

Jason used Scorcher's ring and flared up a fire aura and they fired waves of fire and magic and blasted them down.

Firepower was next.

Firepower: (to Aurico) The Anothers were the gene-slammers of Leonardo's Silver Skyship and Cloudcastle. Nico, Dust Man's team, Split Mushroom's team, and the others did good battling them.

Aurico: He sure did and it was really fun and awesome.

IR Baboon: IR Thought so too.

Gretchen Holland: Also after the fight with Borbonne and Tao, J.D. and the Crackhouse Disney Club got into a massive pissing contest! They were yelling and fighting like a bunch of two-year olds! Eli had to bash their heads together and Sally Stomach had to fart in the Crackhouse Disney club's faces to knock them out!

Firepower: I swear those guys have more hatred towards J.D. than anything I know! What a bunch of crybabies! We're going to have to straighten them out REALLY hard.

Gretchen Holland: I know. We also met the gene-slammers of Mega Salamence and Mega Salazzle. They were Quetzal and Pangaea Hidari and they were also Kamen Riders Quetzalcoatlus and Pangaea witch were really awesome!

Firepower: That is cool! And it's amazing how many sisters Philip and Shotaro have.

Gretchen Holland: I know! Also we met the next of the Underground Girls. Her name is Odele Odwalla.

Firepower: (GASP) I saw and I couldn't believe that she's okay! I was worried sick about her.

Gretchen Holland: Wait you know Odele?

Firepower: Well years ago before I became Firepower, after I heard about how her family kicked her out of the house because she wanted to be a chef and not a lawyer, I stormed into her house and swiped all her family's money and left them destitute. Then I grabbed all her stuff and had her move in with me. After that about 3 hours later, I got word that her family was murdered by the loansharks. She said she couldn't care less at that point. I would call that ultimate karmic justice for treating a girl like that unfairly!

Gretchen Holland: I know! But I'm glad you took care of her like that.

Firepower: I just can't stand it when people suffer like that. Sure I may be a bad guy but I still have a heart.

Gretchen Holland: I know. Also Shanan said she was turned into a Pandinian Seiscorp from the planet Pandin. They are really dangerous scorpion creatures.

Firepower: Oh man! That is scary!

Sunset Shimmer: We were amazed too.

Firestorm Shimmer: Yeah that was cool though and they can shoot fire plasma blasts from their tails that can melt and burn objects and people on contact with intense flames like the tanker bugs of Klendathu!

Firepower: WHOA MAN! That is lethal!

Sunset Shimmer (G5): I know! Shocking too!

Pipsqueak: (British Accent) That was scary too!

Chalcanthite Aurora: (British Accent) I know!

Sunburn: It sure was awesome to see though!

Firepower: WOW! I'm just glad Odele is alright though. Lets do this!

Aurico used Firepower's ring and they fired waves of fire, missiles and lasers and fire blasts and smashed them down.

Evil Star was next.

Evil Star: (to Tommy) I heard Lincoln's rescue was in Mexico City. He battled the Dark Loop Card and a clone of VritraMeramon

Tommy Oliver: He sure did and it was really awesome and cool!

Sting Chameleon: You got that right!

Elastigirl: We all thought it was fun there.

Applejack: Everyone had more fun there than a Texas Rodeo.

Emily Douglas: Yeah it was really intense.

Apple Star: We had a lot of fun on that too.

Wolf Moon Bloom: And another Dark Clow Card destroyed too.

Apple Bloom: Thank goodness for that!

Flashwing: Yeah no kidding there!

Evil Star: Wow no kidding! Lets do this!

Tommy used Evil Star's ring and they fired waves of magnetic energy, earth, rock, mud, boulders, meteors, lava, crystal, dust and apples and smashed them down.

T.J. ---

Key was next.

Key: (to TJ) Today was The next Skylanders Adventure. Who went this time?

T.J.: Rice, Maxxine, Sweet Leaf, Tree Hugger, Tree Rex, High Five, Stink Bomb, Stealth Elf, Wood Man and Hornet Man and we went to Bambi's forest. We were there to battle Cuckoo Clocker. He put up a really good fight too. Also we resurrected Bambi's mom too.

Key: I bet Bambi was happy about that!

T.J.: He was! And so was the Great Prince. Now that there are no hunters there anymore because the forest is under our protection, Bambi and his family are safe for good. Fluttershy loved all the birds and animals too.

Key: Her love for all animals is amazing. Also you guys didn't fight Ronno too did you? That jerk still has it out for Bambi.

Gravity Beetle: No we didn't thankfully. We fought a nightmare version of Cuckoo Clocker named Baron Von Smashbeak. We trapped 2 Cuckoo Clockers there which was fitting too.

Supernova Zap: Yeah no kidding and that was cool! Also I can't believe Ronno hates Bambi that much! His hatred towards Bambi needs to stop or it's going to get him killed and turned into a venison steak dinner.

Key: Boy no kidding! I can't believe he is that jealous of Bambi! Not only because he's the son of the Great Prince but I don't know what! What is wrong with that deer?

Rarity: Indeed! Ronno needs to realize that the world doesn't revolve around him! He needs to be taught some manners darlings.

Erica Tala: Yeah that is for sure!

Sapphire Ocean: He needs to stop being so jealous towards Bambi or there is going to be some nasty consequences!

Rarity (G5): I agree there.

Dioptase Angel Belle: Yeah no kidding! I hated Ronno because of that but he just keeps pushing my buttons!

Sweetie Belle: You don't have any buttons on you.

Dioptase Angel Belle: No Sweetie Belle it's an expression. It means he keeps doing stuff that makes me angry.

Sweetie Belle: Oh.

Gill Grunt: Yeah no kidding there.

Key: I don't blame you guys one bit. I'll see if Vypra can bring his attitude down. But you guys had fun on that. Lets do this!

Andros: Not much except a bunch of Lego versions of antique cars here. But here.

He gave him a tank.

Overdrive: That will work.

Andros: Good. Also yeah this was REALLY crazy! Twilight and friends including Princesses Celestia, Luna, Flurry Heart and all the members of the Knights of the Friendship Table were all having a good picnic in the park when suddenly this HUGE METEOR fell and crashed into the lake!

Overdrive: OH MAN! I hope nobody got hurt and no buildings were destroyed!

Andros: No thankfully there was no one hurt and no buildings were damaged thank goodness. Just a lot of people that got REALLY WET. Also Nico and J.D. and Eli came and got the meteor out and it cracked open and inside were these really strange and unusual fruits. It was full of them!

Gill: They were cool and they were not like the Helheim Fruits. Shanan said they were called Jabuticaban Elementalbender Fruits. They came from the distant planet of Jabuticaba and once eaten they will give incredibly intense bending powers over all the elemental forces.

Mai Takatsukasa: Twilight and friends ate ones for Magic, Fire, Earth, Water, Wind, Life, Metal, Undead, Light, Darkness, Blood, Lava, Lightning and many others and they all got imbued with the powers of those elements.

Rainbow Dash: Yeah this is so awesome!

She did some moves and fired waves of intense rainbow lightning and it hit Yost Living Laser and electrocuted him with intense lightning that was more powerful than ever!

Yost Living Laser: (SCREAMS IN AGONY)

He was charred and burned to a crisp!

Triple Berry: It's all so awesome!

Frankenstrike: Yeah no kidding there! Also Lincoln found something that belongs to one of his Guardian Angels.

El Diablo: Really? What is it?

Frankenstrike: It's called the Staff of Arceus! It's a powerful staff that has all the powers of Arceus, the God Pokemon himself.

THEY GASPED!

El Diablo: WHOA! I wonder how that got here?

Ophelia Nefertiti: That is a really good question. And I think I know who is responsible for it. Call it a hunch but I think it might be either Giovanni or one of the villain teams that was fought long ago.

El Diablo: That is a good possibility.

Fluttershy: We had no idea that staff was here and we're amazed that it belongs to one of Linky's guardian angels.

Lilja: (Icelandic Accent) We were amazed too! Also Ash suggested we should one day meet his friend Sheena. We heard that she has this mysterious power that lets her Talk to a Pokemon through his heart.

El Diablo: WHOA! That is amazing she can do that!

Seabreeze: (Swedish Accent) Ja with all the villain teams gone we might have to ask Lincoln's guardian angel herself when we find her.

Stealth Elf: Yeah.

Pinkie Pie: Yeah and we got to have fun here! J.D. put up a force field to protect the artifacts too. Which was good.

Maud Pie: (Monotonously) J.D. used Kryptonite on Lego Superwoman too and that shows she has the same weakness.

Citrine Pie: That is for sure!

Pinkie Pie (G5): Yeah no kidding there!

Featherweight: This is gonna be awesome!

Sprocket: It sure is! We also had to fight Lego Shazam as well. We saw Billy Batson transform here and it was intense! Also we fought Lego Mazahs too. Too bad Poromon's not going to eat the Lego version of Mr. Mind.

Shane Clarke: It's called the Solar Spectrum Helioelectron Ray. It fires concentrated ray blasts of star energy depending on what color star it's set at. We learned that Stars depending on their color affect Kryptonians in various ways.

Etris: Exactly! We also discovered that Blue stars SUPERCHARGE Kryptonians powers times 100.

Thunder Kang: WHOA! If General Zod found out about that he would be unstoppable!

Trumbipular put a tracer on Superwoman

He smashed and pulverized her all over.

Lego Superwoman: This isn't over!

Lego Superwoman ran, but Lincoln fired a tracer that went onto her, and she went into a portal that led back to Earth Omega. We cheered as we holstered our weapons and powered down and we headed for the gym at Lynn's Table.

Nico: That'll teach that woman!

Me: We'll make sure she gets the treatment from Vypra.

Nico: But not until we deal with Team Buktu

Lincoln: After we get rid of Team Buktu and Darkseid, The Crime Syndicate will be getting quite the treatment from her. Now, there's one last thing to do and one last loose end to tie up: The Lord of The Fire.

We then turned our attention to The Lord of The Fire who's still trying to get out, but couldn't.

The Lord of The Fire: YOU! WHEN I GET OUT OF THIS, I WILL DESTROY YOU ALL!

Suddenly, Lincoln's enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and four massive halos of rainbow energy with intricate designs formed behind him and a halo of gold energy with intricate designs formed above his head with intricate designs, and it formed into a purifying field and it hit The Lord of The Fire and we all found ourselves not only in Heaven, but also, in space.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomach of The Lord of The Fire and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind him. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 520'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln did one final powerful energy slash that hit The Lord of The Fire hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and The Lord of The Fire was on his last legs.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into The Lord of The Fire and he began absorbing him and assimilated The Lord of The Fire's Control over Fire, Skill in forging magical objects, Swordfight, and Immortality, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

RRGH!

Then, when Lincoln was done and the stingers changed back, nothing was left of The Lord of The Fire and he also sucked out all the energy remaining in his soul and The Lord of The Fire was sent to The Black Abyss and Lincoln let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles!

We cheered as we holstered our weapons and powered down and Malorie Kyutora's new body, clothes, weapons, jewelry, Third Eye, 100 massive and long black wolf tails, large gold halo and large gold Yata no Kagami mirror with gold flame ring-shaped frame around it with embedded red gems behind the gold halo with four large orbiting gold rings on each corner and four large Yata no Kagami mirrors with gold flame ring-shaped frames around them with embedded red gems behind the gold rings behind her head, one-hundred large black and red planets orbiting around her legs, one-hundred smaller black and red planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized black and red planets orbiting around her wrists and ankles, and massive black angel wings and ninety-nine sets of large black angel wings underneath her massive black angel wings are permanent.

Malorie Kyutora: It's over for you, Lord of The Fire, and to this we say good riddance. Thanks for helping me get rid of The Lord of The Fire, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Malorie.

Me and Nico: Our pleasure, Malorie.

Suddenly, Malorie Kyutora wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Malorie Kyotora's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Malorie Kyutora sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Malorie Kyutora: And that's it for The Lord of The Fire.

Me: That's for sure, and that's pissed Alecto Slytherin of even more. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of

Courage and Lavalval Ignis.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Lavalval Ignis.

Adara Vulcania: There's only one person who fits this: Hestia Vulcania, Avatar and Gene-Slammer of Lavalval Ignis, and you guys are going to love meeting her, Hestia Vulcania, Avatar and Gene-Slammer of Lavalval Ignis, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Ignis. She's The Volcanic Lava Ignis Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Hestia Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Ignis, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Ignis, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Hestia Vulcania hates Pablo and Anderson with a passion because those two shithead heartless callous stupid bullies dumped a massive bucket of sewage on her, and they callously laughed at her with cruelty. Hestia got super enraged and angry, she fired a massive blast of fire at them, and the blast of fire burned their clothes to ashes and left them in the nude and when she exposed their nudity to the public, they got arrested for indecent exposure and she had to take twenty-five hot baths to get the smell of the sewage off her.

WE GASPED!

Me: Those two damn heartless callous pieces of shit!

Nico: That was absolutely evil!

Lanaia: I threatened that I was gonna fry those two piles of crap if I ever saw them again! (GROWLS)

Me: So, that's why I smelled that much sewage from her, I thought Chandler was on the loose again.

Lincoln: But, it wasn't. Hestia fell victim to those two jerks' rotten prank.

Lynn: Those two deserved it big time, and exposing their nudity to the public, that was overkill, but they had it coming.

Lego Joker: How's it going, Houdini? So we're putting a team of super bad guys together, to take down another team of super bad guys. Interested?

Overdrive: He's talking about the Crime Syndicate

El Diablo: Don't forget Team Buktu

Lego Black Adam: That does not concern me, clown person.

Lego Harley Quinn: Okay, how about this? If you don't help us, we'll put you back where we found you.

Villamax: Okay, that's a little harsh

Lego Black Adam: Uh, very well, I agree. But can we stop for drive-through? I haven't eaten for eternity.

Wolf: We can do that

Beetle: Another job well done.

Me: I believe I know a good one.

Nico: But yes another job well done

Qin: Yep.

Lola: We're not done with Team Buktu or The Crime Syndicate yet.

Me: But so far everything is working according to plan.

She-Hulk: It sure is. (To the viewers) This was a fun adventure though.

Camie: It sure was.

Ymir: We're ready for more buttkicking next.

We went to a good restaurant and had a good meal there.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We did it, we defeated Lego Superwoman and sent her ass back to Earth Omega.

Anna Anyanova: You said it, she had it coming.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs) (Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally

potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice) (Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Loop Card, but tomorrow, I got a feeling we're going to take on the dark version of The Sleep Card, this thing caused a lot of trouble for Sakura putting everyone in Readington to sleep, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on, and so was the big war against Team Buktu and Darkseid, and we'll make sure those monsters pay for their crimes with their lives.

TO BE CONTINUED...

See you all next time.

DC SUPERVILLAINS PART 6

Part 6: SCOTT

In the early morning hours at 11:25 PM, Lincoln had a dream, and he saw six figures hiding out and living in Wells, Maine. But, there were no ordinary six figures, they were Robin Hill-Loud, daughter of Lincoln's future wife, Robyn Hill. Faith Thyme-Loud, daughter of Lincoln's future wife, Fiona Thyme. Mari Marigold-Loud, daughter of Lincoln's future wife, May Marigold. James Greenleaf-Loud, son of Lincoln's future wife, Joanna Greenleaf. Marionette Laura, daughter of Lincoln's future wife, Marionette Lina. and Cupcake Cherry, daughter of Lincoln's future wife, Cupcake Carly. Lincoln woke up from the dream, but he wasn't the only one, The Happy Huntress, Marionette Lina, Cupcake Carly, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Robyn Hill: And it also means that we found out where our kids are at.

Me: They're at Wells, Maine.

Nico: Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, The Happy Huntress, Marionette Lina, Cupcake Carly, Black Alpha, Me, and Nico were heading to Wells, Texas. Maine, Lincoln saw a young 13 years old girl who has tanned skin, violet eyes, and platinum blonde hair. She wears a red dress, black sleeveless coat with gray accents, olive green scarf with tattered looking tails hanging behind her, brown leggings, and black knee-high boots. She wields her Crossbow-Like Fan Shield. A young 13 years old human-Faunus hybrid who has fair skin, olive eyes, sheep-like ears, and short and messy swept styled white hair. She wears green long-sleeved shirt with a white orange trim, dark brown pants, and knee boots. She wields her Crossbow-Like Staff. A young 15 years old girl who has fair skin, yellow eyes, and medium blue and white hair. She wears a dark brown crop top, dark brown shorts, and dark brown thigh-high boots. She wields her Crossbow-like Staff. A young yet tall and muscular 16 years old boy who has tan skin, beige eyes, and short dark green and white spiky hair. He wears a light beige shirt, brown trousers, and black boots. He wields his Crossbow-like Staff. A tall and slender young 14 years old human-animatronic hybrid who has pale skin with white on her face with rosy red cheeks and purple stripes that stretch to the bottom of her eyes that looks like a mask, black hollow eyes with small white pupils, and silver and white bobcut hair. She wears a black long sleeved hooded shirt with white stripes on the wrists, black shorts with black belt, black leggings with white stripes ankles, and black flats. And a young 11 years old human-animatronic hybrid who has fair skin, cyan eyes, and pink and white hair in small high pigtails with a blue headband with a large bow and a candle on it. She wears a pink shirt with dark pink collar, brown shorts, white socks, and black mary jane flats with bows. Lincoln saw who they were, they were The Young Hunters, Marionette Laura, and Cupcake Cherry.

Lincoln: Excuse me, are you The Young Hunters, Cupcake Cherry, and Marionette Laura?

Robin Hill: Of course we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, The Happy Huntress, Marionette Lina, and Cupcake Carly came out, and when The Young Hunters, Marionette Laura, and Cupcake Cherry saw them, they were stunned.

Cupcake Cherry: Mother?

Cupcake Carly: I'm here, my little cupcake.

The Young Hunters, Marionette Laura, and Cupcake Cherry ran up to The Happy Huntress, Marionette Lina, and Cupcake Carly, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Robyn, Fiona, May, Joanna, Lina, Carly, your mothers are one of my many future wives.

Robin Hill, Faith Thyme, Mari Marigold, James Greenleaf, Marionette Laura, and Cupcake Cherry: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled The Young Hunters, Marionette Laura, and Cupcake Cherry with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced The Young Hunters, Marionette Laura, and Cupcake Cherry to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting The Happy Huntress, Marionette Lina, and Cupcake Carly with their kids, and The Young Hunters, Marionette Laura, and Cupcake Cherry now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a beautiful vast massive world of a million forbidden planets where the many ancient civilizations had flourished and cities were built and peace reigned supreme because of the truly ironclad bonds the million floating planets of, and billions of years ago, this planet was once inhabited by powerful male warrior angels who were not only natural born fighters, but had immense powers over water, earth, nature, The Sun, the skies, superhuman strength, superhuman durability, superhuman senses, superhuman speed, and superhuman endurance, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization ever. But, like the many Planets of The Forbidden Zone, it too would soon fall victim to the savage bloodthirsty rage-fueled Infernairans of Planet Infernaira. They laid waste to the million planets of Skyvall and its brave male warriors were imprisoned in a massive Well of Souls after they were defeated and where they would remain to this day as the million floating planets in one would be left quiet and barren and devoid of life, but despite this, they had the very same vision as the planets of The Forbidden Zone: the vision of The Reincarnation of Amaterasu coming to Skyvall who would absorb the souls of the many millions of male warriors from the million floating planets imprisoned inside the Well of Souls, absorb the million floating planets and their cores, and Skyvall's massive Sun into his body to preserve the legacy, and by marrying the legendary Queen of Skyvall, their life would soon begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln woke up.

Lincoln: Whoa, what on Earth was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Skyvall, The World of a Million Floating Planets, a vast massive world of a million forbidden planets in one where many ancient civilizations had flourished and cities were built and peace reigned supreme because of the truly ironclad bonds the million floating planets of Skyvall had. But, like the many Planets of The Forbidden Zone, it too would soon fall victim to the savage bloodthirsty rage-fueled Infernairans of Planet Infernaira. They laid waste to the million planets of Skyvall and its brave male warriors were imprisoned in the massive Wells of Souls after they were defeated and where they would remain to this day as the million floating planets in one would be left quiet and barren and devoid of life, but despite this, they had the very same vision as the planets of The Forbidden Zone: the vision of The Reincarnation of Amaterasu coming to Skyvall who would absorb the souls of the many millions of male warriors from the million floating planets imprisoned inside the Well of Souls, absorb the million floating planets and their cores, and Skyvall's massive Sun into his body to preserve the legacy, and by marrying the legendary Queen of Skyvall, their life would soon begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Lincoln: Whoa! That's so incredible!

Lincoln got up and got dressed, and he left a note explaining it, and then, he headed off to Skyvall once inhabited by The Skyvallians, but were defeated by The Infernairans eons ago and were imprisoned in the massive Wells of Souls on the million planets where their souls remain imprisoned to this day, and The Sun is infinite-times hotter and brighter than The Sun and the amount of solar radiation and light also exceeds that amount, and the planet was like the many planets we've been to, but had an amazing and advanced massive city with smaller cities connecting the main city.

Lincoln landed on the planet and his rainbow energy aura exploded as he grew stronger.

Lincoln: Wow! So, this is Skyvall, it's so beautiful here, and there are millions of planets here as well.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) This place used to be full of life from the millions of planets here.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Skyvall, the main planet, and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a blue gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of blue and green souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Skyvall, the main planet. But, then, the covers of the other Wells of Souls on the other million planets began to come to life and slid of, and millions of massive tornadoes of many individual colored souls numbering in the septillions also joined.

Lincoln: Unreal!

Suddenly, the septillions of blue and green souls of the ancient male warrior angels of Planet Skyvall and the millions of septillions of individual colored souls from the other million planets then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense power over water, earth, nature, The Sun, the skies, immense superhuman strength, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame

patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue and green surrounding him with water drops, rocks, leaves, and winds and the rainbow, white, golden yellow, and blue protective aura and holy white aura as well was like a raging fire as he pounded his chest like a gorilla and he felt even more wilder than ever.

Lincoln: Whoa, oh man, all of their immense power over water, earth, nature, The Sun, the skies, immense superhuman strength, superhuman durability, superhuman speed, superhuman endurance, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers, and excessive virility along with their spirits and lives have merged with my body. (Flexes his massive muscles as his massive biceps bulged even more with veins forming)

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead) Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Skyvall and the cores of the million other planets, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of the main planet and the million other planets, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of Planet Skyvall itself and the million other planets into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Skyvall's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh man, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! The septillions of souls of the millions of ancient male warrior angels of Skyvall itself along with the million other planets have merged with me, and I absorbed the main planet's core and main planet itself along with the cores of the million other planets and Skyvall's massive Sun into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks) (Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out

in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

Then, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: Okay, that was a surprise. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome! But, I can't believe that it's another one The Infernairans terrorized! Damn.

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dreams along with a million other planets there as well.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Skyvall.

FLASHBACK TO VAST EONS AGO

J.D. 2: (Narrating) Vast eons ago, there was a world in a far distant galaxy not far from The Forbidden Zone, that world was known as Skyvall, The World of a Million Floating Planets, a vast massive world of a million forbidden planets in one where many civilizations flourished and many cities were built on the million planets and its main planet and peace reigned supreme because of the truly ironclad bonds the million floating planets of Skyvall had, and it was defended by the powerful male warrior angels known as The Skyvallians who were not only natural born fighters of valor and honor, but had immense powers over water, earth, nature, The Sun, the skies, superhuman strength, superhuman durability, superhuman senses, superhuman speed, and superhuman endurance, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the females there, and they were among the most advanced civilization ever. But, just like with the many Planets of The Forbidden Zone, the beautiful world of Skyvall would soon fall victim to the savage bloodthirsty rage-fueled Infernairans of Planet Infernaira. They laid waste to the million planets of Skyvall and the main planet Skyvall itself, and The Skyvallians were imprisoned in a massive Well of Souls on the main planet and the 999,999 other planets after they were defeated and where they would remain to this day as the million floating planets in one and the main planet itself would be left quiet and barren and devoid of life.

FLASHBACK ENDS.

Nico: Those damn monsters!

J.D. 2: I know, but despite this, they had the very same vision as the planets of The Forbidden Zone: the vision of The Reincarnation of Amaterasu coming to Skyvall who would absorb the souls of the septillions of the millions of male Skyvallians from the main planet and from the million floating planets imprisoned inside the Wells of Souls, absorb the million floating planets and main planets and their cores, and Skyvall's massive Sun into his body to preserve the legacy, and by marrying the legendary Queen of Skyvall, their life would soon begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Me: Wow.

Lincoln: What those Infernairans did in terrorizing Skyvall, it's bad enough they terrorized the other planets of The Forbidden Zone, but this, that truly is unforgiveable, and here's a little something I should've done after Jordan killed Kasady. (SNAPS FINGERS)

Lincoln snapped his fingers, and heavenly lights shined down, and Adrianne Acmetropolis was brought back to life.

Ace Bunny: (GASPS) Adrianne, y-you're back...!

Adrianne Acmetropolis: (Smiles) Yes, I am, Ace.

The Loonatics piled on and hugged Adrianne Acmetropolis, then they released her.

Suddenly, Lincoln pinned Adrianne Acmetropolis to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo

on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Adrianne Acmetropolis with black gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Lexi Bunny: (Smirks) Well, that was definitely a way of saying welcome back to Adrianne, Lincoln.

Tech E Coyote: But, that's proof that you're now finally back from the dead, Adrianne.

Lincoln got her a massive breakfast, and she started eating.

Me: Wow, so you're Adrianne Acmetropolis, a pleasure to meet you.

Adrianne Acmetropolis: Same here, J.D., and to all of you.

Rev Runner: Wow, you must've been really hungry.

Danger Duck: That could be an understatement.

Lexi Bunny: Hey, our sister's been dead for years, and we blame Carly Kasady for that.

Lincoln: You said it.

In Cameron's room, Cameron was sleeping in a hibernation chamber in a block of ice.

Klink came.

Klink: Time to wake up Cameron.

He pressed a button and the chamber opened and a heat ray thawed him out.

Cameron: (Groans)

Klink: Morning Cameron. Boy that is cool technology you have there.

Cameron: Thanks Klink.

Klink: Time for breakfast.

Cameron: Be right there.

He went and got up got dressed and went to the table.

Me: Morning Cameron.

Cameron: Morning guys.

Gwen: Morning Cameron.

Cameron: Hey Gwen.

Fang came and sat at the table.

Me: Morning Fang.

I gave Fang steaks and gave Cameron eggs and toast.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was our enemy, Rage-A-Holic Eva, and she's causing havoc on Eclipsariaira, yet another planet in The Forbidden Zone.

All of TLPS: OH HELL NO! HELL FRICKING NO! THAT BITCH!

Ace Bunny: I pray to God that I'm wrong, but please don't tell me that was Eva!

Lincoln: Afraid so, Ace. I was wondering when she would show her ugly hide!

Nico: And she's on another Forbidden Zone Planet!

J.D. 2: I'd recognize that planet all too well, that was Eclipsariaira, a planet in The Forbidden Zone where The Sun is always in a Perpetual Solar Eclipse and inhabited by male warrior angels called The Eclipsariairans, the males were not only natural born fighters, but they had immense power over fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow even stronger, and were given even more incredible powers, immortality, virility, and invincibility by the deities they've worshipped, fought against numerous ancient monsters and demons, and impressed many of the female Eclipsariairans, and they were among the most advanced civilization in The Forbidden Zone. But, they'd been defeated by The Infernairans eons ago and they imprisoned themselves inside a well where their souls remain imprisoned to this day, but they had a vision: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Hououairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix.

Eli: And yet, another planet those damn Infernairans terrorized and laid waste to. But, wait, does this mean?

Lincoln: Yep, we're going to be meeting my Guardian Angel there and beat down Eva. Alright, now let's finish breakfast and head to Eclipsariaira and beat down Eva.

Nico: Right.

Me: I'm gonna make that bitch regret ever coming back, just like what you did to Wertz and Alecto Slytherin, Lincoln, I'm going to go apeshit nuts on her.

We finished our breakfast and we headed to Eclipsariaira to meet Lincoln's Guardian Angel there and help Chrystine Mirage unlock her Rainbow Power and beat down Eva and send her to The Xaikora Prison.

We were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14191.1: The U.S.S. Valorous Phoenix is en route to the forbidden planet Eclipsariaira and we're going there to take down Eva and send her to the Xaikora Prison and make sure she suffers big time for her crimes. But she is the start of something big to come.

Xenia: Yeah no kidding.

Ymir: Yeah this will be cool.

Lola; This will be the second of the forbidden planets we went to.

Camie: No kidding.

Universe 666 May: Yeah I'm excited.

Nico: Tunnel Rhino, I want to thank you, Rhino Guard, and your teams for coming.

Tunnel Rhino: No problem and this will be fun.

Me: Yep. (Drinking a Mississippi Queen) MMM! Wow the spice in this is phenomenal.

Poromon: No wonder we went into a nutsy-cuckoo madness and had bad stomachaches.

Me: I know. But the fire in it is good.

I drank it all down and my fire aura was intensely strong.

Me: Ahh! Yummy.

Muscle Man: Boy bro you are really tough handling it.

Poromon: We gave you a warning!

Nico: Guys J.D. is a tough guy! He can handle it.

Me: Yep. (LOUD BELCH)

I belched a massive blast of fire and it hit May in her face and burned her.

Me: Oops. Sorry May.

Poromon: See?!

May: (Coughs) I'm okay.

Me: Good. But man it was good.

Rhino (Marvel): Boy that is a really powerful and potent drink there.

Xenia: It sure is.

Me: But I like it.

Rhino (Marvel): You sure do.

Rhinomon (TLPS): I agree there too.

Me: But man Benson your friend Chuck makes a really awesome and great drink.

Benson: I'll be sure to let him know.

Nico: Alexei, I really am glad you joined us back in 2018.

Rhino: Me too. Being a bad guy was hard for me back then.

Spiderman: And stopping you was also that big of a challenge as well.

Rhino: It sure was.

Me: But it was cool.

Sandman: I agree there.

Nico: But since you joined us, you've become one of our toughest bruisers.

Rhino: Aw yeah!

Me: Nice!

Qin: COOL!

Sharko and Fang were talking.

Fang was sharpening his teeth with a file.

Sharko: You must be hungry for something after eating all that steak right?

He held up a picture of Scott as a full roasted boar with an apple in his mouth with meats and vegetables on him and he was drooling.

He slurped and snarled!

Sharko: Ah you want to eat Scott as a roasted boar like that.

Fluttershy gasped and then fainted!

Lincoln caught her.

Sharko: Oops. Sorry.

Fang slurped.

Rhino: Tell you what? You can eat his carcass

Fang nodded.

Me: He'll escape so when I whistle you can chew him up good before we send him with a tracer.

Fang nodded too and gave me the thumbs up.

Nico: Cool.

Me: Man yesterday was awesome.

Lincoln: In a museum too. We even got back a staff for one of my Guardian Angels.

Me: We sure did. And Lego Superwoman put up a good fight.

Poromon: And I got to eat the Lego version of Mr. Mind.

WE LAUGHED!

Xenia: Yeah!

Poromon: Still tastes just as awesome as the real deal.

Nico: Lego Mazahs and Lego Shazam also joined us. I'm surprised Mazahs actually opposes the Crime Syndicate anyway.

Me: That is surprising but awesome.

Qin: it sure is.

Xenia: Yeah.

Nico: And J.D.'s new weapon worked perfectly.

Xenia: It sure did.

Superman: I agree there too.

She-Hulk: Yeah and My akuma looked awesome too.

Laney: She sure did. She wanted to kill Dr. Doom too.

Me: I know but I told her to get in line first as I already called dibs on him because of unfinished business.

Nico: Lots of people what him dead don't they.

Mr. Fantastic: We do too. He sent us into space.

Me: Kind of Ironic don't you think Richard? He sent you into space and you ended up becoming the Fantastic 4.

Mr. Fantastic: That is true.

Nico: Yep. Anyway We're one step closer to bringing down Team Buktu.

Me: They will slip up soon and we got them.

Bruce Banner: I really am proud of you, Jen

She-Hulk: Thanks cousin. It was awesome.

Me: We all are proud of her.

Laney: She did great. Also she was the first member of the Avengers we met.

Nico: Really?

Me: Yep. Jen was our gym teacher before.

She-Hulk: It's true. I whipped them into shape before they went on their worldwide adventure.

Nico: Wow that is cool! So you met the Avengers before the team even started.

Me: It was a start.

Nico: Now, if only you can find a boyfriend

She-Hulk: Yep.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a brown mountain world and the moon was in front of its parent star.

Me: So that's planet Eclipsariaira.

Qin: This will be awesome!

We got to landing.

We landed and got out and saw planet Eclipsariaira! It was a mountain storm world with the sun always in a perpetual solar eclipse.

Me: So this is Eclipsariaira. Wow!

Qin: Scary place.

Xenia: Wow! Look at the sun.

Me: It's in a perpetual solar eclipse. That is cool!

Qin: It sure is!

She-Hulk: Amazing!

Nico: I'm serious about the boyfriend thing

She-Hulk: I know you are. But for now lets just check this place out.

Me: Good idea.

The skies were streaking with lightning and the mountains were scary.

THUNDERCLAP!

Me: WOW!

Fluttershy was scared of the planet because of the lightning.

THUNDERCLAP!

Lincoln: It's okay Flutters. It's okay.

Qin: She's so sensitive.

Me: Yeah.

Lincoln: Okay, guys, we're in for an awesome battle, we're here on Eclipsariaira to meet my Guardian Angel here and help Chrystine Mirage unlock her Rainbow Power and beat down Eva and send her to The Xaikora Prison.

We had all of TLPS and The MOE with us.

Nico: Now, you're talking!

Lincoln had a premonition as well same with Super Brother!

Lincoln: Whoa, and we also had a premonition as well. But, come on, we need to get to Eva.

Me: Right!

Boy Lynn heard a Pokemon cry.

Lynn Jr.: Look guys!

We saw a Mankey!

Me: Whoa! A Mankey!

Lola: Wow!

Mankey: Yeah you got a problem with that? You looking for trouble? Because I'll flip you like an omelette!

Me: Ooh fiesty!

Lynn Jr.: You hungry?

He gave it an apple and he ate it.

Mankey: Thank you.

Lynn Jr.: Want to come with me?

Mankey: Sure! If you give me his hat. (Points to Double D's hat)

Edd: My hat!? Why that's the silliest thing I've ever heard! Absolutely not!

Eddy: Give him the stupid hat so we can get a move on.

Me: Guys that's enough and Mankey, Double D has that hat on for a reason.

Mankey: Why?

Me: You really want to know?

Mankey: Yes?

Me: Are you sure?

Double D: You want to know? Here it is!

Me: LOOK AWAY GUYS!

Ymir: WHY!?

Me: JUST FUCKING DO IT!

WE DID SO AND DOUBLE D SHOWED IT!

MANKEY SCREAMED!

He got a good look at what he saw

IT WAS A PARASITIC TWIN! ITS BUTT, LEGS, HALF ITS BODY

AND ARMS WERE ATTACHED TO DOUBLE D'S HEAD!

Mankey screamed in horror and fright!

Mankey: OKAY OKAY OKAY I BELIEVE YOU!

He put the hat back on.

Double D: I hope you got a good look at it!

Mankey: I did! Sorry!

Linka pat Double D

Linka: Easy Double D. (Kisses him)

His face turned red and sizzled and he calmed down.

Lincoln: Aww good work Linka.

Me: Nice.

Mankey: Sorry guys. I'm a fighting Pokemon and I love to cause trouble.

Ash: That's how my Primeape was before.

Me: Long story.

Then we heard buzzing.

Me: What's that noise?

Laney: LOOK!

We saw a big Jeweled Mantis creature and it landed and it roared ferociously! It was a Tall pear-shaped emerald creature with the glowing green eyes, small praying mantis-like head, legs and four arms with a single huge claw in each.

WE GASPED!

Me: WHOA! IT'S PICKAXE!

Shanan: Oh my gosh! That's a Diamyanmaranian Jewelmantis! They are diamond and jewel mantises from the planet Diamyanmara and they can fire jewels and diamond blades and are intensely powerful and fast.

Qin: WHOA!

2012 Mikey screamed like a little girl.

2003 Mikey screamed like a little girl too

Qin: My thoughts exactly!

She fired jewels and they went passed us and one slashed me across my cheek.

Me: WHOA!

I saw that I was cut.

I wiped blood dripping from my face.

Me: HOLY SHIT that is sharp!

Ed: Lets do it!

Ed turned into Edzilla!

Edzilla: ED SMASH MANTIS!

Me: CHAKRA CHAIN RESTRAINT!

I formed chains and restrained her!

Edzilla punched her and smashed her down.

I took out a vial and injected her.

She reverted back and was a girl black hair and green eyes.

I wrapped her in a blanket.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Me: YEAH!

Eddy: (LAUGHS) You got that right Lumpy!

We brought her over.

Nico poked her.

POINK POINK POINK POINK POINK POINK.

Ed: And people really like it when you poke them on the head.

Eddy: Shut up Ed

Girl: OW OW OW! HEY!

Nico: Oh! Sorry!

Girl: That was silly though.

Me: Are you okay?

Girl: I think so.

Me: What's your name?

Esmeralda Emera: I'm Esmeralda Emera. I'm From France and a descendant of the mighty Behmen von Bleibruck and she is a powerful swordmaster. She is also a powerful mage and a deadly swordmaster. She comes from a long line of mages and wizards and swordsman.

WE GASPED!

Me: Your ancestor helped us battle the Storm Demon, Ba'al.

Nico: Yeah 800 years ago in Severac in Austria your ancestor helped us defeat it and we exorcised that demon from her.

Qin: It's true. That was intense.

Me: That was intense.

Qin: Yeah.

Sydney: Do you remember me?

Esmeralda Emera: I sure do Sydney. I'm glad you and everyone are okay.

Me: The High Mage is dead.

Esmeralda Emera: Really?

Me: Yeah but we didn't kill him unfortunately.

Deadpool: Lets just say it's best you don't know what happened.

Nico: How do you feel?

Esmeralda Emera: I feel amazing and better than ever.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new green clothes.

Esmeralda Emera: I look amazing!

Me: You sure do.

Qin: Yep.

Varie: LOOK OUT!

We saw a fireball, lightning ball and a blade blast come at us and we dodged them!

Me: WHOA!

Xenia: LOOK!

We saw a Mega Electivire, Mega Magmortar and Mega Scizor!

Me: WHOA! Mega Electivire, Mega Magmortar and Mega Scizor!

Nico: Where did they come from?

Me: They must be some of Dark Gale's work.

Philip: Lets see.

He used Telepathy and gasped!

Philip: It's our sisters Brynja, Varyon and Felicia! Brynja is the Mega Electivire, Varyon is the Mega Magmortar and Felicia is the Mega Scizor!

Me: WHOA! Lets go help them out.

We went over.

Shotaro: Girls calm down! It's us Philip and Shotaro!

Mega Electivire used Thunder Punch

Me: THUNDERCLAP PUNCH!

I formed lightning around my fist and our fists collided and then...

EXTREMELY MASSIVE AND POWERFUL EXPLOSION OF INTENSE LIGHTNING AND ENERGY!

THUNDERCLAP!

LIGHTNING CRACKLED AROUND US!

Nico: Nice try!

Mega Magmortar used Ember and fired a fireball!

Nico: (ECHOING) ROARING FLAME!

Nico fired a fireball with Meramon's power and the blasts collided and exploded!

MASSIVE AND POWERFUL FIERY EXPLOSION!

Nico: That was a nice try!

Mega Scizor used X-Scissor!

Me: (Echoing) LIGHTNING BLADE!

I fired a blade of lightning with Andromon's power and it collided with the blade and exploded!

Me: YEAH!

Qin: NICE!

Nico: Anything else?

Me: Nope.

I snapped my fingers and they reverted back.

Brynja was a girl with blond hair and yellow eyes and yellow wings and had the symbol of the Brachiosaurus Memory with the W Symbol on her forehead and arm.

Varyon had red hair and red eyes and red angel wings and had the Violence Memory Symbol with the W Symbol on her arm and forehead.

And Felicia had Blue hair and blue eyes and blue wings and the Fang Memory Symbol and the W Symbol on her forehead and arm.

We wrapped them in blankets and brought them over.

Me: Whoa! Close.

They woke up.

Varyon: (Groans) What hit me?

Brynja Hidari: I feel like I got smashed by a bunch of Dopants.

Felicia Hidari: Same here.

Shotaro: You girls okay?

Philip: Yeah.

Girls: Brothers!

They hugged them.

Varyon: You little dweebs! We're glad you're okay.

Me: You girls were turned into Mega Electivire, Mega Magmortar and Mega Scizor by Dark Gale.

Brynja Hidari: Oh man! We were fighting the Brachiosaurus, Fang and Violence Dopants.

Me: Very coincidental.

Nuju: Yeah.

Varyon: When we find Dark Gale I'm going to rip them apart so bad that their blood and guts and inards will be splattered all over!

WE GASPED!

Sebastian Mendez did wild takes and hurled all over!

Sebastian Mendez: OH MAN THAT'S SCARY!

Me: Yeah! But you're a little too late for that. We already destroyed them 4 months ago.

Poromon: Yep. What are your rider names?

Brynja Hidari: I am Kamen Rider Brachiosaurus. I use the powers of the Brachiosaurus and the powers of plants to destroy my enemies.

Varyon: I am Kamen Rider Violence. I am the most brutal of them all and smash my enemies all over into bloody pulp.

Felicia Hidari: And I am Kamen Rider Fang. I use the powers of razor sharp teeth to shred my enemies to pieces.

Nico: NICE!

Qin: Cool!

Rarity: Lets get you all some new clothes darlings.

The Fashion Brigade gave them new clothes. Brynja's was yellow, Varyon's were red and Felicia's were blue and they got their belts and new awesome swords.

Varyon: We look awesome.

Me: You sure do.

Nico: We're not done yet.

Me: Nope.

We took off to take down Eva.

We were flying in the air and we saw Eva fighting and losing badly against her opponent: a beautiful girl who was tall at 20'11" in height, she has the body of a goddess and large breasts, tanned skin, orange and purple hair with purple streaks and purple flower in her hair, pink eyes, she was dressed in a dark purple two-piece bikini, solar eclipse mark on her forehead, she has massive black and purple angel wings with stars, and she has a sword in hand.

Lincoln: (GASPS) I knew it, it's Elaine Eclipsariaira, Queen of The Eclipsariairans of Planet Eclipsariaira.

Nico: The last Eclipsariairan, and you know her, Lincoln?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, that's Elaine Eclipsariaira, Queen of The Eclipsariairans of Planet Eclipsariaira, she's Lincoln's Guardian Angel from the planet Eclipsariaira, the planet of fire, light, and darkness in The Forbidden Zone that's under an eternal eclipse, she was The Queen of The Eclipsariairans who ruled the planet of Eclipsariaira and she's also far more powerful than her own people: in addition to being a natural born fighter, immense power over fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow even stronger, but she was also born with angel wings, immense powers over fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the ability to grow even stronger, and all the powers of her people times infinity, and she left her home when the Infernairans invaded eons ago and she swore to return and put them to the sword. Elaine Eclipsariaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers over fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained omnipotent power and the immense powers over fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, Omnipotence, Omniscience, Cosmic Awareness and the ability to grow even stronger, and all the powers of The Eclipsariairans, and he was already born with immortality and invincibility, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people, her planet's core and planet itself, and her planet's Sun to preserve their legacy and she swore to thank him for what he did, but she knew that it was part of a vision her people had: a vision of The Reincarnation of Amaterasu coming who would absorb the souls of their male Eclipsairairans imprisoned in the Well of Souls, absorb their planet and its core, and its Sun into his body to preserve their legacy, and by marrying their Queen, their life would begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix. Lincoln made her an awesome fire greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them burned to death with the power of The Sun and The Moon of Eclipsariaira.

Me: Whoa!

Lincoln: Let me give her a hand. SOLAR ECLIPSE FIRESTORM!

Lincoln fired a massive blast of solar fire and darkness that formed into a solar eclipse energy ball and it hit Eva and exploded, and thanks to Brittney's curse, she got mangled up even more. Then, we landed.

Elaine Eclipsariaira: Lincoln, is that you?!

Lincoln: Yes, it's me, Elaine.

She ran up to Lincoln and hugged him.

Me: You got some fucking nerve showing your ass here again, Eva!

Elaine Eclipsariaira: And on my planet as well! You're just as bad as Lynn when she had that filthy pig inside her!

Eva: SHUT UP! SHUT THE FUCK UP AND DIE, BITCH!

EVA RAN AT AT HER TO KILL HER, ONLY FOR SUPER BROTHER TO KICK HER HARD IN THE CHEST AND SENT HER FLYING INTO A ROCK FORMATION! SHE GOT OUT, BUT SHE BELLOWED AND SCREAMED IN PURE RAGE!

?: (Strong Deep Manly Voice) You're not laying one single hand on anyone ever again.

Suddenly, waves of green energy, green fire, and green lightning were sent flying right at Eva, and she got hit hard.

Me: WHOA! Who did that?!

Lincoln: That's what we wanted to tell you guys. We just had a premonition of who's also here, his name is Green Firestorm Super Genius Coyote, The Good Akuma of Tech E. Coyote, and he's a truly omnipotent powerful force of good and powerful godly angel, he has all of Tech E. Coyote's powers times infinity along with enormous angel wings, immortality, invincibility, regeneration, superhuman intelligence, omnipotent power, infinite godly superhuman strength, superhuman speed, superhuman agility, superhuman endurance, superhuman durability, superhuman senses, incredible combat skills, omnipotent powers of green fire, green lightning, Electromagnetic Lightning, magnetism, gadgetry expertise, and all the powers and abilities of all the animals in the world, mythical beasts, the immense divine powers of God, The Archangels, and The Angels of Heaven, purifying powers, and all the immense powers of The Ancient Gods and Goddesses of The

Ancient World. He was created when he was fighting against The Demon Bully Duo, The Evil Akumas of Chandler's former partners in crime, Artie and Trent, and he got into quite a brutal fight with those fiends, and they were absolute heartless assholes. Tech swore that he wouldn't let those two piles of dogshit win, and that awakened his desire to protect those in need and punish those who are beyond any forms of redemption and are born pure evil to the core, and he turned into a 120'11" massive and really muscular coyote and with the newfound power he gained, he took those two jerks down and brought them to Super Brother who cleansed them and turned them back to Artie and Trent and they threw them in juvie. He's one of the many geniuses and inventors of Team Loud Akuma Angel Storm, and he's dating Akira Furukawa, a young female coyote who lives in Royal Woods in Super Brother's world and she was smart and beautiful and one of the allies of Super Brother's harem. Of course, that also got the attention of her other sisters, Akane, Akiko, Emi, Akari, Akemi, Ami, Chiyo, Aika, Aoi, Airi, Fumiko, Hana, Himari, Hina, Mai, and Aiya, and they too also joined in, and like Super Brother, he gained a massive harem, and he also gained infinite virility and an infinitely massive sex drive and sexual stamina, and he knows how to please the ladies in his harem and he's also a true gentleman, and his personality, noble heart, and rugged good looks and extremely ripped muscular body has gotten him tons of cat calls and wolf whistles from them all the time.

Lincoln got out his sketchbook, and we saw him: Green Firestorm Coyote is a 120'11" massive and extremely muscular version of Tech E Coyote come down, he has abnormally massive and powerful upper and lower body muscles and eight-pack abs, deep emerald green eyes, he was shirtless and he only has on a black and green Usekh and black and green Shendyt around his waist, black toe claws, black finger claws, he has gold bands on his massive biceps and ankles, gold braces on his wrists, The Necklace of Anubis, and enormous brown angel wings with a very enormous wingspan of

Suddenly, we saw Green Firestorm Super Genius Coyote come down, and he matches Lincoln's sketch: a 120'11" massive and extremely muscular version of Tech E Coyote with abnormally massive and powerful upper and lower body muscles and eight-pack abs, deep emerald green eyes, he was shirtless and he has on a black and green Usekh collar around his neck and black and green Shendyt loincloth around his waist, black toe claws, black finger claws, he has gold bands on his massive biceps and ankles, gold braces on his wrists, The Necklace of Anubis, and enormous brown angel wings with a very enormous wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,9

Lincoln: One of the many geniuses and inventors of Team Loud Akuma Angel Storm, and like I said, he's dating Akira Furukawa, a young female coyote who lives in Royal Woods in Super Brother's world and she was smart and beautiful and one of the allies of Super Brother's harem. Of course, that also got the attention of her other sisters, Akane, Akiko, Emi, Akari, Akemi, Ami, Chiyo, Aika, Aoi, Airi, Fumiko, Hana, Himari, Hina, Mai, and Aiya, and they too also joined in, and like Super Brother, he gained a massive harem, and he also gained infinite virility and an infinitely massive sex drive and sexual stamina, and he knows how to please the ladies in his harem and he's also a true gentleman, and his personality, noble heart, and rugged good looks and extremely ripped muscular body has gotten him tons of cat calls and wolf whistles from them all the time.

Maria: No way...!

Tech E Coyote: I highly doubt that.

Green Firestorm Super Genius Coyote: (Smirks) Oh yeah? Girls, mind coming out?

Then, we saw a young female coyote come out, she was smart and beautiful has the same fur colors as Green Firestorm Super Genius Coyote, she has green eyes, and she was dressed in a black and green two-piece bikini, her name is Akira Furukawa.

Then, we saw sixteen female coyotes come out, they have the same fur colors as Akira and Green Firestorm Super Genius Coyote, green eyes, and they were dressed in back and green two-piece bikinis.

Me: Whoa, he has seventeen girls in a harem of his own?!

Green Firestorm Super Genius Coyote: And all of them are sisters.

Maria: (Whistles)

Eva ran at the girls and tried to beat them all to death, but Green Firestorm Super Genius Coyote landed a hard punch to her stomach, and she belched out a lot of blood and kicked her away.

Green Firestorm Super Genius Coyote: Get away from my harem, you bitch!

Nico: We just got a member that can hit hard as you

Rhino: And that's me!

He punched her hard!

I punched Eva several times in her stomach and bashed her all over!

Eli: He's about to use The Atavism of The White Wolf of Amaterasu again!

Lincoln: (Speaking in Japanese) 太陽の光と天界に呼びかけ、この恐ろしい悪の忌まわしい存在を倒し、永遠の破滅の地へと送り届けます。祝福された者の魂が蘇り、地獄の民に永遠の罰を与え、彼らを永遠に冥界の闇へと送る強力な狼の姿をとりますように。私の歌が天界の審判をもたらし、この忌まわしい存在を永遠の安息の地へと送り届けますように。(I call upon the light of day and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Lincoln also attacked her with his massive greatsword, and he mixed up his attacks with left hand punches, kicks, tail swipes from his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were more brutal than ever, and he let his massive white wolf with massive white angel wings companion also attack her too with incredible fury and he fired intense fire and elemental blasts at her and they explode with fiery and intense power.

Then, Lincoln fired ten massive balls of fire from his left hand and they orbited around Eva and they collided and exploded as they hit her, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

He even slashed Eva in the stomach with his left hand's gold-armored dragon claws and his massive greatsword leaving bloody and brutal claw marks on the stomach, and the wounds got cauterized because of the intense heating up of his gold-armored dragon claws and his left hand's finger claws and massive greatsword!

Arpina Infernaira: Ooh! Now, that's just brutal.

Finally, Lincoln formed a massive blue fireball in his left hand and he threw it down, and it sunk into the ground unleashing a storm of lightning bolts and raging blue fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS THE PILLAR ROSE INTO THE AIR AND THE EXPLOSION HITS EVA, AND SEVEREAL PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED SEVERELY!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

So let your magic run wild

Let your magic run wild

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into the stomach of Eva and a cluster of rainbow, white and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 520'11" massive, wide, double-edged gold blade of his massive greatsword, I formed a very massive glowing rainbow energy blade surrounding the 60'9" massive, wide, double-edged gold blade of my massive greatsword, and Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, EVA!

Lincoln, Nico, and I did one final powerful energy slash that hit Eva hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Eva was on her last legs and she was really really mangled.

Lincoln then tied Eva up and he threw Eva into a portal he opened up that led to The Xaikora Prison where she joined Heather, Alejandro, and Jo. We cheered as we holstered our weapons and powered down and the rest of us boarded The U.S.S. Valorous Phoenix while Lincoln was still outside.

Nico: And that's another sore loser taken down!

Me: You said it. That'll teach her!

Lincoln: And you really went apeshit nuts on her. I better absorb the flames immediately.

Lincoln flew into the middle of the massive and intense raging inferno of epic proportions and then, he proceeded to suck in the massive and intense raging inferno of epic proportions, lava bombs, embers, fire tornadoes, and raging lightning into his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power as he gained another astronomical power boost and grew even more stronger, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame

patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

When Lincoln was done sucking in and absorbing the entire massive intense raging inferno of epic proportions, lava bombs, embers, fire tornadoes, and raging lightning into his body, his rainbow, white, golden yellow, and blue energy aura with mythological animals, animals, and elemental forces looked like a raging inferno and he pounded his chest like a gorilla.

Lincoln: WHOA! That was so intense! (Flexes his massive arms and his massive biceps bulged even more with veins forming) (GROWLS) RRGH! (Smirks) And I'm still continuing to get even stronger and more powerful than ever. Now, for one last bit of business.

Suddenly, Lincoln felt incredible power coming from the north, and there he found it: the well of souls of Eclipsariaira and it was in the city.

Lincoln: There it is.

Then, Lincoln hovered his hand over the intricately carved stone cover with a purple and orange gem surrounded by angels carved on it, and then, the gem in the center glowed. Suddenly, the cover came to life and slid off, and then, a massive tornado of purple and orange souls came out numbering in the septillions: they were the septillions of souls of the ancient male warrior angels of Planet Eclipsariaira.

Lincoln: Unreal!

Suddenly, the septillions of souls of the ancient male warrior angels of Planet Eclipsariaira then flew at Lincoln, and one by one, they each began entering Lincoln's body and they merged with him as he gained an astronomically massive power boost and he gained their immense superhuman strength, superhuman durability, superhuman speed, superhuman endurance, fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and orange and purple aura with solar fire, fire, and darkness surrounding him and the rainbow, white, golden yellow, and blue protective aura and holy white aura as well was like a raging fire as he roared and pounded his chest like a gorilla.

Lincoln: Whoa, oh man, all of the male Eclipsariairans' immense superhuman strength, superhuman durability, superhuman speed, superhuman endurance, fire, darkness, The Sun, The Moon, Cosmic Pyrokinesis, Cosmic Umbrakinesis, and excessive virility, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and incredible godly powers along with their spirits and lives have merged with my body. (Flexes his massive muscles as his massive biceps bulged even more with veins forming)

Lincoln 2: (Through the rainbow Thunderbird on Lincoln's forehead)

Along with eons of combat experience. Now, there's one last thing to do.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Eclipsariaira, the inner and outer cores of the planet consisted primarily of iron and nickel and are extremely white hot with the temperature at more than 999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the planet's core, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core of the planet and Planet Eclipsariaira itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh yeah, this feels good. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space. Then, he flew into Planet Eclipsariaira's Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Oh yeah, this feels so good. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, as he reappeared on The U.S.S. Valorous Phoenix and we headed back home and we disembarked in the park.

Lincoln: Now, that was so incredible! The septillions of souls of the ancient male warrior angels of Planet Eclipsariaira have merged with me, and I also absorbed their planet's core, Sun, and planet themselves into my body. (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

Suddenly, Lincoln pinned Elaine Eclipsariaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Elaine Eclipsariaira with dark purple gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Elaine Eclipsariaira: That's my special gift to him: Eclipsariaira's Blessing of Solar Eclipse Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 520'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Elaine Eclipsariaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Eclipsariairans both males and females were extremely wild when it came to sex and lovemaking.

Lily the Mermaid: Oh boy. But, I can't believe we ran into Eva of all people on Eclipsariaira.

Nico: Yeah, that was really horrid we ran into that bitch and on another Forbidden Planet in The Forbidden Zone.

Me: Something big is happening.

Lincoln: And I already know what it is.

Me: Well another Sore Loser in prison where she belongs.

Qin: Yep.

Katie: Me and Sadie only competed once too!

Me: I remember many of you did.

Sadie: I agree. Once is more than enough.

Me: But regardless you all had a huge hand in bringing down Billy McLean and ending his reign of terror.

Sadie: That is true.

Noah: We sure did.

Sierra: That is for sure there!

Lola: Yeah!

Me: Billy McLean did one good thing and that is expose the true colors of many of the Sore Losers.

Cameron: That is true. They became total outcasts in school and beyond all over Canada and the world.

Tyler: Yeah they sure did.

Me: Good fucking riddance.

Mankey: Yeah no kidding there!

Boy Lynn: Yeah that is for sure.

Nico: Nice job Mankey.

Mankey: Thanks Nico. That was fun.

Poromon: Want some beer?

Mankey: Oh no thanks. But you got any banana cream pie?

I gave him a pie.

Me: There you go.

Mankey: Thanks.

He ate it.

Poliwag: (Does puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Mankey: Give me the puppy eyes one more time and I will bash your head.

Me: Poliwag you should know better than to do that on a Fighting Pokemon.

Poliwag: Sorry.

Poromon: We're going somewhere later.

Me: Where?

Carrie Kirk: I promised to show them the home planet of my birthright. We're going to Andor.

Me: WHOA! That will be interesting to see.

Nico: Yep.

Me: I've always wanted to see Andor.

Nico: Yeah.

Tunnel Rhino: That will be cool.

Carrie Kirk: It's going to be cold there so bring your warmest jackets.

Me: Right it's on an icy moon.

Nico: Oh Tunnel Rhino, what do you like to do in your free time?

Tunnel Rhino: Oh I'm a mining robot. I help mine diamonds and gold.

Qin: WOW!

Xenia: COOL!

Me: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, one of them is The Avatar of The Sleep Clow Card and don't worry, she's awake. (Sensed a good energy)(GASPS) Oh, no way. I sensed another good energy in one of the Anothers, it's Emily Jackelstein!

WE GASPED!

Lincoln and Connie Jackelstein gasped at the mention of the name.

Lincoln: Connie's little sister, but this means...!

Connie Jackelstein: Swartz brought her back and turned her into one of the Anothers because of her wanting revenge on Scott for raping and killing her along with seeing me again.

Eli: Yep. (Sensed a hostile energy) Oh crud, and the Another Cameron, it's Anna Maria!

WE GASPED!

Me: No way, another Total Drama Sore Loser's coming after us, this is too good to be true!

Nico: Don't separate her just yet, Lincoln, why don't we inflict some pain on that bitch first, and then, once you separate her, we'll tie her up.

Lincoln: And throw her into The Xaikora Prison to join the other Sore Losers.

Me: This will make 2 Sore Losers going to the Xaikora prison.

Qin: Perfect!

Nico: So Tunnel Rhino, Rhino (Marvel), Rhinomon, Cybertron Backstop, Rayna Rhino Kabuteri and Rika Rhino are up and we're going to face Another Rhino Guard (Robin Hood), Rhinomon, Rhino (Spiderman the Animated Series), Animated Blackarachnia, Yuga (Legends of Zelda) and Kamdor and Miratrix.

Me: Yep.

Qin: Awesome!

Nico: There they are!

We saw Another Rhinomon, Rhino (Spiderman the Animated Series), Animated Blackarachnia, Yuga (Legends of Zelda) and Kamdor and Miratrix!

Me: WHOA!

Rhinomon (TLPS): Sounds confusing that there's 2 me's on both sides.

Me: I know.

Then we smelled the tantalizing scent of burgers.

Me: (SLURPS) I know that smell anywhere.

Another Yuga: (In a girls voice) It sure is good.

They reverted back and were the gene-slammers of Hungry Burger, Bistro Butcher and Tongue Twister and they had Emily Jackelstein!

Nico: Sheena Burger, Bianca Bistro and Tara Tonguera!

Connie Jackelstein: (GASP) EMILY!

She went and hugged Emily and cried hard!

Connie: (CRYING) I'VE MISSED YOU SO MUCH!

Emily: ME TOO! SCOTT...

Connie: I KNOW! HE... (CRYING HARD)

Me: Scott you douchebag!

Lincoln: I know.

Me: But girls you're the gene-slammers of Hungry Burger, Bistro Butcher and Tongue Twister.

Tara Tonguera: That's right.

Ymir: What's a Tongue Twister?

Me: It's like this... Peter Piper picked a peck of pickled peppers. Peter Piper picked a peck of pickled peppers. Peter Piper picked a peck of pickled peppers.

MY TONGUE GOT TIED INTO A KNOT!

Me: (Muffled) SEE? It ties up your tongue into a knot.

Nico: Yeah it's crazy.

I untied my tongue.

Me: Yeah it's funny. By the way girls is the Another Rhino Guard friendly or hostile? We already know who the Another Cameron is and she is hostile.

Sheena Burger: I figured and the Another Rhino Guard is friendly.

Me: Good,

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Render green the dying bough

Raise the rock where Yurgen fell

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Raise the rock

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Nico: And now we wait. (YAWNS)

Then Nico suddenly fell asleep!

Me: WHAT THE!? Hey no time for falling asleep now!

?: Sorry!

Then we saw Another Rhino Guard and Cameron!

Me: WHOA! There they are.

Qin: Wow!

Another Rhino Guard: (In a girls voice) Sorry about that.

She reverted back and it was the Avatar of the Sleep Card.

Lincoln: Sara Sleep!

Sara Sleep: Good to see you Lincoln.

Xenia: Care to introduce us?

Anna Anyanova: Sure. This is Sara Sleep, Avatar of The Sleep Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of sleep, dreams, the powers of the night, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sleep Clow Card, and the magic of Clow Reed. She's The Night Sleep Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Sara Sleep is a master of the powers of The Loop Clow Card and she's a powerful master of sleep, dreams, the powers of the night, and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Sara Sleep came to Royal Woods where she met Lincoln, and she taught him how to master the powers of sleep, dreams, the powers of the night, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sleep Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of sleep, dreams, the powers of the night, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Sleep Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her powers to fire a sleeping gas that knocked those three out and sent them back to The Loud House and locked them up in a prison in the basement to keep them from trying to get revenge.

Me: WHOA MAN! Well you knocked out Nico.

Nico: (Snoring)

Me: Hey Wake up Sleeping Beauty!

I clashed 2 cymbals!

CLASH!

I blew an air horn!

HOOOOOOOONNNNKK!

And I banged a drum!

Me: What else is loud and obnoxious?

I played It's Doc Gerbil's World on my IPhone.

Bai Tza: (GROWLS IN RAGE) I HATE THAT SONG!

But it didn't work.

Me: Boy if that won't wake him nothing will.

Poromon gave Nico a wet willie

But it didn't work.

Me: Hmm. HEY NICO I'M GOING TO EAT ALL YOUR CHICKEN WINGS!

Nico woke up and I dodged a punch from him!

Nico: LIKE HELL YOU WILL! Wait what happened?

Me: You fell asleep because of our friend here.

Sara Sleep: Sorry about that.

Nico: Oh no worries.

Sara Sleep: I'm Sara Sleep, Avatar of the Sleep Card.

Nico: That explains why I was so sleepy.

Me: Yeah. (To Another Cameron) And we can smell your hair spray from a mile away Anne Maria!

Another Cameron: Aw CRAP!

She reverted back! It was ANNE MARIA!

Anne Maria: Well you try keeping hair this nice! But I'm REALLY MANGLED UP!

Me: Nice to know Brittney's curse works.

Nico:...we are about to give you a thrashing. And you're worried about your hair?!

Anne Maria: Well you know how much hair spray I need for this hair!?

Me: Nico can you even fathom how much beauty products she goes through in one sitting to get that pretty? It's disgusting. Also I think she went on Total Drama to get the money to buy all that.

Anne Maria: He's right on that and it was to impress VIto.

Me: Uh you mean one of Mike's personalities?

Anne Maria: Wait what?

Me: Yeah haven't you been paying attention? Mike had dissociative identity disorder. He had 6 personalities.

Cameron: It's true. I managed to decifer the triggers for them.

Anne Maria: Can you tell me?

Cameron went over them. When Mike's shirt was removed he turned into an Italian hunk named Vito. when he wore a Fedora hat he turned into an Australian Adventurer named Manitoba Smith, when in an athletic situation he turned into a Russian Female gymnast named Svetlana. When he was frustrated he turned into an old geezer named Chester. And his basic personality named Mike. But there was an evil persona that he kept dormant in Juvie named Mal! AND HE WAS PURE EVIL!

Duncan: Yeah I knew Mal and he was running Juvie. And he was REALLY BAD NEWS!

Me: No fucking shit!

Ymir: I had no idea Mike went through all that.

Mike: Well now me and my personalities are all one. Except for Mal.

Me: Mal was destroyed forever thank goodness.

Qin: Yeah.

Anne Maria: I had no idea! But Mike will be mine!

Me: Uh news flash bimbo, Zoey and Mike are now married. The only place and family you're going to have is back in the Xaikora prison!

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

They got weapons from said teams.

Sara Sleep: No he didn't because I used my powers to put him to sleep and I ran.

Sakura Knudson: Oh man! That explains why he was so tired I couldn't wake him up.

Me: Wow! He must've been in a coma.

Sakura Knudson: I wish.

Sougo: (gets out Dino Thunder Ridewatch) Hate to ruin your looks

Geiz: (gets out SPD Ridewatch) Actually, that's a lie!

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor

Me: Turns out some people are much more prettier than you!

I fired waves of fire and blasted her hair off!

Anne Maria screamed!

I held out a mirror!

Anne Maria: (SCREAMS IN HORROR)

Me: What? Your hair was an eyesore anyway.

Lincoln: We'll separate you after we have our fun.

We separated Another Rhino Guard.

We fired waves of energy and blasted Another Rhino Guard.

Me: Also I think Chris had to wear a gas mask around you Anne Maria.

Chris McLean: He's right on that! It was not cool!

Nico: (Gets out Rhino Guard's ridewatch) CHARGE!

May: (Gets out Rhino (STAS) Ridewatch) I WILL SMASH YOU!

Universe 666 May: (Gets out Animated Blackarachnia's ridewatch) I am a spider and I will bite!

Maria: (Gets out Yuga's ridewatch) This will hurt!

Rhino (Marvel): (Gets out Rhinomon (M.O.E.) Ridewatch) ATOMIC BLADE!

He had his horn glow and charged!

They used the powers of Rhino Guard (Robin Hood), Rhinomon, Rhino (Spiderman the Animated Series), Animated Blackarachnia, Yuga (Legends of Zelda) and Kamdor and Miratrix and blasted them down.

Zoey kicked Anne Maria down.

Poromon: YEAH!

Then Anomalocaris Dopant, Tri-Klops (X-Squad Universe), Chicken Ghost, Shutterthug, Fritz Hühnermörder And Eyesaur came!

Me: WHOA!

Qin: AWESOME!

Nico: Nice team Anomalocaris Dopant!

Anomalocaris Dopant: Thanks Nico!

Me: A Team 550 million years in the making! That means Earthrock Trilobite and his team next.

Earthrock Trilobite: That's right!

Me: Yeah!

?: That is awesome!

Akroma the Angel of Wrath appeared!

Me: WHOA! Akroma the Angel of Wrath!

Xenia: WOW!

She landed.

Akroma: Looks like the fun is going to start.

Nico: Aria Akroma! Wow!

She reverted back.

Aria Akroma: Good to see you Nico. I got this.

She fired waves of light and separated Anne Maria from Another Cameron and she blasted the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Anne Maria was running!

Lana: WE GOT A RUNNER!

Laney: Not for long!

She used her vines and grabbed her and tied her up!

Me: There!

Nico: Nice job!

Aria Akroma: Thanks! That was cool.

Qin: It sure was.

Me: Back to the Xaikora prison for you Anne Maria.

We sent her back.

Nico: There.

Rhino: Do you have any good memories of Nico?

Aria Akroma: I sure do. When me and Nico were over in the mountains and we found an amazing Crystal Sanctuary and it was amazing.

Qin: I remember seeing that. It was beautiful.

Me: Wow!

Nico: Yep.

They hugged.

Nico: I've missed you.

Aria Akroma: Same here.

Emily Jackelstein: We have a lot of catching up to do sis.

Connie Jackelstein: I know sis. I know.

We went back home.

We got a move-on, and we spotted our target: the clone of PrimusPlanetmon who has The Dark Sleep Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Sleep Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Sleep Card and he began sucking out all its sleep powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Sleep Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Sleep Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Sleep Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of PrimusPlanetmon.

The clone of PrimusPlanetmon fired blasts of intense powerful lasers, but Lincoln absorbed the blasts and it made him stronger.

Lincoln: Nice try. Alright, let's get him.

Robin Hood: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Sherwood Forest Hero Outlaw Cosmic Star Nature Leaf Storm Fury Fox Outlaw Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Sherwood Forest Hero Outlaw Cosmic Star Nature Leaf Storm Fury Fox Outlaw Phoenix God Seraphim Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Allow me, Lincoln.

Robin Hood went after the clone of PrimusPlanetmon, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit him, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at him that transformed into many arrows with leaves surrounding them and he got hit all over the place.

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the clone of PrimusPlanetmon, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and they got hit hard, and Red Savarin slashed at him with his massive greatsword and shot them with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the clone of PrimusPlanetmon, and he screamed in agonizing pain.

Lincoln continued smashing the clone of PrimusPlanetmon hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

RRGH!

Then, when Lincoln was done, nothing was left of the clone of PrimusPlanetmon and he also sucked out all the energy remaining in his soul and the clone faded away and he let out a loud and massive roar and howl of dominance and power as he pounded his chest like a gorilla and he flexes his massive muscles as fire exploded out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Sleep Card and Lincoln absorbed the clone of PrimusPlanetmon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 9'0" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes,

massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Lavalval Ignis on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Lavalval Ignis on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Lavalval Ignis, and she has a fire greatsword, and with her are the five girls Lincoln is to rescue and the two girls Ets is to rescue.

Lincoln: (GASPS) Hestia Vulcania, Avatar and Gene-Slammer of Lavalval Ignis.

Hestia Vulcania: That's right, and I got them away from the clone of PrimusPlanetmon and The Dark Sleep Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Sleep Card when I sucked out its powers and absorbed the clone of PrimusPlanetmon. (To Hestia Vulcania) And it's so good to see you again, Hestia.

Hestia Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Hestia Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Hestia Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Hestia Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Hestia Vulcania's waist and hugged her, and Hestia Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Hestia Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 520'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Hestia Vulcania, Avatar and

Gene-Slammer of Lavalval Ignis, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Ignis. She's The Volcanic Lava Ignis Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Hestia Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Ignis, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lavalval Ignis, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Hestia Vulcania hates Pablo and Anderson with a passion because those two shithead heartless callous stupid bullies dumped a massive bucket of sewage on her, and they callously laughed at her with cruelty. Hestia got super enraged and angry, she fired a massive blast of fire at them, and the blast of fire burned their clothes to ashes and left them in the nude and when she exposed their nudity to the public, they got arrested for indecent exposure and she had to take twenty-five hot baths to get the smell of the sewage off her.

Nico: Lincoln told us of what you did, those rotten jerks went too fucking far with that stunt.

Lynn: You're telling me, she really caused them so much pain after that.

Lincoln: That's for sure, what they did proved those two were nothing more than callous bastards, and I'm so glad we killed them when Elise made her move months ago, and now that you're here, Hestia.

Lincoln with his massive muscular arms still wrapped around Hestia Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Hestia Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Hestia Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Hestia Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Hestia Vulcania.

Hestia Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Hestia Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Hestia Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Hestia Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Hestia Vulcania: (In Heaven) My God.

Then, when Ets saw the two girls, he recognized them, they were

Kana and Silvia.

Ets: Oh man, that's Kana and Silvia, they're twins who were hunted by humans for sport, and as a result, they were seperated from each other and has lived differemt lives since. Silvia evolved into a Harpy of some kind, being bigger and stronger, while Kana on the other hand, never evolved, having stayed small and weak. But she did get a job in following Josie around, keeping her in check and prevent her from destroying anything or anyone.

Then, when the twins saw Ets, they went up to him and they hugged and kissed him as a thank you.

Nicole: Been a long while since Ets had a rescue.

Hestia Vulcania: Yes, that's true. Oh, Lincoln, you better tell the guys to run to their room, the five girls I rescued are voluptuous babes, but four of them are (SLOW MOTION VOICE) NUDE!

Lincoln: (GASPS) GUYS, TO YOUR ROOMS RIGHT NOW, AND IF I SEE ONE OF YOU SO MUCH AS PEEK AT ONE OF THE FIVE GIRLS, YOU ARE GETTING SUCH A KICK TO THE ASS, YOU'LL BE SECRETING BLOOD IN THE TOILET!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the five girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the five girls are Josie and Aya Takagi, Akina Yamaguchi, Miho Nishida, and Ryou Oonishi from Four Moms: The Naked Rural Life.

Lincoln: Oh whoa, it's Josie and Aya Takagi, Akina Yamaguchi, Miho Nishida, and Ryou Oonishi from Four Moms: The Naked Rural Life.

Nicole: YIKES! No wonder you issued that kind of warning when Hestia told you, they're voluptuous and Aya Takagi, Akina Yamaguchi, Miho Nishida, and Ryou Oonishi are indeed nude, and Josie has Mana powers, making her quite a formidable foe towards anyone who also have Mana powers. In addition, she can't wear normal clothes as they'll disintegrate on contact due to the radiation of her intense Mana energy, so the black attire she wears is part of her body which can be adjusted to her liking.

Lincoln: Josie can easily take down someone, but the other four are easy targets for those who would want to hurt them, but not as long as I'm around. Are you girls okay?

Aya Takagi: Yes, we're okay, thanks to you.

Then, when Aya Takagi and the other four girls saw who it was that saved them from The Dark Sleep Card and the clone of PrimusPlanetmon, their faces turned atomic red and their noses gushed out blood upon seeing the 520'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive

and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Akina Yamaguchi: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Josie, Aya Takagi, Akina Yamaguchi, Miho Nishida, and Ryou Oonishi with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

We heard Alecto's scream of rage.

Lincoln: And we just pissed that snake off.

Nico: And we're just getting started.

Me: We won't stop until we put an end to that lunatic's scheme.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 20'11" in height, she has the body of a goddess and large breasts, tanned skin, long brown hair with blue streaks and green flower, blue eyes, she was dressed in a blue two-piece bikini, she has massive blue angel wings, and she has a water greatsword in hand.

Lincoln: (GASPS) Serena Skyvall, Queen of The Skyvallians of Planet Skyvall.

J.D. 2: The last Skyvallian. And Lincoln, you know her?

Lincoln: Indeed I do.

Anna Anyanova: And so do we, everyone, this is Serena Skyvall, Queen of The Skyvallians of Planet Skyvall, she's Lincoln's Guardian Angel from the Planet Skyvall, The World of a Million Floating Planets, a vast massive world of a million forbidden planets in one where many ancient civilizations had flourished and cities were built and peace reigned supreme because of the truly ironclad bonds the million floating planets of Skyvall had, Serena Skyvall was the Queen of The Skyvallans, who ruled the planet of Skyvall and she's also far more powerful than her own people: in addition to being a natural born fighter and having immense power over water, earth, nature, The Sun, the skies, superhuman strength, superhuman durability, superhuman senses, superhuman speed, and superhuman endurance, and the ability to grow even stronger, but she was also born with angel wings, immense power over water, earth, nature, The Sun, the skies, superhuman strength, superhuman durability, superhuman senses, superhuman speed, and superhuman endurance, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people times infinity, and Serena left her home eons, because like with the many Planets of The Forbidden Zone, it too would soon fall victim to the savage bloodthirsty rage-fueled Infernairans of Planet Infernaira. They laid waste to the million planets of Skyvall and its brave male warriors were imprisoned in a massive Well of Souls after they were defeated and where they would remain to this day as the million floating planets in one would be left quiet and barren and devoid of life, but despite this, they had the very same vision as the planets of The Forbidden Zone: the vision of The Reincarnation of Amaterasu coming to Skyvall who would absorb the souls of the many millions of male warriors from the million floating planets imprisoned inside the million Well of Souls on the million planets, absorb the million floating planets and their cores, and Skyvall's massive Sun into his body to preserve the legacy, and by marrying the legendary Queen of Skyvall, their life would soon begin anew once more and their legacy forever preserved by The Reincarnation of Amaterasu and The Champions of The Immortal Eternal Phoenix and she swore to return and put them to the sword. Serena Skyvall came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers over water, earth, nature, The Sun, the skies, superhuman strength, superhuman durability, superhuman senses, superhuman speed, and superhuman endurance, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, and superhuman endurance, omnipotent power and the immense powers over water, earth, nature, The Sun, the skies, and superhuman endurance, Omnipotence, Omniscience, Cosmic Awareness, and all the powers of The Skyvallans, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolf-Vampire-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln absorbed the souls of her people from the millions of Wells of Souls on the million planets, the cores of the million planets and the million planets themselves, and Skyvall's Sun to preserve their legacy and she swore to thank him for what he did. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them drenched and beaten to a pulp with the power of Skyvall.

Serena Skyvall: And I knew Lincoln absorbed the septillions of souls of the male Skyvallians on our main planet and the septillions of souls of the million planets, our main planet's core and planet itself along with the cores of the million planets and the million planets themselves, and Skyvall's Sun to preserve their legacy.

Shanan: As foretold by the vision your people had along with the other planets of The Forbidden Zone.

Serena Skyvall: That's why Lincoln was given the task of absorbing the souls of the males of our planets, our planets' cores and planets themselves, and our planets' Suns into his body to preserve their legacy and gain all their power and knowledge, and it's good to see you again, Lincoln, but wow, you've really grown.

Suddenly, Lincoln pinned Serena Skyvall to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Serena Skyvall with blue gems on the gold lightning bolts and blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Serena Skyvall: That's my special gift to him: Skyvall's Blessing of Water Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 520'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my former planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Serena Skyvall: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Skyvallians both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Sleep Card of all its powers and absorbed the clone of PrimusPlanetmon after we took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Hestia Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Hestia Vulcania: My God, I was right that Lincoln's really grown into a 520'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Hestia, and I can still defend myself, and in addition to getting stronger and larger in muscle

mass, I've also gotten smarter as well.

Hestia Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Hestia Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,998 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

And when Super Brother's harem saw Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Braeden Carnes: Lincoln, I'm gonna need help from you and your harem. Ever since The Elemental Realms merged with Earth Omega when I joined the team, there has been something that's been on my mind, and that's The Ultimate Elemental Villains.

Me: Who are they?

Braeden Carnes: A group of evil and tyrannical Elemental Villains, who wants nothing more than conquering both the Elemental Realms and the world under their banner, and even enslaving the lesser beings and even extracting the elemental power for their gains. Some of them were once my old friends who got seduced by power and turned evil, but I have an idea: we're going to capture them like what you'd been doing in The Skylands in The Simulator and reform them.

Nico: That's a good idea.

Braeden Carnes then got out a list of The Ultimate Elemental Villains, and it was really long.

Eli: WHOA! That's really long!

Lincoln: But, we'll take them down in twelve different parts. Alright, Braeden, we'll do it.

Braeden Carnes: Thank you.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for

Lincoln unholstered his massive Lincoln Loud's Lincoln Loud's True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos True United Friendship Almighty Eternal Celestial Cosmic Elemental Almighty Eternal Godly Friendship Universal Cosmic Elemental Heaven Cosmos Storm Shining Rainbow Ultimate Harmony True Unbreakable Eternal Bonds True Immortal True God Hero Thunderbird Buffalo True Alpha Werewolfairan Vampirairan Cyborg God Mythological True Seraphim God Phoenix God Archangel Justice.

Thornblade the Dark Florauna, Tough Charm, Deathmark, Hard Breaker, Thunder Shock, Blitzwing the Killer Bee-Tyrant Beetle Hybrid, Black Phychic, Dr. Keith Goliath-Facilier, and Fire Hazard: You can't do this to us!

Then, The Dark Elementals were sealed into the Traps that went back into Braeden's hand.

Drew J.P. Wolfield: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Drew. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Tough Charm: Maybe, I think it's time for a career change.

Drew J.P. Wolfield: Alright, fine.

They came back home.

Me: So, that was one part down.

Lincoln: And eleven more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: Right, and Braeden, you also have the same Traps we do.

Braeden Carnes: That's correct, but I had these made for a special reason. Ever since The Ultimate Elemental Villains committed the act of betrayal years ago, I had these made to imprison them and cleanse them of darkness forever. But, I'd yet to find the monster responsible for this, but rest assured, I will find the person who did this. (Eyes turn Red) And I will end their miserable lives once and for all.

Braeden Carnes had sworn an oath: to not only cleanse and redeem The Ultimate Elemental Villains, but also, to find them person responsible for making them betray him and the Elemental Heroes and The Elemental Lands and make him pay for his crimes.

We got a shower, and then, Lincoln, Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret are heading to Laverra Beach, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 520'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret had feelings for Lincoln, and he also had feelings for her and he also saved her from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all.

Uzi the Wolf: Wow, we're here in Laverra Beach, it's so beautiful.

Lincoln: You said it, Uzi, and it's perfect for our first date, but Alecto's going to try to ruin our date and kill us.

Lincoln, Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Queen Terrorkaiju.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clone of Queen Terrorkaiju.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Queen Terrorkaiju, and he began absorbing her and he assimilated all her powers and all the powers and abilities of The Kaiju and the Ultraman Kaiju, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) This feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Laverra Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with fifteen white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret are in your harem, Linky.

Uzi the Wolf, V/Victoria the Cat, J/Jade the Rabbit, Lizzie the Hamster, Doll the Lynx, and Cynthia the Ferret showed the marks Lincoln made on the right side of her trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Queen Terrorkaiju came after us.

WE GASPED!

Nico: The hypothetical Akuma of Carol?! That little...!

Lincoln: Don't worry, I used my Cell stingers and absorbed her and assimilated all her powers and all her powers of the Kaiju and Ultraman Kaiju. Then, I sucked out every bit of energy from her soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: Alecto's gonna regret this.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,0
reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on

their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

The mascots went to the door.

Lincoln: Some of us should go with you guys..

Poromon: Okay.

Me, Carrie Kirk and some of us got our coats.

Me: Okay lets go.

We were off.

We arrived on the planet Andoria.

We saw that it was a really cold ice city under the ice of the ice moon in orbit around a Blue Saturn planet.

Me: So this is Andoria.

Carrie Kirk: Yep. This is my planet of my birthright.

Me: Wow!

She showed us around

Andoria or Andor was an inhabited moon orbiting a ringed gas giant of the Andorian system. Found within Andorian space in the Andorian sector, this Alpha Quadrant moon was approximately 11.5 light years from Sol. Andoria was the homeworld of the Andorians and the Aenar. It was the capital world of the Andorian Empire and, later, was an important member of the United Federation of Planets.

A planet called Andoria Prime was mentioned in Star Trek Into Darkness.

During the Dominion War, Andoria's strategic importance was on par with worlds like Earth, Berengaria VII, and Vulcan.

There was contact between the Andorians and the Aenar in the distant past, but eventually communication ceased and the two races came to remember the other only in myths and stories. It was not until around 2104 that contact was re-established between them.

The Kumari was the first ice-cutter to circumnavigate Andoria.

Tensions between Andoria and Vulcan were high at least until 2151.

Following the agreement of a cease fire on Weytahn in 2152, talks were continued on Andoria, where it was hoped that more than "just talk" would be accomplished.

Prior to entering the Delphic Expanse in 2153, Talas suggested to Shran that they should head back to Andoria while they were still able.

In 2154, the Vulcan High Command planned to attack Andoria.

Later that year, the crew of Enterprise NX-01 set course for Andoria to return the crew of the destroyed warship Kumari home for medical attention.

Andoria took part in talks to form a Coalition of Planets in 2155 and became a founding member of the United Federation of Planets in 2161.

The moons of Andoria were among multiple locations that could be experienced in a 2256 demonstration of the possibilities of spore drive; that year, Captain Gabriel Lorca pointed out to Michael Burnham that, while journeying on the mycelial network, a traveler might blink and, before they knew it, they were visiting the moons of Andoria.

In a commercial for Tribbles cereal, Andoria was shown on a computer screen of a food synthesizer in the mess hall of the USS Ravenous. It was listed along with other locations such as Earth, Vulcan, Izar, Cestus, Tellar, Rigel VI, and Rigel X.

In the 24th century, Andor was home to the Andorian Agricultural Ministry as well as a Federation embassy and was linked by an array of subspace relay stations to Rigel.

Sometime before 2363, Lisa Cusak, as a junior officer, was assigned as an attaché to the Federation embassy on Andor. She met an Andorian civilian who worked at the Andorian Agricultural Ministry. The two ended up dating for six years.

In 2364, Federation starships USS Aleo and USS White Sands were ordered to recertify the Andor/Rigel link of subspace relay stations.

In 2373, Kai Winn rhetorically asked Captain Benjamin Sisko if the Federation would be willing to sacrifice Andor, Vulcan, Berengaria, or even Earth to protect Bajor from the Dominion, if necessary.

In 2374, one of numerous suggestions that Worf offered up for his honeymoon with Jadzia was a mountain climbing expedition on Andor.

Following the war, in 2375, viewscreens on Deep Space 9's

Promenade and Replimat advertised speedy trips to "scenic Andor" on the latest warp ships.

In 2383, the moon is depicted in a holodeck program accessed by the crew of the USS Protostar; Kathryn Janeway (hologram) refers to the simulation as "Holodeck Program Andoria Four" and states that it is a classic.

Between 2383 and 2401, Jack Crusher was accused of organized crime on Andoria.

In 2404, Deanna Troi and William T. Riker considered taking a beach vacation on Andoria.

After the crew of the Discovery convinced Species 10-C to stop using the DMA due to the harm it was causing the galaxy, Andoria entered into talks with the Federation to rejoin.

In the mirror universe, Andor was a dominion of the Terran Empire by 2256, when Terran emperor Philippa Georgiou held the title Regina Andor. She later offered Eling a position as governor of Andor.

In an alternate timeline created by Q, Andoria was conquered by the Confederation of Earth. In the aftermath of this conquest, members of the indigenous population rose up in resistance and started the Andorian Rebellion. This was an ongoing conflict in 2401. In that year, a Romulan rebel proclaimed that one of the bombs which destroyed a building in Okinawa was for this planet.

In a possible 3186 experienced by Gabrielle Burnham, Andoria was one of the worlds where all life had been eradicated using antimatter detonations, apparently by Control. Traveling back to 2257, she communicated her memories to Spock, who later shared them with Michael Burnham.

Andoria was an ice world, with a Human-breathable oxygen-nitrogen atmosphere. A specially designated Andor Environment Ward was located at Starbase 515 in 2365. (TNG: "Samaritan Snare") According to Thylek Shran, "when a Guardsman dies far from home, [their] companions carry part of [them] back to the ice of Andoria."

Only during rare heatwaves would the temperature on Andoria rise above freezing, and even then, only for a few weeks at a time. In the northern wastes, a temperature reading of -28° was not uncommon during mid-summer.

Andorian cities were underground and took their energy from geothermal activity. The cities were connected to each other by thousands of kilometers of tunnels.

A mountain climbing expedition on Andor caught Worf's attention in 2374, when he was considering ideas for his honeymoon with Jadzia Dax.

Cameron: It's so cold.

Me: Well it's an ice moon in orbit around a blue saturn like planet.

Carrie Kirk: Let me show you guys around.

Carrie showed us around.

We saw her talk to the Andorians in their language.

Carrie Kirk: (Speaking Andorian) It's okay everyone they are with me. I'm showing them around my home planet of my birthright.

They understood.

Cameron: What did she say?

Me: She said it's okay and we're with her and that she is showing us the world of her birthright.

Cameron: Oh.

I turned on our translators.

Carrie Kirk: So my people have been members of the Federation for a long time since the 22nd Century. We helped bring the Federation to life and bring many planets to Earth together.

Me: Wow!

Poromon: That is amazing!

Me: Yeah.

We saw the food too.

Carrie Kirk: These are some of the foods we have here.

Me: (Sniffs)

Carrie Kirk: That's Andorian Cabbage Soup. It smells like rotten eggs because of the sulfur smell.

Me: Wow I can tell.

Poromon: Wow what's this blue stuff?

Carrie Kirk: That's Andorian Ale. It's as potent as Romulan Ale. Very traditional here on Andoria.

Me: Whoa. That is cool.

Poromon tried some.

Poromon: Mmm. Good stuff.

Carrie Kirk: It's got a blueberry ilke taste to it

Me: Wow.

Poromon was drunk.

I snapped my fingers and he was back to normal.

Me: We don't want to make a scene here.

Back on Earth, everyone was concerned.

Nico: I hope the mascots are okay.

Exhaust: I'm sure they're fine

We later came back 3 hours later.

Me: Whew man.

Nico: How was it?

Me: Interesting and cool.

Qin: Wow!

We told them everything.

Me: Whew man it was cold.

Cameron: It sure was.

Lincoln: Yeah.

Nico: Wow! You guys had a lot of fun. (Sniffs) SHEESH! What is that smell?

Me: Andorian Cabbage Stew.

Carrie Kirk: It smells like rotten eggs. But it's the seafood that my home planet is very gifted in doing.

Nico: Wow!

Me: It was really interesting to see.

Poromon: The Andorian Ale is good too.

Nico: I figured you would like that.

Trailbreaker: Did you get drunk?

Poromon: Yeah but J.D. stopped that.

Me: Yeah but we got to learn a lot about Carrie's home planet and her birthright.

Nico: I can tell. But you guys must be freezing.

Cameron: It was cold.

Me: Well it was an ice moon in orbit around a Blue Saturn Like planet.

Camie: Wow that is cold.

Lola: Yep.

Then the alarm went off!

Me: Uh oh!

We went to the computer and saw something going on downtown.

Me: There's a disturbance downtown! Lets go!

We were off.

We got there and saw a Mega Groudon roaming the street!

Me: WHOA! A Mega Groudon!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Stacy Storious: Lets see.

She used Telepathy and gasped!

Stacy Storious: It's Rhonda Ogami!

Me: WHOA! Lets go help her.

We went over to her.

Stacy Storious: Rhonda it's me Stacy!

She used Precipice Spikes on Horsea but she put her clone in front of her

Poliwag slapped the spikes away with his tail!

Poliwag: Take that!

Horsea: Thanks!

I fired waves of energy and blasted her down.

Me: YEAH!

I snapped my fingers and she reverted back.

She was a girl with brown hair and brown eyes and had brown angel wings and the symbol of Kamen Rider Buster with the Earth Alchemy Symbol on her arm and forehead.

We wrapped her in a blanket and brought her to a bench.

Me: There.

She woke up to see Horsea's smiling face

Rhonda Ogami: (Groans) Huh? A Horsea?

Horsea: You attacked my clone!

Maria picked her up.

Rhonda Ogami: What hit me?

Stacy Storius: Are you okay Rhonda?

Rhonda Ogami: Stacy! Thank goodness.

Me: You were turned into a Mega Groudon by Dark Gale.

Rhonda Ogami: Oh man. I was fighting Kamen Rider Tassle when it happened.

Me: I remember him! He was nuts.

Nico: Yeah.

Poromon: Do you have a rider name?

Rhonda Ogami: No I help the Saber Team battle their enemies.

Me: Oh.

Rarity: Lets get you some new clothes darling.

The Fashion brigade gave her new brown clothes and a crystal sword.

Rhonda Ogami: I look amazing.

Me: You sure do.

Esmeralda got her jumpsuit on. It was emerald green.

Esmeralda Emera: There.

Lego Luthor contacted us.

Lego Luthor: Great job, yesterday. We got Shazam and someone on Earth 3 onboard in addition to Black Adam.

Me: Awesome!

Indigo Zap: Thanks. What's our next move?

Lego Luthor: (sheepishly) I haven't exactly figured that out. Wanna head to the Hall of Doom to discuss it?

Me: Sure. We never went to the Lego version of it before.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Scott, the jerk has finally come out and he's causing havoc! When we saw it, we knew it meant trouble.

Connie Jackelstein: It's him! The fucking jerk and rapist who murdered my sister!

Me: So, Scott the Jerk has finally come out of hiding!

Nico: About damn time!

Eli: Which means...!

Lincoln: It's time to exact a little payback on that bastard.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Scott, the jerk has finally come out and he's causing havoc!

EVERYONE GASPED!

Cameron: Then, that means our fights with Eva and Anna Marie on Nico's rescue, this was...!

Eli: This was his doing!

Suddenly, I got a text from Stane.

Me: I just got a text from Stane. (GASPS) OH, YOU GOT TO BE

SHITTING ME! That's not the real Scott we saw! That's a clone! A clone created by Alecto Slytherin!

WE GASPED IN HORROR!

Lincoln: Then, that means Alecto Slytherin's managed to escape from The Warp even despite that I destroyed the majority of his black magic, and he used the weakening remains of it to create a clone of Scott and Evil Sasuke!

Cameron: Which means, the real Scott and Evil Sasuke are with Evil Neutron and Tim Buktu! Lincoln, I hope you have a plan for this.

Lincoln: I do, Cameron. But, I'll tell you guys once we get going, but, it's gonna be an awesome one.

Nico: This I got to see. Alright, then, let's get going.

Lincoln: It's bad enough you did all that evil on Total Drama, but you crossed the line with raping and murdering Emily Jackelstein and for the whole Team Buktu bullshit you caused, but getting together with Alecto Slytherin to create a clone of yourself to cheat your date with death?! What kind of sick lunatic are you, Scott?! I'm gonna make you regret ever coming back from The Black Gates when we slay your clone and send him to The Black Abyss and that'll show you and the others are next.

Me: YEAH!

Brittney: I'll use my magic to make a curse so that the real things can feel the pain of the clones.

Me: Good idea.

The Previous group came.

El Diablo: Can me, Scorcher, Firepower, Evil Star, Key, Overdrive, Villamax, Wolf, Weather Wizard and Beetle go with you guys?

Nico: Yes you all can come with.

Qin: Cool.

Napalm Man: Nico, which Gene Slammer do you think you'll meet next?

Nico: Hmm... Wall of Tears next.

Me: Oh boy. That one is going to be crying a lot no doubt.

Xenia: Yeah.

Qin: No kidding.

Me: Looks like we're heading to Slaughter Swamp.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo in the center and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo that's behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings on each corner glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Blaze from Mortal Kombat: Armageddon. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got big trouble!

Me: Oh man! Was that?!

Lincoln: Blaze from Mortal Kombat: Armageddon.

Raiden: Blaze's appearance here is a dire warning of Shao Khan's return one day. Months ago, I know you banished him, Quan Chi, Shang Tsung, Shinnok, and Kronika to The Book of Vile Darkness after you stripped them of their powers after you'd slain D'Vorah, Lincoln. But, can you banish them to The Warp until my day has come?

Lincoln: Understood, Lord Raiden.

Lincoln banished Shao Khan, Quan Chi, Shang Tsung, Shinnok, and Kronika to the deepest recesses of The Warp to be imprisoned until Raiden's time come.

Adrianne Acmetropolis: Lord Raiden, allow me and Lincoln to face Blaze.

Ace Bunny: Are you sure about this, Adrianne, you've been dead for eight years, and your skills might be...!

SLASH!

Adrianne Acmetropolis slashed a training dummy down the middle and it fell to the ground and burst into dark flames!

Ace Bunny: Okay, I stand corrected...

Lexi Bunny: (Snickers) Oh man, her skills hadn't dulled, Lincoln bringing her back from the dead had enhanced her skills greatly.

Lincoln: Her skills are just as sharp and deadly as ever.

Nico: You said a mouthful. Okay, team, let's go, time to get rid of that clone of Scott for good.

Lincoln: And piss off the real Scott and that deranged psycho, Alecto Slytherin, and once we get done with him, you're next, Blaze.

Adrianne Acmetropolis: You made a huge mistake coming for us, Blaze, this is unforgiveable, it's time we set things straight once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to kill the clone of Scott and send him to The Black Abyss and piss off the real Scott and that deranged psycho, Alecto Slytherin, and once we get done with him, Adrianne Acmetropolis and Lincoln are going to destroy Blaze and Lincoln's going to absorb him.

We were off to Slaughter Swamp.

With Team Buktu and the Crime Syndicate

Lego Sea King: First Power Ring, and now you! This Earth's villains are not playing nice.

Lego Owlman: Every time we beat them, it keeps the normals believing our cover story. We need that in place to carry on the search!

Lego Sea King: Says you! I says we find these villains and show them to runs the planet now!

Lego Owlman: Don't forget, this world has been promised to us when we find the artifact!

Tim Buktu: He's right. So far, everything's going according to plan.

Johnny Quick: Almost makes up for your little recent screwup.

Tim Buktu: Oh, c'mon! How was I supposed to know my experiment would have grave consequences?

Atomica: Consequences that cost us our bodybulder army that Team Loud Phoenix Storm took out the next day

Lego Sea King: Anyway, I've had enough of this hero bilge. Being good is so boring!

A crab then came and talked to him

Lego Sea King: Oh. What's that, Nippy? Hmmm, interesting! Excellent. Looks like it's time for a voyage!

Scott: Count me in too!

UH OH!

We arrived.

Me: We're here. Slaughter Swamp.

Nico: Too bad Grodd isn't here. He would have loved coming here.

Qin: Yeah.

Livewire: This place has a lot of bad memories.

Killer Frost: It sure does.

Volcana: I know.

Scorcher: Let's call Juggernaut and Electrocutioner

Me: I was just about to say that.

We did so.

Juggernaut: We're ready!

Electrocutioner: And it's going to be awesome.

Me: YEAH!

We saw some of the Legion on the ground!

Sugarcoat: Ivy? Where's the Hall of Doom?

Lego Poison Ivy: A giant squid pulled it down into the ocean!

Me: A Giant Squid!? Not good!

Just then, Lego Black Manta's water vehicle came by along with Lego King Shark and Lego Parasite. Its' owner came out along with Lego Trickster.

Me: Oh man! What happened?

Lego King Shark: Ivy Lady! Big sea monster roaming the seas!

Lego Black Manta: We need shelter. Can you accommodate us in the Hall of Doom until we figure out what it wants?

Lego King Shark: Sea not safe! Hide us!

Lego Poison Ivy: What? No! That sea monster dragged away the Hall of Doom and my friend! And you're going to help me to get them back. Aren't you?

Nico: You guys actually came just in time.

Me: That's right.

Eli: We'll find them.

Lego King Shark saw Fang.

Lego King Shark: Are you great white shark like me?

He nodded.

Me: Fang is here for special reasons.

Juggernaut: Yep.

Me: Scott is coming.

Firepower: We'll have to dive underwater to find Sea King.

Lego Trickster: Hope you guys can swim

Me: Yes we do.

Varie: Lets go Crusaders.

We went down into the water!

We were swimming.

Centaur Man: I actually didn't expect to go underwater today.

Lego Black Manta: I'm used to it

Me: So are we David. We've been underwater a lot.

Varie: Why do you think I formed the Neptune Crusaders.

Lily: It's fun.

Qin: Yeah!

Lego Black Manta: I can see why.

Key: Though we'll need to make sure you guys can breathe underwater too. Aside from Black Manta and King Shark

Me: Yeah.

I snapped my fingers and they can now breathe underwater!

Lego Poison Ivy: HEY! We can breathe underwater now!

Lego Livewire: Awesome!

Xenia: Yep.

Brawl: I think Sea King's controlling that squid

Me: J'edd J'arkus A.K.A. Sea King. We haven't met him in the Prime Universe.

Nico: No we sure haven't.

Camie: Yeah.

Me: Lots of villains in the Lego Universe that we haven't faced in the Prime Universe.

Wolf: Isn't he the Crime Syndicate counterpart of Aquaman?

Me: Yes he is.

Qin: Yeah.

Xenia: Wow.

Nico: After we expose Team Buktu, we'll have to find out where the Crime Syndicate sent the Justice League.

Me: That's a good idea.

Qin: Yeah.

Me: My guess is they are on Apokolips.

Xenia: Yeah.

Lego Trickster: (to Electrocutioner) How come you're not shorting out?

Electrocutioner: Vypra made me waterproof.

Camie: It's true.

Me: Yep.

Lincoln: Yeah.

Horsea was swimming around.

Horsea: YEAH! THIS IS FUN!

Xenia: Yeah it is!

Me: Wait look!

We saw The Legion of Doom HQ!

Me: There it is!

Nico: And that monster's guarding it. We have to find Sea King.

Me: Lets see.

Eli: I'll find him.

Eli used the Force to find him.

Eli: There!

We saw Sea King!

Lego Black Manta fired lasers from his helmet

We fired waves of lightning and energy and blasted him down.

Qin fired fireballs and blasted him.

Lola fired waves of energy and blasted him.

We blasted him down and swam and tied him up.

Me: Okay that was too easy.

We went over to him.

Me: Okay squidface. We're going to ask you nicely. Can you please put the Legion's HQ Back where it belongs?

Poromon and the mascots: (Does Puppy eyes) Pwetty pwease?

Sea King: NOT THE PUPPY EYES! ANYTHING BUT THEM!

Me: You should know better than to not resist the cuteness of the mascots.

Sea King: Fine. But only if I can regroup.

Me: Fair enough.

He commanded the squid and it did so.

Me: Thank you

I turned to head back to my group and then...

LOUD AND EXPLOSIVE MASSIVE UNDERWATER FART!

The farts went up to the surface and then...

LOUD HUGE FART!

Lego Power Ring came and fell into the swamp from the stench!

WE LAUGHED!

Me: Sorry! Mississippi Queen fart!

Lego Sea King fainted from the stench and it was nasty!

But Sea King woke up and ran off into a different part of the swamp

Lego Parasite: I call dibs on absorbing the energy of that squid later

Me: Okay. Sorry about that guys.

Poromon: We had a powerful bloody mary and it was really deadly.

Me: Yeah.

We went back to the surface.

We got onto land.

Me: Whew.

Nico: That was funny!

Xenia: It sure was.

But then...

ZAP!

We were in a beam of light and it sucked us up to a ship!

Me: WHOA! ARE WE BEING ABDUCTED BY ALIENS!?

Xenia: WHOA!

We saw a REALLY HUGE SHIP! It looked like 3 Star Trek Ships combined into one!

Me: WHOA! That is a big ship!

We were all brought on board.

Me: WHOA! What a cool ship!

Nico: Wow!

?: Greetings.

We saw a hologram of Cameron!

Me: WHOA! Cameron? Is that you?

Cameron 2: Actually I'm a hologram. You are on board my Akuma, The Valdore Anti-Billy Rescue Ark.

Lincoln: WHOA! The Hypothetical Akuma of Cameron of Total Drama and he is a rescue ark that is a combination of the Romulan Stormbird Battle Cruiser, Romulan Scimitar and the Son'a Battleship. He is equipped with all kinds of weapons and more for battle. He was made because of the torture and torment and humiliation of all the contestants of Total Drama brought on by Billy McLean and he vowed to rescue all of them in many multiverses and bring all versions of Billy McLean to Justice. He has his own crew and is fully operated by a holographic artificial intelligence system where his brain was digitized and pilots the ship. He is a ship as big as the U.S.S. Valorous Phoenix and is a good akuma!

We gasped!

He showed a sketch of him and he was huge and cool!

Me: WHOA! What a ship!

Xenia: That is amazing!

Me: Wow!

Cameron 2: Let me show you all around.

Lego Poison Ivy: I thought you fight all the Akumas

Itasis: We never said that.

Me: Not all Akumas are bad. There are good ones too.

Scott Truman: He's right on that. My Akuma is a ship and it's good too.

Cad Bane: We said meeting the Akumas is mandatory. We never said fighting them is always required

Me: Yeah we always don't encounter bad Akuma's every time.

Nico: Yep.

We walked around and saw that the ship was really advanced and amazing.

Me: WOW! This is a really awesome ship!

Lori: What do you do?

Cameron 2: Look here guys.

We saw in a room all the Total Drama Contestants at home and even being in therapy to help them get over traumas and we even saw numerous versions of Billy McLean locked up in the brig and they were yelling and cursing like mad.

Cameron 2: We travel all over the multiverse and rescue all the contestants from Billy McLean's torture and humiliation and bring all versions of him to justice. We found out that Billy's evil is all over the Multiverse.

Me: Whoa! I didn't think all alternate universes had him like that.

We even saw the Sore Losers in intense therapy and they were crying their eyes out and opening their souls.

Me: Even the Sore Losers too?

Cameron 2: We have them undergo intense therapy to find out why they are like that so we can help them.

Me: Wow! Wish the same can be said about the prime universe.

Qin: Yeah.

Beetle: Don't jinx our luck. Something else is bound to fight us

Then the intruder alarm went off.

Me: Uh oh! I think them!

We saw ARYEES!

Me: WHOA! Aryees! Those are the Gozyugers Footsoldiers!

Nico: WOW!

We went at them and punched and kicked and smashed them all over!

Lincoln fired waves of lightning and blasted them.

Lasers all over the ship blasted them.

Juggernaut charged at them

BOWLING CRASH!

Me: Nico kick me.

I rolled into a ball.

Nico did so.

KROW!

And then...

KRASMASH!

I knocked them all down and they exploded!

Me: STEEERIKE!

Kickback: Can you still help us with the upcoming fight?

Cameron 2: I would be honored.

Lincoln: Okay, before we go after the clone of Scott, here's my attack plan on him.

Lincoln pulls up a hologram of Slaughter Swamp and zoomed in on one particular area and it was Legion Of Doom HQ.

Lincoln: Now, we already know Scott, or rather, the clone of Scott, is here and he's causing havoc by throwing bombs at people, destroying buildings, and assaulting innocent people like the fucked-up bastard that he is.

Suddenly, Vypra and the rest of The M.O.E. arrived.

Vypra: Stane sent us the same message as well. I can't believe Alecto Slytherin has escaped from The Warp and he made those clones of Scott and Evil Sasuke, he pisses me off to no end.

Lord Drakkon: At least, he's been weakened to a very severe degree, and won't be able to do a single thing against us. So, what's the plan?

Lincoln: First, we need to get the people to safety, and that's not going to be easy. The clone of Scott has a very massive army of Parademons with him, and that asshole also has tons of explosives with him. Plus, he also likes to fight dirty especially if he tries to also kill innocent people as well. But, now that Emily's back, seeing her alive will give that stupid pit-sniffing butt-chewing dumbass the shock of his life.

Connie Jackelstein: That'll teach him, and it'll also warn our bitch sisters who've no doubt returned from The Black Gates that someday soon, we will be coming for them. As for the massive army of Parademons, you'll need to use the same trick as before: using Omega Beams infused with Anti-Matter to suck the life out of them, Lincoln.

Lincoln: Knowing Darkseid, he's bound to do so. Alright, time to head out.

The map disappeared, and we then headed outside.

Lincoln: I was expecting that you'd crawl out of hiding, but to find out that Alecto Slytherin escaped from The Warp and made a clone of you and Evil Sasuke in yours and his place to fool us while you cheat your date with death? (Deep Sapphire Eyes glow even more) This is unforgiveable, now we're gonna make you suffer even more. You get to watch as we destroy your clone and send him to The Black Abyss.

Me and Nico: And that'll serve as a warning that we're coming for you and the others, you dumbass!

Weather Wizard: Is he in sight?

Me: We'll find him.

Nico: Lets go.

We flew out, and we saw the clone of Scott, and just as Lincoln said, he's causing havoc by throwing bombs at people, destroying buildings, and assaulting innocent people like the fucked-up bastard that he is and laughing maniacally, and to make matters, he has a massive army of Parademons with him.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive army of Parademons with the clone of Scott and the next group of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: That's the Parademons out of the way. Now, to get the people out of the way.

Lincoln used his powers and beamed them to safety.

Nicholette Torrington: Now that the Parademons are out of the way. (Sees the Scott clone running) Hey, we got a runner!

The Dark World Goth Girls summoned demon sharks from Dark World, and they caused the clone of Scott to scream like a little girl and he pissed and shitted his pants! He tried to run, but The Dark World Goth Girls summoned more demon sharks from Dark World and he screamed even more and pissed and shitted his pants even more!

Me: Damn, now that's what I call sadistic.

Nico: You're telling me, I hadn't seen someone piss and shit their pants in that short amount of time.

KRABOOM!

Then, we looked to see Alexander Michaelson taking down Scott's men and he was punching, kicking, and slashing at them with unimaginable power and strength!

Rebecca Michaelson: And Alexander's taken down a lot of Scott's men!

Then, we saw him about to fight the clone of Scott.

Me: That's the signal!

Nico: Him about to fight the clone of Scott?! Then, let's get in there.

Alexander Avalon used The Watery Card, and it formed a massive tidal wave of water surrounding the clone of Scott, and to add in an extra effect, he also made sharks appear and that made the clone of Scott scream even more and he pissed and crapped his pants even more!

Me: Ooh, using The Watery Card to keep him trapped! Nice one.

Nico: And you made him piss and crap his pants even more?! That's overkill. Alright, time to get in there before he dies of fright before we can kill him.

Suddenly, the spirits of sharks appeared and they attacked the clone of Scoot with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared, and that pissed him off, especially when he saw Lincoln!

Scott Clone: WHAT THE HELL?! YOU DIDN'T KILL TEAM LOUD PHOENIX STORM OR YOURSELF!

Lincoln: That was because of Alexander's dad infecting me with dark magic that he got from Dark Chase Young, Scott. But, I've been freed and permanently purified of all that darkness that I had to go through along with removing the last bit of Dark Chase Young's evil that caused me to go insane.

The clone of Scott got pissed off big time as he let out a really really angry scream! And Lincoln fired a blast of white energy and forced out the real Scott who also let out a really really angry scream!

Me: Uh oh, looks like you pissed off Scott to no end! (To the real Scott) And what do we have here?!

Nico: So, you were watching from the shadows at the mayhem you and your clone caused, and you and your other unhinged friends were hoping that Dark Chase Young's evil would do us all in! That is truly unforgiveable, but guess what, Scott. One of Lincoln's future wives saved him two days ago and he was forever purified of all that darkness he went through, Dark Chase Young's last attempt to break us along with what your unhinged friends had been doing has failed. (FLIPS SCOTT AND HIS CLONE THE FINGER) SO, FUCK YOU AND FUCK TEAM BUKTU! EAT IT, FUCKING JERKOFFS!

Scott: Then I will finish what that draconic bastard failed to do and kill you all myself!

Lincoln: Oh, bite my shiny iron hairy ass, Scott.

Lincoln fired a blast of lightning that hit Scott and his clone and electrocuted them.

Me: HAH! YOU WALKED RIGHT INTO THAT ONE, PIT-SNIFFERS!

Scott: (ENRAGED SCREAM) WE'RE GONNA KICK YOUR ASSES FOR THIS!

Caleb Maxwell: Screw you, you piece of shit! I'm gonna enjoy ripping your throat out!

Adrian Morrigan went after Scott and the Scott clone and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded as they hit him, and he also whacked him and blasted him with his staff. Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at him which hit him hard.

POW!

Caleb Maxwell punched the Scott clone hard in the face and he slashed him in the stomach with his gold-armored dragon claws, and he slammed him onto the concrete, and we saw the anger in Caleb's eyes: he was out for blood, and the skies turned black and red.

I went after Scott and the Scott clone, and I fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Moonlight, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Atomic Radiation, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Great Old Ones, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Deer, Hippogriffs, Griffins, Perytons, Sphinxes, Manticores, Animals, and Mythological Animals at Scott and the Scott clone, and they exploded with incredible power as they hit him!

Scott and the Scott clone lost it and charged at me and he tried to attack me, Lincoln, and Super Brother, but we pulverized them with our massive godly superhuman strength and got brutally pulverized.

Suddenly, we saw a massive fire aura surround Lincoln, and it was blazing hot!

Then, the fire aura surrounding Lincoln suddenly grew even bigger and stronger as Lincoln started to get more pissed off as the memories of Scott's rape and murder of Emily Jackelstein and the whole Team Buktu shitstorm from two years ago, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and large gold Yata no Kagami mirror with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Yata no Kagami mirrors on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999

I still remember the day the police found Emily's body: you tore her clothes apart, you raped her and Carla slashed off her breasts and you and Carla cut her all over the place, and you even gouged out her eyes and tore her nose and lips off, and you even slashed off her fingers!

WE GASPED!

Me and Nico: Connie, did that...!?
